

**Sustainability Across the Curriculum Inventory
Spring 2013 Course List**

Course Code Summary	0 - Course does not address sustainability 2737	1 - Sustainability Course - Undergraduate Level 38	2- Sustainability Course - Graduate Level 3	3 - Course includes sustainability concepts - Undergraduate Level 316	4 - Course includes sustainability concepts - Graduate Level 109	Total Undergraduate Courses 2010	Total Graduate Courses 1193
----------------------------	--	---	--	--	---	-------------------------------------	--------------------------------

Sustainability Learning Outcomes - Course Code Summary	A - The ability to connect with others	B- The capacity to understand and describe consequences, both individual and collective	C- The commitment to develop strategies knowing they are flawed (incomplete, imperfect or temporary)	D - The ability to demonstrate sustainability expertise specific to their area of study	E - The capacity to integrate and synthesize	F - The ability to understand, describe and take part in reflective or contemplative practice	G - The ability to understand, measure and influence earth systems
