

How can you help?

Respect other trail users: this is a multi use trail; please give others room, wear your mask, and minimize noise impacts.

Clear sticks from trails: by tossing sticks off the trails, you will help us with the mowing that is necessary to keep the trails open.

Pick up after dogs: aside from the local mess created by droppings, dog excrement leads to beach closings downstream.

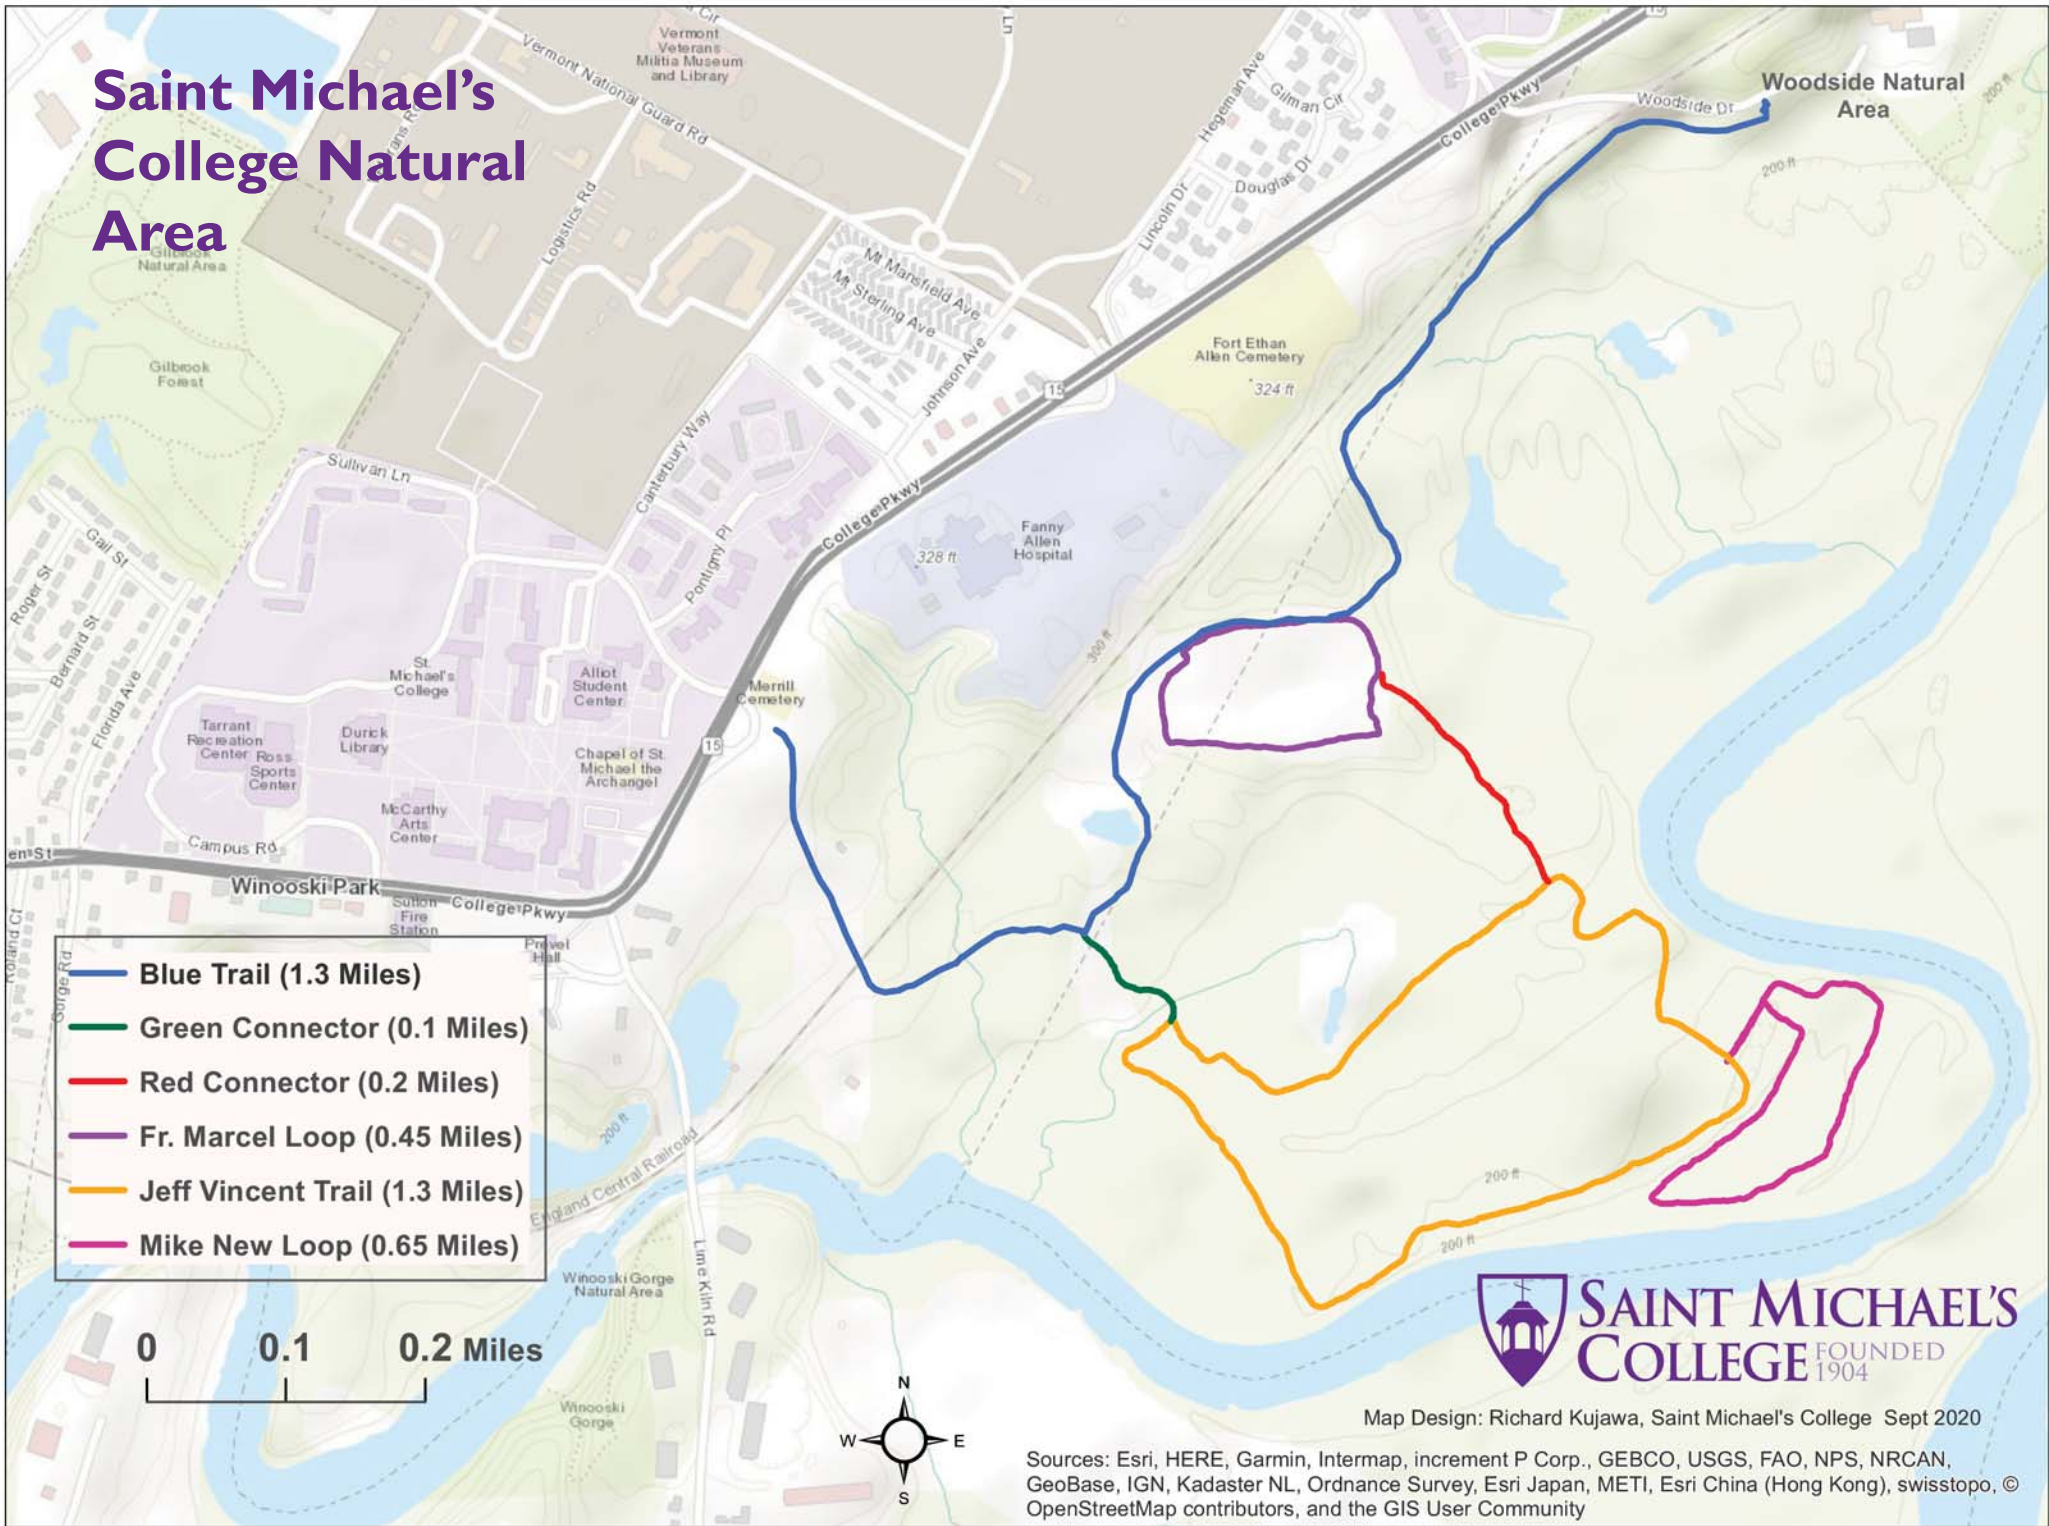

Help us document Natural Area usage:

Donate to Saint Michael's College

Saint Michael's College Natural Area

- Blue Trail (1.3 Miles)
- Green Connector (0.1 Miles)
- Red Connector (0.2 Miles)
- Fr. Marcel Loop (0.45 Miles)
- Jeff Vincent Trail (1.3 Miles)
- Mike New Loop (0.65 Miles)
