## 2017 Bombardier Challenger 350

MSN 20670 - 9H-JLG

The **Bombardier Challenger 350** is a super-midsize business jet and can access more airports than any other contender in its class. With a cabin cross-section nearly the same as a large cabin long-range aircraft, it is one of the most spacious cabins in its category.

“With only one owner since new and an excellent pedigree, this 2017 Challenger 350 is a must-see aircraft in turn key condition.

MSN 20670 has engines and APU enrolled on MSP Gold as well as on Smart Parts Preferred. With 9 pax configuration and all 2020 mandates, this is an opportunity not to be missed.”

**Victor Roinson**
