**Participate in the LCI Silent Auction to Benefit Future Construction Leaders**

## Supporting San Diego-based Nonprofit Future Construction Leaders

Silent Auction proceeds go to [Future Construction Leaders](#), a San Diego-based nonprofit organization providing opportunities for young people to explore the many private and public construction career opportunities available. Serving students from kindergarten through 12th grade, Future Construction Leaders offers hands-on, free programs that expose participants to various trades while connecting them with professionals who can guide them. In addition, the organization offers financial assistance through trade and college scholarships for those continuing their education.

## Exhibitors: Donate a Prize and Expand Your Reach!

Take advantage of this chance to gain exceptional visibility by aligning your brand with a popular, fun, and meaningful event! Congress exhibitors have the unique opportunity to donate an item to be auctioned off. The auction will be promoted throughout Congress to drive traffic to the Exhibit Hall and directly to your organization's booth.

Only the first 15 exhibitors to express interest will be accepted and there is a \$500 fee. Please note that it is the exhibitor's responsibility to bring their prize and get their auction items to the winners, but winners will have the option to take their item with them. Act fast—we expect this opportunity to sell out!

For more information about donating or becoming an exhibitor, please contact **Ilene Goldberg**; [igoldberg@leanconstruction.org](mailto:igoldberg@leanconstruction.org) or **(703) 785-9087**.
