Hot Section Completed:	December 2019	December 2019

INTERIOR

The interior is configured to seat 8 passengers plus a belted lavatory. The forward cabin features a two-place divan across from the entrance. The centre cabin has a four-place club grouping with fold-out tables, followed by two forward facing VIP seats. The belted aft lavatory is separated from the main cabin by a hard pocket door and is externally serviceable. The forward galley is equipped with a Mapco coffee pot and ample storage for catering food, drinks and supplies.

A ST3100 inflight phone is located in the side rail, and four 110 volt electrical outlets with USA interface are located throughout the cabin.

EXTERIOR

The exterior is painted overall white with dark brown and light brown ribbon accent stripes. Paint is original.
