

RENEWABLE ENERGY CREDIT CONFIRMATION

The undersigned hereby confirms that Renewable Energy Credits in the amount set forth below were sold by Oklahoma Gas and Electric Company ("OG&E") to the Oklahoma State University ("OSU") during 2017 calendar year, pursuant to the Amended and Restated Agreement for Electric Service Between Oklahoma Gas and Electric Company and Oklahoma State University, dated as of November 9, 2011, (as it may be amended from time to time, the "Agreement"). Capitalized terms used herein not otherwise defined shall have the meanings set forth in the Agreement.

97,135 Renewable Energy Credits

Further, I hereby confirm that:

1. to the best of my knowledge, the Renewable Energy Credits were not sold, marketed or otherwise claimed by any third party.
2. the Renewable Energy Credits, and the electricity that was generated with the Renewable Energy Credits, was not used by OG&E to meet any federal, state, or local renewable energy requirements, renewable energy procurement, renewable portfolio standard, or other renewable energy mandate; and
3. the electrical energy that was generated with that Renewable Energy Credits was not sold or separately marketed as renewable energy by OG&E.

Further, I hereby confirm that the Blackwell Wind, LLC. aka "Cowboy Wind Farm" generated all of the Renewable Energy Credits sold to OSU and confirmed pursuant to this Confirmation.
