TOTALS 2,306 360

**Total graduates, incl. students with Minors 2,666**  
**Total assoc + bachelors conferred 6,145**

*\* Biology (BS) is the only program on this list for which the sustainability courses are electives, but the program as a whole is covered by three specified sustainability learning objectives.*

*Note 1. Data for degrees conferred are from academic year 2016/2017*

*Note 2. Data on Minors awarded was not available for 2016/17, so 2015/16 numbers were used.*
