I am writing to notify you that Stop Bugging Me Pest Control is one of less than 300 companies offering GreenPro certified service. Stop Bugging Me Pest Control has earned the prestigious GreenPro certification, proving it meets the industry standard for Integrated Pest Management. Only QualityPro accredited companies can offer GreenPro certified service. QualityPro accredited companies voluntarily ascribe to a set of qualifications that go above and beyond government requirements. These include:

- Checking employee references and motor vehicle records
- Doing criminal background checks on all employees where permitted by law
- Employing only highly-trained, credentialed employees
- Holding an up-to-date insurance policy

To offer GreenPro service, a company must take additional steps to prove their professionalism. Every employee performing or selling GreenPro certified service has passed a comprehensive exam dedicated to verifying individual knowledge of Integrated Pest Management (IPM).
