## Colorado Classic Ring Layout

## COVID Protocols

This facility is located in Douglas County which has opted out of Tri County Health Department regulations as of April 16th. In essence Douglas County has left occupancy up to individual businesses to determine best practices and, per the venue as of April 23rd, there is no occupancy limit. As we get closer to the tournament date we will provide an update on the venue's policy. We are still asking all judges, volunteers and spectators to wear masks and maintain adequate social protocols during this event. Competitors should wear masks except when competing (optional). We will have hand sanitizer, lysol spray and chlorox wipes at every ring for everyone to use and encourage all competitors to clean their gear after each use. Let's make this a safe and fun event so we can continue promoting tournaments year after year.

## Coaching

Coaching is allowed at the Colorado Classic. Coaching passes can be purchased at a reduced price in pre-registration or at the registration desk the day of the tournament. Please remember the judges can and will check to insure all coaches have a coaches pass.

## Spectators

All spectators should have an adult or child/senior spectator pass which can be purchased at a reduced price in pre-registration or at the registration desk the day of the tournament. We will have bleachers set up throughout the tournament for spectator use. Please avoid spectating from the competition floor and remember to use social distancing protocols whenever possible.
