

To whom it may concern,

Thank you for the opportunity for letting Lewis University participate in the collaborative efforts of analyzing our data as it pertains to the sustainable practices that positively impact our University and the communities we directly or indirectly contribute to. As we continuously improve our efforts to move towards a more sustainable future, I have to say that the data reported through AASHE STARS is accurate to the best of our knowledge. Please do not hesitate to ask any questions.

Kind Regards,

Don Castello, Associate Vice President of Facilities
