Subject: California State University, Los Angeles (Cal State LA) STARS Submission

Dear Committee Members:

California State University, Los Angeles is pleased to submit the results of our first comprehensive campus-wide Sustainability Tracking, Assessment and Rating System (STARS) assessment. This report was prepared through collaborative efforts across the entire campus community, and I affirm the data presented to be true and accurate to the best of our abilities.

Cal State LA is continually pushing boundaries to promote the highest standards of social justice and environmental stewardship. By submitting this report, Cal State LA furthers its commitment toward a more sustainable and resilient future. We welcome the opportunity to share our accomplishments and collaborate with other institutions to advance the cause of sustainability in the Southern California region and beyond.

Cal State LA is pleased to have the opportunity to participate in this effort to assess and improve upon our current sustainability initiatives and practices. We look forward to further engaging our community, developing best practices, and making progress towards a more sustainable future. Thank you for providing the opportunity for our campus to evaluate and measure our sustainable performance.

Sincerely,
