# Official State Fair Artwork of the Year Announced

Ashley Wheeler from Shady Springs, WV, has been announced as the winner of the First Annual State Fair of West Virginia Official Art Contest. Her artwork titled "Lucky Duck" will be featured as the official print of the State Fair and will be available for purchase at the State Fair merchandise booth at the 97th Annual Event, August 11-20, 2022.

"I have been doing some form of art for as long as I can remember,"

Wheeler stated. "I won my very first art contest in the first grade, and from that point on I was hooked."

Now an elementary school teacher, Wheeler graduated from Concord University where she studied art whenever she could, and earned a minor in studio art. After taking a break from her artwork when she began working full-time, Wheeler picked her passion back up during the pandemic and now has 15 paintings at local businesses. Her

specialty is animals.

The selected painting for this contest features a young boy holding a duck with some of the more iconic fair images in the background. It will be available as a print or poster for purchase this year.

"Having my artwork chosen for the print of the year is a great accomplishment that I am very proud of," she concluded. "My ultimate dream is to be able to paint full-time."

# CODY JOHNSON

## WITH SPECIAL GUEST RANDALL KING

The brand new 18-track double album *Human* is stacked top to bottom with songs that Johnson considers ones that were originally dubbed too country for country. When the songwriters told Johnson and his team that the tunes they'd penned were being rejected by other Nashville artists, he said, "Bring those to me."

"It's so hard to watch the fight to get the cowboy back on the radio. Because that's who I am and the lifestyle I live. And I can't sacrifice my integrity for who I am. I'm just kind of just being myself," Johnson says, having established a following of loyal fans by doing just that. Known as CoJo Nation, they regularly sell out shows across the country and have helped him earn multiple

ACM and CMA Awards nominations, a Platinum-selling, Top 10 single ("On My Way To You"), two RIAA Gold-certified tracks ("Nothin' On You" and "With You I Am") and more than two billion streams worldwide.

Using your hearing, just like exercising a muscle, makes it stronger and more effective. Reduced hearing stimulation due to untreated hearing loss can lead to atrophy of functional brain pathways. ## FOREIGNER

Founded in 1976, FOREIGNER's debut album produced the hits "Feels Like The First Time," "Cold As Ice" and "Long, Long Way From Home." The album Double Vision followed, as did a string of hits including "Urgent," "Juke Box Hero" and "Waiting For A Girl Like You." Those songs helped give FOREIGNER's next album, 4, its impressive run at #1 on the Billboard chart. At the zenith of 80's sound, FOREIGNER's fifth album, Agent Provocateur,

gave the world the incredible #1 global hit, "I Want To Know What Love Is." This musical milestone followed the record-breaking song "Waiting For A Girl Like You."

FOREIGNER's founder is Songwriters Hall of Fame member Mick Jones. A visionary maestro whose stylistic songwriting, indelible guitar hooks and multi-layered talents continue to escalate FOREIGNER's influence and guide the band to new horizons.

# CLAY WALKER

## WITH SPECIAL GUEST TRACY BYRD

Can Clay Walker deliver? That's the question, and he's not afraid of it. In fact, he's positioned himself to answer it squarely — one way or another — this year. With new creative and business teams and a deep well of hard-earned wisdom, Walker relishes the challenge. "I've prepared myself for this moment in my career — mentally, physically and artistically," he says. "I've never been more ready."

In a sense, the question is absurd for a recording artist, songwriter and entertainer with 31 charted singles, a dozen No. 1s, four platinum albums and de-

acades of performances to his credit. Titles spanning 15 years and still receiving strong airplay include "Live Until I Die," "Dreaming With My Eyes Open," "This Woman And This Man," "Hypnotize The Moon," "Rumor Has It," "Then What," "The Chain Of Love," "I Can't Sleep" and "She Won't Be Lonely Long."

Tracy Byrd became a household name on the Country Music Scene in 1993 when his third single, called "Holdin' Heaven", off of his MCA Records, self-titled debut album, hit #1 on the Billboard Country Charts. The Album also included the remake hit of Johnny Paycheck's "Someone to Give my Love to" cementing Byrd as a Traditional Country Troubadour!! The Debut Album went on to be certified Gold, a award signifying sales in excess of 500,000 copies.

# RESTLESS ROAD

Made up of three different but complementary voices, country band Restless Road is “one of the most intriguing and exciting acts of the year” (Wide Open Country). Praised by People, Taste of Country, Billboard, and more, the trio’s powerhouse harmonies and soul-baring lyrics put them on numerous 2021 “Ones to Watch” lists, as members Zach Beeken, Colton Pack, and Garrett Nichols continue to rack up millions of streams. As NBC’s Today Show host Hoda Kotb put it: “That harmony...you feel it in your soul.”

Since Zach and Colton joined forces after meeting on a singing competition (where they met future collaborator Kane Brown), Restless Road has stood out as one of the genre’s premier vocal forces. When Garrett came onboard in 2015, they knew they had something special.

With all signs indicating Restless Road is a contender for best new vocal group, its members continue to write, sing, and perform together as they take the next steps down country music’s long and winding road.

# BEARS OF BEARADISE RANCH

Bears of Bearadise Ranch is a Bear conservatory and training center based in Tampa, Florida. Bearadise Ranch is an institution and animal training with a long and storied history. In 1926 in Trondheim, Norway, Johnny Johnsen Welde had a fascination with bears and a dream as big as the Norwegian sky. His love for the animals became a reality when he ran away and joined the circus. He put together his first trained bear act and in 1948 he made his American debut with the Ringling Bros. and Barnum and Bailey Circus for the 1947-1948 seasons.

After settling in Tampa with his wife and daughter, he continued to work with his bears in all types of venues from nightclubs and theme parks to circus-

es and on to the big screen; Hollywood. His bears made it into movies for Walt Disney, Universal Studios, and 20th Century Fox, and also appeared in many television shows including The I Love Lucy Show, The Beverly Hillbillies, and Lassie to name a few.

Welde's love and concern for bears in the wild has urged he and his wife, Monica, to develop an educational presentation and exhibit stressing the importance of habitat preservation and conservation for all bears.

The bears of Bearadise Ranch will be at the fair performing for free Monday through Thursday at 2 p.m. and again at 5 p.m., and Friday through Sunday at 12 p.m., 3 p.m., and 6 p.m.

# KATHY MATTEA

Hailed by The Washington Post as “one of Nashville’s finest song interpreters,” Kathy Mattea has enjoyed much success and acclaim during her 35-year career in Country, Bluegrass and Folk music, including 2 Grammy wins, 4 CMA Awards, 4 #1 country singles, and five gold albums (plus a platinum Greatest Hits collection). Her latest album is *Pretty Bird*, produced by her old friend, roots music wizard Tim O’Brien. The wide-ranging collection of songs chronicles a period of rededication to singing, digging back in and emerging with a poignant and eclectic CD. In addition to creating and recording music and performing live on tour, Kathy is increasingly involved with public broadcasting, regularly guest-hosting on the long-running NPR show “Mountain Stage” (sitting in for longtime host Larry Groce), as well as consulting and contributing on screen in Ken Burns’ 2019 documentary for PBS “Country Music.”

# CHRIS TOMLIN

It is estimated that 20-30 million people across the world sing one of Chris' songs every week in church services in nearly every language. TIME magazine heralded him as the "most often sung artist in the world" as his music has inspired and uplifted an entire generation of believers. Along the way, Chris has scored 17 #1 one singles at radio, placed 29 top ten hits (more than any other Christian artist), sold more than nine million albums with 4.5 Billion career global streams, earned a Grammy, three Billboard Music Awards, 27 Dove Awards, became a two-time BMI Songwriter of the

Year honoree and an ASCAP Songwriter of the Year. In 2016, he was named one of only four artists ever to receive the Sound Exchange Digital Radio Award for over 1 Billion digital radio streams, alongside Justin Timberlake, Pitbull and Garth Brooks. Chris is also the first Christian artist to reach the Billion streams threshold on Pandora and was presented with their BILLIONAIRE award. As one of the most successful Christian touring artists today, Chris Tomlin has sold-out venues everywhere including New York City's Madison Square Garden, Hollywood Bowl in Los Angeles, Nashville's Bridgestone Arena, Red Rocks in Denver and more.

## WITH SPECIAL GUEST CHARLES WESLEY GODWIN

Zach Bryan is a singer/songwriter from Oologah, Oklahoma, proud of his small-town roots and whose music is fueled by a desire to stay true to himself. The 25-year-old served 7 years in the Navy before being honorably discharged. His success is found in his raspy voice, a mix of classic folk melody and outlaw country with a raw edge that cuts to the bone.

His breakthrough moment makes all that clear as day. In the video for "Heading South," shot by phone outside of his Navy barracks in humid 95-degree heat,

Zach's passion echoes off the strings of his trusted Guild. Drenched in sweat and belting words that he had written minutes earlier, the moment is authentic, brutal, and real. Millions of fans have now seen that video without any sort of industry assist, and millions more have connected to the tender, sincere songs found on Zach's 2019 debut album "DeAnn". A man of simple words, Zach's ability to create depth in his work is rivaled by few artists. He believes that who you are only extends to the person you are today, an ideology reflected in everything he creates.

Our mission is to provide energetic and dynamic entertainment with educational values through an art form that is over 3,000 years old. We also create beautiful pieces of art that will become part of the history of blown glass.

Our artists have demonstrated glassblowing all over the United States and some internationally. We offer a wide range of demonstration and workshop options, from a family-friendly rock star attitude to formal ballroom chic for groups of all types and sizes. Born Tramar Dillard on September 17, 1979, Flo Rida was raised by a single mother in Miami's rough neighborhood of Carol City, Florida. Music helped Flo Rida stay on the straight path. His father was a talented musician who encouraged his son to express himself through music. Growing up, Flo Rida was exposed to all kinds of music, thanks in large part to his sisters, some of whom formed a local gospel group. When he was a teenager, Flo Rida found local success rapping with a group called Groundhoggz. At 18, he became the

hype man for Fresh Kid Ice from 2 Live Crew. Eventually, Flo Rida caught the attention of DeVante Swing, formerly of famed R&B group Jodeci and spent a few years in Lost Angeles working with him. Unable to land a record deal, Flo Rida returned home to Miami and in late 2006 hooked up with Poe Boy Entertainment and its CEO, Elric "E-Class" Prince.

In December 20, 2006 Flo Rida inked a deal with Atlantic Records and in 2009 started his own management company, Strong Arm, with longtime friend and manager, Lee "Freezy" Prince. With

# WALKER HAYES

WITH TIGIRLILY

**SATURDAY - AUGUST 20TH - 8 P.M.**

## WALKER HAYES

Monument Records recording artist, Walker Hayes, is a singer/songwriter originally from Mobile, Alabama.

His recent EP Country Stuff includes the RIAA certified Platinum smash hit "Fancy Like," which has topped every country streaming and sales chart since its release, and has spent 8 weeks and counting at the number one spot on Billboard's Hot Country Songs. Called "the song of the summer" by the TODAY Show, the track is now in the top 10 on Billboard's Hot 100 Songs. Propelled by the TikTok dance Hayes made to the song with his teenage daughter, "Fancy Like" has been used over half a million times on the app, with that original, homemade video, racking up over 30 million views and being used in a national Applebee's campaign.

Continuing to break boundaries, a new version of "Fancy Like" that features GRAMMY-Award nominated, pop superstar Kesha, is out now.

Hayes' debut album boom., co-produced by multi-GRAMMY Award winning producer and songwriter Shane McAnally, led Billboard to praise his "personal, soul-bearing storylines; rolling rhymes; and Macklemore-like cadence," and the Washington Post to write that "Hayes has broken into the mainstream by sounding different."

## TIGIRLILY

Tigirlily is comprised of sisters Krista and Kendra Slaubaugh. Though new to some, the duo has been touring since they were young teens across their home state of North Dakota, as well as South Dakota, Montana, and Minnesota. After relocating to Nashville, Tennessee they quickly became an in demand act, playing over 130 shows in 2019 and soon gained a large social media presence with over half a million followers on TikTok alone. The duo has opened for acts such as Kane Brown, Lee Brice, Walker Hayes, LeAnn Rimes, Big & Rich, and many more.

# Remembering Harness Racing

By Jim Arbuckle

Harness racing was once one of the exciting attractions at the State Fair of West Virginia for nearly one hundred years. Both box holders and other spectators would flock to the Grandstand on afternoons to watch and cheer on some of the best trotters and pacers in the east. It was special time for me in many ways, one that my granddad Alex W. Arbuckle along with Julian Arbuckle, Howard Arbuckle, Bright Farrier, John Sydenstricker, Ed Sydenstricker, Tuckwiller Brothers and Wilson Brothers all furnished teams of horses to grade and build the one-half mile oval race track in 1921, and two, for me personally, it was the best attraction at the State Fair.

I remember going to harness racing with my family in the old wooden grandstand, and the judge's booth was under a big umbrella across the track, and beside the old wooden stage. I remember when all the sulkies had spoke wheels. I remember when each race had an out rider to parade the horses for the introduction. I remember when there were always two heats of racing, and I remember when races were Monday through Saturday, and all Saturday's concluded

**“Thirty years ago in 1992, Better to be Lucky won the most races with four, and the fastest pace was Blackie Hayes and Happen A Long from Lewisburg, WV at 201 flat.”**

with a farmer's and mule race. I remember when the classical York Spring Garden Band from York, PA performed tunes like Cabaret, Mack the Knife and other classy tunes between and before races, which also accompanied stage and high wire acts between races. I remember in the mid 60's when brothers Zack and David Ford from New Oxford, Pa would race Ford Patch, a white/gray gelding that was a crowd favorite, and also a horse that won for many years at the State Fair track. I can remember when Blackie Hayes broke the track record in 1990 with his horse, Happen A Long. I remember when horses like Wolf Creek Levi, Sharp Karema and Crysta's Exchange seemed to race and win forever in the 1980's and early 90's. And we all remember the dozens of races won by George Aide's many horses over all of these great years.

Many people have sponsored

races for this great event year after year. Some that come to mind of late were the Joe Black Hayes family, the George Aid family, the Carl Smith family, the Frank McClung family, the Jack Arbuckle family, Simms Exxon, the Col. N.S. Arbuckle family, the David E. Tuckwiller family, the Frank Wilson family, and the Clemons family.

People who kept the harness racing running of late were superintendents Joe Hayes Jr. and Glen Ford, along with Chuck Smith, Mike Quick, the race judges and many others. “And down the stretch they come,” were Mike Kidd's words during each day and every race over WRON radio.

I have kept race programs for the past forty years, and here are some results from decades ago.

Forty years ago in 1982, Sharp Karema and Kiss it Goodbye won the most races with four. The fastest pace that year was Mr. V Shoes of Pomeroy, OH at 205 1/5.

Thirty years ago in 1992, Better to be Lucky won the most races with four, and the fastest pace was Blackie Hayes and Happen A Long from Lewis-

burg, WV at 201 flat.

Twenty years ago in 2002, Crysta's Exchange and I Am Sexy won the most races with two, and the fastest pace that week was Pocket Vance from Orient, OH at 155 3/5, the track record.

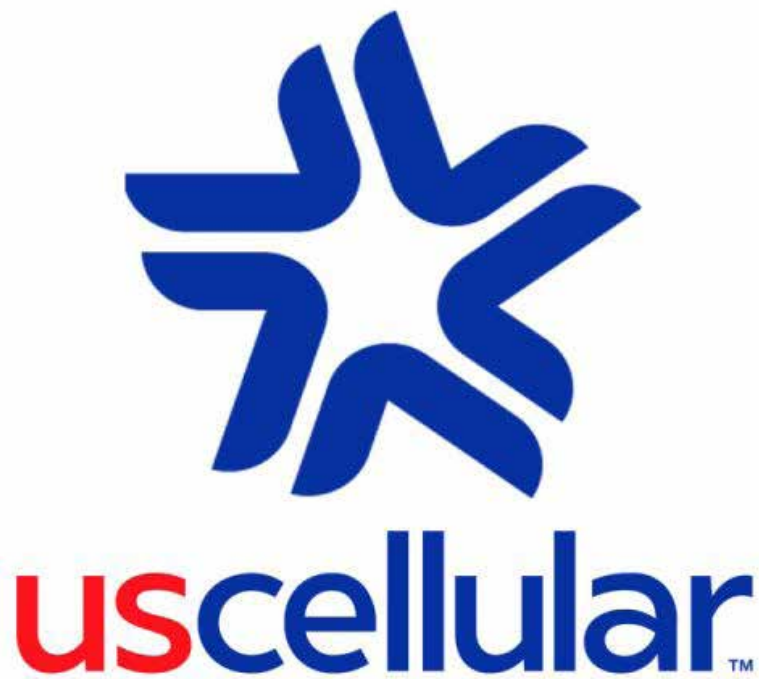

And ten years ago in 2012, Go Easy on Me, Final Scorpion, and Vertigo Hanover won the most races with three, and the fastest pace that year was Vertigo Hanover and Go Easy on Me, both from Loris, SC, and both with times of 159 flat.

And with the 2022 State Fair, the race track without harness rac-

ing will be quiet and sad for a second straight year. Many that I have talked to are still upset that harness racing will no longer be on the weekly afternoon schedule, but there are other harness racing attractions all over the east coast, the closet in Woodstock in Virginia, and The Meadows, south of Pittsburgh. While some local race fans may travel to these race tracks, I will remain at home and watch afternoon harness racing live streaming on my computer.

I hope that other State Fair harness racing fans will share their

memories of this great event, which touched so many lives for nearly a century. The State Fair may go on, but it will never be the same without harness racing. I cannot emphasize enough of Joe B. Hayes and Glen Ford on a job well done. And on a final note, the final horse to win a race at the State Fair of WV was Percy Z Tam, a 5 year old from Lancaster, TX, who paced the mile in 201.1 on August 15, 2019 to end a splendid time for family and friends to enjoy this sport at the grandstand, and also an end to a wonderful era.

## KIDBUCK\$ GAME\$HOW

Kidbucks game show is a thrilling game show where randomly selected members of the audience participate in wild and crazy games. Unlike many "trivia based" game shows where contestants ring a bell and answer a question, Kidbucks is an "action" based game in which the contestants are competing in clever, creative, challenging and entertaining games of a physical nature. The grand champion enters the Kidbucks chamber and grabs as many "Kidbucks" as possible, as they swirl about the chamber. The bucks are tallied and redeemed for a prize based on how many bucks are collected.

are chosen from the audience by a raffle system. The contestants are divided into three groups based on their size and physical ability. Each group of three contestants play wild and crazy games to determine a winner. For example, in one of their popular games, "Toss your Cookies," Contestants are dressed up like bakers with chef hats and aprons. Armed with spatchulas they race back and forth across the stage scooping up one cookie at a time. After balancing the cookie on the spatula as they scurry across the stage they must then toss the cookie into a cookie jar. Seconds before the game starts, they learn of an interesting twist.

The lids on the jars move up and down, so they must carefully time their toss! The games are designed to be as fun and entertaining to watch as they are to play. The winner of each heat moves into the winners circle to await the final round and the runners up all receive a prize. When all three semi finalists have been determined, the final round is played. In this round the semifinalists "spin to win" on the winners wheel. Age and size give no one an advantage. Only lady luck knows who will win this round! The one who spins the highest number is the grand champion and enters the money chamber where they have 30 seconds to grab as many Kidbucks as they can as they swirl about the chamber.

The Kidbucks are redeemed for prizes based on the number of bucks collected. Each show is 30 minutes long. This action packed hands on attraction is a big hit with the entire family! A first class production that's guaranteed to be a highlight on your midway!

Shows will be held daily across from the draft horse barn by the livestock entrance Monday through Thursday at 11:30 a.m., and 3:30 p.m. and on weekends on Friday through Sunday 11:30 a.m., 1:30 p.m., and 3:30 p.m.
