## Default Question Block

On behalf of NMU's Sustainability Advisory Council, thank you for participating in our survey. Upon completion you will be eligible to win a \$100 gift card to the Marquette Food Co-op.

Your responses help us track NMU's sustainability performance. Specifically, this survey asks questions about attitudes toward sustainability and transportation habits. Unless you choose to provide us with your contact information, your answers will be kept confidential and your participation is completely voluntary.

The survey takes less than five minutes to complete. If you have any comments or concerns, please contact the co-chair of the Sustainability Advisory Council, Dr. Jessica Thompson, at [jessitho@nmu.edu](mailto:jessitho@nmu.edu).

For the purposes of this survey we are using the Association for the Advancement of Sustainability in Higher Education's (AASHE) definition of sustainability: Sustainability includes accounting for *human and ecological health, social justice, secure livelihoods, and a better world for all generations*.

Do you primarily identify yourself as:
