(c) The sugar mills which export refined sugar through the sugar refinery by way of value addition to either raw sugar obtained as input from the domestic sugar manufacturer by invalidation of license issued under Advance Authorization Scheme (AAS) or raw/white sugar through OGL shall be considered to have exported domestically manufactured sugar. The sugar mill which has originally manufactured the raw/white sugar or MAEQ holder in case of export through third party, as the case may be, shall be also eligible to receive assistance under this scheme. In this regard, the raw/white sugar manufacturer(s), MAEQ holder(s) if other than the sugar manufacturers and the sugar refinery for that purpose shall enter into bi-partite/tripartite agreement as the case may be. The refinery is also required to

submit an undertaking on a non-judicial stamp paper declaring that the quantity of refined sugar has been exported by sourcing raw/white sugar from the domestic sugar mills clearly indicating the name of sugar mill(s) and MAEQ holder(s) if other than sugar manufacturer. The name(s) of such raw/white sugar manufacturer(s)/MAEQ holder(s) should also be indicated in the shipping bills relating to export of such refined sugar.

## **5. Modalities of utilization:**

(i) The assistance is to be used for payment of cane price dues of farmers for the sugar season 2020-21 and cane price arrears of previous sugar seasons, if any.

(ii) In order to ensure that the assistance is directly credited into the accounts of farmers, the sugar mill shall open a separate no-lien account in a nationalized bank/cooperative bank and furnish to that bank the list of farmers along with bank accounts details and extent of cane price dues payable to the farmers for the sugar season 2020-21 and cane price arrears of previous sugar seasons, duly certified by the Cane Commissioner / Director of Sugar of the state concerned. The sugar mill concerned shall submit utilization certificate duly counter signed by the respective Sugarcane Commissioner / Director (Sugar) within three months from the date of release of subsidy certifying that the subsidy so released has been utilized for the purpose specified in this Scheme. Any failure to submit the utilization certificate within stipulated time would debar the mill from availing benefit under any other scheme subsequently announced by the Central Government and action will be initiated for recovery of the amount including adjustment from dues of the sugar mill in respect of any other scheme being operationised by DFPD. Format of Utilization Certificate is at annexure- II.

7. The sugar mill concerned shall submit bank certificate of export and realization by the bank for the exports made within 120 days from the date of release of assistance. **9.** DFPD shall closely monitor the prices of sugar, both in domestic as well as international markets and review the availability position of sugar on monthly basis and based on such reasons, DFPD may amend or withdraw the scheme at any time.

**10.** DFPD will also review the performance of sugar mills on quarterly basis and in case of non-performing mills, their MAEQ may be reduced and accordingly MAEQ of performing and willing sugar mills may be increased.
