

## 1 MILLION CUPS (1MC) FAIRFAX COUNTY, VA

A weekly event that brings together entrepreneurs and the Fairfax County community over coffee and conversations.

**Join us Virtually!** We help business owners grow their business and provide the opportunity each week to give feedback to them on their business challenges. It is like a mini-business mastermind!

### **Interested in presenting? What to know:**

- 1) We provide a space for entrepreneurs to present their latest business challenge (this is not a pitch).
- 2) If you as a business owner are stuck, you can share where you are stuck and get free feedback from our business community.
- 3) Once you apply, we assign a coach to you and help you prepare a short presentation about your business and where you need insight.
- 4) Join dozens of like-minded business owners and increase your visibility and connections.
