LEED® Score: The LEED green building certification program is the internationally accepted benchmark for the design, construction, and operation of green buildings. The LEED score on this report reflects the USGBC requirements for LEED v4 O+M EQ Credit 7: Green cleaning - products and materials.

Products are not reviewed or certified under LEED. LEED credit requirements cover the performance of materials in aggregate, not the performance of individual products or brands. For more information on LEED, visit www.usgbc.org

LEED® Score: The LEED green building certification program is the internationally accepted benchmark for the design, construction, and operation of green buildings. The LEED score on this report reflects the USGBC requirements for LEED v4 O+M EQ Credit 7: Green cleaning - products and materials.

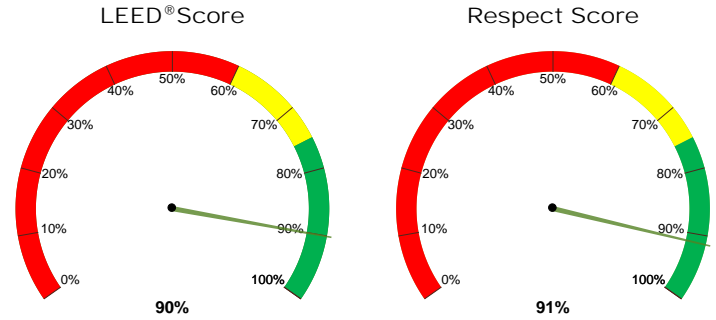

Products are not reviewed or certified under LEED. LEED credit requirements cover the performance of materials in aggregate, not the performance of individual products or brands. For more information on LEED, visit www.usgbc.org
