Introducing Today's Speakers

Janan Guillaume
*ToolWatch Vice President
of Product*

Travis Adams
*ASUS Environmental Health
and Safety Manager*

Randy Keys
*ASUS Capital Construction
Manager*

ToolWatch: Who We Are

Devoted to helping construction companies get the job done.

- ToolWatch is used by construction leaders to manage over \$1B of their mission-critical construction assets.
- As a construction operations platform, ToolWatch makes construction more efficient, safe, and profitable.
- Strategic investment from global private equity firm The Riverside Company in 2021.
- Acquired EHS management solutions provider Safety Reports in early 2022.

Introducing ASUS

ASUS is proud to provide the integral services that truly empower our nation's military communities, from the ground up – literally. With its smart infrastructure systems, ASUS creates and maintains the efficiencies that allow installations across the country to focus on their own true mission.

Customers Served:

1. Fort Bliss, TX
2. Joint Base Andrews, MD
3. Fort Lee, VA
4. Fort Eustis, VA
5. Fort Story, VA
6. Fort Bragg, NC
7. Fort Jackson, SC
8. Eglin Air Force Base, FL
9. Fort Riley, KS
10. **Just awarded:** PAX River, MD

TOOLWATCH®

ASUS Prioritizes Safety at Scale

ASUS safety program stats:

- Over 10,000 inspections conducted per year
- Over 260,000 observations logged per year
- One example of ASUS safety program results:
 - Targeted heat related illnesses in 2019
 - No heat-related incidents in 2020-2022

Continuous Improvement: What makes ASUS's safety program successful? How does ASUS continue to advance safety?

TOOLWATCH

Respect for People: How does ASUS get its employees engaged in safety?

TOOLWATCH
