## ***Flying Dragons and Handicapable Divisions***

The Flying Dragons division is meant for Karate Kids 5 years old and younger who are not quite ready for the 6 and under division. This is a great way to introduce the younger Karateka to competition. The Handicapable division allows our challenged competitors to showcase their talents. ***The cost of these divisions is reduced to the "Additional Division Rate"***

## ***Required Safety Equipment***

All competitors must be in complete compliance with CKA safety gear requirements. Anyone in a sparring division must have: Head Gear, Mouth Piece, Hand Pads, and Foot Pads. Shin and Chest guards are optional but not required.

***\*All male competitors MUST wear a safety groin cup in order to spar, even in divisions where the groin is not a target. Safety First!***

## ***Continuous Point Sparring***

Continuous sparring is best meant for the more experienced sparring competitors. It is open to all competitors, but ***we recommend only experienced sparring competitors should compete in continuous divisions***. Each match consists of two, 30 second rounds. Instead of breaking for each point, the sparring is continuous until the end of the round. During the round, corner judges are tracking points scored on a hand held clicker. The center referee is in charge of the ring. He or she is responsible to keep good control of the action and only breaks the action to award penalty points, restart a match in bounds, or when one fighter goes to the ground. At the end of rounds 1 and 2 the scores and penalties are added up to decide the winner.

## ***Tournament Rules***

*All Point Sparring and Forms divisions will adhere to the 2018 CKA Rules* **Competition**
