ENGINES

As of 7 November 2019

Williams FJ-44-2C

	Left	Right
Serial Number:	126249	126248
Total Hours:	5623.6	5623.6
Total Cycles:	4242	4242

Engines enrolled on TAP Elite

Current 2018 rate is 153.24 USD per hour per engine. Rates subject to program escalations.

INTERIOR

The cabin consists of an eight passenger configuration, with a four place double club seat arrangement in the mid cabin, two forward facing seats in the aft cabin, a single side facing belted seat opposite the main entry door and an aft belted lavatory. There is a slim forward left-hand refreshment cabinet for catering storage.

There is an Aircell AT.02 in-flight phone installed in the aircraft that is currently inoperative. Connectivity includes two electrical outlets wired for 110 V / 60Hz electricity with USA-style plug interfaces in the cabin, four USB outlets with two ports in each located two in the cabin and two in the cockpit, and a VGA outlet in the main cabin.

EXTERIOR

The exterior paint is overall white with navy and dark pewter ribbon stripes. The paint is the original paint that was completed at the Cessna Factory during manufacture.
