Participate in the LCI Silent Auction to Benefit YouthBuild Detroit

Supporting YouthBuild Detroit

Silent Auction proceeds go to [YouthBuild](#), a Detroit at Work construction pre-apprenticeship program designed to help young adults complete high school, obtain nationally recognized credentials, develop career skills, and gain permanent employment. While working, program participants rehab Detroit homes, which are later sold or rented to low-income families. They also participate in work readiness and leadership training, including a Youth Council and student-led community service projects. The program serves Detroit-area residents between the ages of 18-24 who did not finish high school.

Exhibitors: Donate a Prize and Expand Your Reach!

Take advantage of this chance to gain exceptional visibility by aligning your brand with a popular, fun, and meaningful event! Congress exhibitors have the unique opportunity to donate an item to be auctioned off. The auction will be promoted throughout Congress to drive traffic to the Exhibit Hall and directly to your organization's booth.

Only the first 15 exhibitors to express interest will be accepted and there is a \$500 fee. Please note that it is the exhibitor's responsibility to bring their prize and get their auction items to the winners, but winners will have the option to take their item with them. Act fast—we expect this opportunity to sell out!

For more information about donating or becoming an exhibitor, please contact **Ilene Goldberg**; igoldberg@leanconstruction.org or **(703) 785-9087**.
