Letter of Affirmation: Innovation # 1

Low-Flow Liquid Desiccant Air-Conditioning at Stevens Institute of Technology

This letter is meant to ensure that the policy, practice, program, or outcome that the institution is claiming for an innovation credit is truly innovative. It also affirms how the innovation meets the criteria outlined below.

**Which of the following STARS subcategories does the innovation most closely relate to?**

1. Air & Climate
2. Buildings
3. Energy
4. Water
5. Health, Wellbeing & Work

Please do not hesitate to contact me should you have any questions or concerns.

Sincerely,

Robert Maffia

Vice President for Facilities and Campus Operations
