1. FAIR FOOD: The “West Virginia Fried Food Capital”. We have everything you can imagine, battered and tossed in the deep fryer. A handful of our vendors have been about since the 1950’s – Ben Ellen donuts started in a tent in 1952. Their cinnamon-sugar cider donuts pair perfectly with a Grandstand concert or your morning cup of coffee. Trudy’s Dairy World ice cream is homemade by the Hlay family and has been since the 1950’s.

2. CARNIVAL RIDES: Reithoffer Shows has partnered with the State Fair of WV for decades! Enjoy family focused fun with kiddie rides for our mini fair goers. Teens can have their fill of thrill with rides like Tornado, Zipper and Ring of Fire.

3. CONCERTS: Our Grandstand Concerts are a guaranteed good time! The greats have graced our stage including Johnny Cash, John Denver and Dolly Parton. Today’s greats continue to perform LIVE every night. Each concert starts right before sunset at around 7:30 or 8:00pm.

4. FREE FUN AND ENTERTAINMENT: Our fairgrounds are covered in free entertainment for all ages. You can find shade and a free seat under the Center Stage with shows throughout the day. All free with paid gate admission.

5. LIVESTOCK SHOWS: Each day our Livestock barns are full of pigs, sheep, cattle, horses and rabbits! Each animal will compete to win the blue ribbon in the Tractor Supply Small Stock Arena or the Large Stock Arena.

6. DAIRY BIRTHING CENTER: Farm Credit Dairy Birthing Center brings 20 pregnant cows each fair. Your chances of catching a live birth are great! Listen to our PA announcer and he will keep the fairgrounds updated. The new calves will be available for pictures and petting being just days old!

7. NEW FAIR FOOD CONTEST: At our 97th fair, we will have our 4th Annual New Fair Food Contest. Vendors will compete for the title of “Best New Fair Food.” Try them all and give your vote in our office or online! The winner will be announced Saturday, August 20th!

8. HERITAGE CORNER: Farm to Food Pavilion – Teach your children the basics of agriculture in a fun way! Find shade and unique activities for children Preschool – fifth grade, to teach and promote agriculture. Our 97th fair will feature iPads and technology to enhance the educational experience. GRANDSTAND

8:00 PM - YUNG GRAVY
W/ SPECIAL GUEST DJ TIIIIIIIIIP

Go ahead and call him "The People's Champ..." The people quite literally demanded his rise by galvanizing his jump from underground stalwart into a mainstream force.

23-year-old MC, Minnesota disruptor, and MILF connoisseur Yung Gravy quietly emerged as a gold-certified phenomenon by way of hilarious ad-libs and airtight rhymes. Within a year, his 2018 Snow Cougar EP yielded a pair of gold-selling bangers — "Mr. Clean" and "1 Thot 2 Thot Red Thot Blue Thot" — jumping from early SoundCloud success to the hottest playlists on Spotify such as New Music Friday and Pop Rising, to name a few. In its wake, he sold out three

tours in North America, two tours in Europe, and his run of Australia and New Zealand. This hot streak continued as his world tour, Experience The Sensation, Part 2," also sold out.

During 2019, his full-length debut Sensational [Republic Records], crashed the Top 5 of the Billboard Top R&B/Hip-Hop Albums Chart and put up 450 million-plus streams across bangers a la "Alley Oop" [feat. Lil Baby] and "Gravy Train," which gave a 808 facelift to Maxine Nightingale's "Right Back Where We Belong."

Gravy just does Gravy though...

"I really felt like there was something missing," he explains. "I wasn't hearing what I

wanted to hear, so I stepped up to the plate and actually started doing it myself."

Rewinding to the beginning, he hit his stride in 2016. Inspired by everyone from OutKast, Nate Dogg, Curren\$y, and Action Bronson to Patrice Rushen and The Blackbyrds, Gravy took to SoundCloud to begin releasing music. The first song he uploaded, "Karen", quickly garnished new fans and stirred a palpable buzz online. His first independent EP, Mr. Clean, went viral on the strength of "Continental Breakfast" on SoundCloud. Sandwiching a sample of The Chordettes' "Mr. Sandman" between racy and raw rhymes, the title track "Mr. Clean" popped off and paved

"AT THE END OF THE DAY, THIS IS ALL MEANT TO MAKE PEOPLE FEEL GOOD..." "THIS IS PARTY MUSIC, AND EVERYONE'S INVITED."

the way towards literal gold as well Thanksgiving's Eve, Yung Gravity EP, and Baby Gravy EP. Soon, he reached #1 on Indify and had labels knocking at his door. Gravy kicked off 2018 with the sizzling single "1 Thot 2 Thot Red Thot Blue Thot." Flipping the Dr. Seuss limerick

upside down, the hook proves immediately infectious.

"I was at a house party in Georgia that got broken up by the cops," he recalls. "We were accused of burglary, and I spent the night in jail. I got probation with community service. I was in the wrong place at the wrong time, so all of the felonies were expunged, but I still got charged with 'Criminal Trespassing' and 'Underage Drinking.' The day I got off probation, I was super hyped and inspired. This is my freedom song."

A free man, he shows no signs of stopping or slowing down.

He teamed up with frequent collaborator bbno\$ for a 2020 collaborative project introduced by the track "shinin on my ex," which OnesToWatch predicted as "a surefire Tik Tok hit" and Lyrical Lemonade pegged as "another absolute slapper" and "a true classic." Their chemistry really exploded on the single "iunno." Over off-kilter horns and a subtle beat, they lock into a vibrant verbal volley before the hashtaggable hook.

It supports his main goal though — as always.

"At the end of the day, this is all meant to make people feel good," he leaves off. "This is party music, and everyone's invited."

8:00 PM - NELLY

W/ SPECIAL GUEST TREA LANDON

Diamond Selling, Multi-platinum, Grammy award-winning rap superstar, entrepreneur, philanthropist, and actor, Nelly, has continually raised the bar for the entertainment industry since stepping on the scene in 2000 with his distinctive vocals and larger-than-life personality. His collaboration with Florida Georgia Line received Diamond status and he is only one of seven rappers to reach this honor. He is touring around the globe and recently was the first artist to play in Saudi Arabia with a mixed gender/family crowd. He is the first hip hop artist to play with multiple symphonies nationwide and played himself in BET's Real Husbands of Hollywood with Kevin Hart. His sports knowledge and love of all sports

secured him a gig as a sportscaster with Skip Bayless. 2019 is going to be a huge year for the hip hop mogul, currently Nelly is in the studio preparing for new music to be released in addition to several business ventures to be announced in the first quarter.

Nelly embarked on his music career with Midwest hip hop group St. Lunatics, in 1993 and signed to Universal Records in 1999. Nelly entered the spotlight with the release of Country Grammar in 2000, spending seven weeks at #1 on the Billboard Top 200 and spawning the massive hits "Ride Wit Me", "Country Grammar", and "E.I.". The album landed Nelly four Grammy Award nominations and sold over nine million copies worldwide. Country Grammar is

Nelly's best-selling album to date, selling over 8.4 million copies in the United States.

Nelly kept the momentum going with the 2002 release of *Nellyville*. The album debuted at #1 on top of scoring Nelly his first two Grammy Awards for "Hot in Here" – Best Male Rap Solo Performance – and "Dilemma" [feat. Kelly Rowland] – Best Rap Song Collaboration. This album was highly successful and was certified 6x multi-platinum by the RIAA on June 27, 2003. He has since gone on to win multiple American Music Awards, a Nickelodeon Kids' Choice Award, Soul Train Music Awards, MTV Video Music Awards, and was crowned "Top Pop, Rap, and R&B/Hip-Hop Artist of The Year" by Billboard. He has been referred to by Peter

HIS COLLABORATION WITH FLORIDA GEORGIA LINE RECEIVED DIAMOND STATUS AND HE IS ONLY ONE OF SEVEN RAPPERS TO REACH THIS HONOR.

Shapiro as "one of the biggest stars of the new millennium", and the RIAA ranks Nelly as the fourth best-selling rap artist in American music history, with over 21 million albums sold in the United States. On December 11, 2009, Billboard ranked Nelly the number three Top Artist of the Decade.

American Actress, Entertainer, Author, Entrepreneur, Speaker, and Professional Hypnotist - Catherine Hickland is best known for her starring roles on Daytime Television, and Broadway, most notably as the award winning role of Lindsay Rappaport on ABC's One Life To Live. One of the very few females in the business of Hypnosis as stage entertainment, Cat is at the top of her field, as one of the most sought after hypnotists today. She performs well over one-hundred Motivational and Inspirational Comedy Hypnosis shows a year.

Have you ever wondered what it's like to be truly free in your imagination? To be without a

care, without doubt of your abilities, fear, and without a thought about what other people would think if you just... let go and cross over to the dream state in an instant? Have you ever thought about what it would be like to be truly...UNLIMITED? Welcome to Catherine Hickland's Hypnotic World. This show is fast paced, hilarious, family friendly, or tailored to your event. And best of all, it's clean. In other words, you can bring your mother without worrying if she will have a heart attack or writing you out of the will (even if you wind up getting up on stage!)

Whether she is Headlining at State Fairs or a Corporate Event, Catherine unlocks the volunteers minds and allows them to

perform beyond their friends, family, colleagues, and their own wildest imagination, engineering their dreams and fantasies, and the result is tears-rolling-down-your-cheeks laughter for the entire audience. It is nothing short of Magical and Mystifying! Performing well over 200 shows a year, Catherine creates fun

and awe at every event. When is the last time you had real fun? One of the very few females in the field of hypnotism, this Las Vegas Trained Hypnotist has hypnotized FOX news reporters and hosts as well as countless DJ's across the country, earning her the nickname, "The Hip-Hypnotist".

CATHERINE HICKLAND'S SHOW WILL BE AT THE U.S. CELLULAR CENTER STAGE EVERY DAY OF THE FAIR AT NOON, 3:30 P.M., AND 7 P.M. NOTE THAT HICKLAND WILL NOT BE PERFORMING THE NOON TIME SLOT ON THURSDAY, AUGUST 17.

REMEMBERING HARNESS RACING

By Jim Arbuckle

For nearly 100 years horse racing was one of the most exciting attractions at the State Fair of West Virginia.

Some may remember going to the harness races with their family in the old wooden grandstand, where the judge's booth was under a big umbrella across the track and beside the old wooden stage. On the old wooden stage was the classical York Spring Garden Band from York, PA., performing tunes like Cabaret, Mack the Knife, Hello Dolly, and other jazzy tunes before and between each race. Acrobats on stage, and high wire acts also dazzled the harness racing crowds.

Many may remember when all the race sulkies had spoke wheels, and when each race had an out rider to parade the horses for the introduction. I can remember when there were always two heats of rac-

ing, and when races ran all day long, Monday through Saturday.

Many people have sponsored races for this great event year after year. Some that come to mind of late were the Joe Black Hayes Family, the George Aide family, the Carl Smith family, the Frank McClung family, the Jack Arbuckle family, Simms Exxon, the Col. N.S. Arbuckle family, the David E. Tuckwiller family, the Frank Wilson family, and the Clemons family.

I have kept race programs for the past forty years, and here are some results from decades ago.

Forty years ago in 1983, Convertible, Flying Admiral and Blythe Warrior won the most races with three.

Thirty years ago in 1993, Bernie's Catch and Wolf Creek Levi won the most races with three, and the fastest pace was Thrifty Rose N from Lebanon, VA, who ran the mile in 159 flat, and broke the 1990 track record.

Twenty years ago in 2003, Blue Rocks Bash and I Am Sexy won the most races with two, and fastest pace of the week was Blue Rocks Bash from Hudson, OH, running the mile in 159.3.

And ten years ago in 2013, Vertigo Hanover won the most races with three. The fastest pace of the week was Bourbon Street Hanover from New Philadelphia, OH at 159.2, and the fastest trot of the week was Final Scorpion from New Philadelphia, OH at 205.2.

And on a final note, the final horse to win a race at the State Fair of West Virginia was Percy Z Tam, a 5 year old from Lancaster, TX, who paced the mile

in 200.1 on August 15, 2019 to end a great time for family and friends to enjoy this great sport, and also a sad end to a wonderful era.

LAINIEY WILSON

ACM New Female of the Year 2022 winner, Lainiey Wilson has earned the enthusiasm of the industry, having been named to nearly every "Artist to Watch" list, winning MusicRow Magazine's Discovery Artist of the Year award and being crowned Billboard's "Top New Country Artist of 2021," the Louisiana native is one of Nashville's hottest and most buzzed-about new artists. Landing her first No. 1 with her PLATINUM Certified ACM Song of the Year "Things A Man Oughta Know," nearly 10 years to the day after leaving her small farming community in a camper trailer to chase her dreams, she has won over

legions of fans with her signature Bell Bottom Country sound and aesthetic, which blends traditional Country with a modern yet retro flare. A prolific and sought-after songwriter (having co-writer credits on songs by artists including Luke Combs, Flatland Calvary and more), Lainiey is a fresh, fierce voice in Nashville, delivering one of the "Top Country Albums of 2021" (Rolling Stone, Taste of Country, and American Songwriter) with her label debut, Sayin' What I'm Thinkin'. With a rockstar stage presence, her artistry has taken her across the globe, performing for sold-out crowds throughout the US, UK, and Germany with notable names like Jason

Aldean, Luke Combs, Morgan Wallen, Hardy, Jon Pardi, Ashley McBryde, Randy Houser and more. Her current single (Top 40 and climbing), "Heart Like a Truck" is the follow up to her recent return to the top of the Country radio charts with the two-week No. 1 hit, "Never Say Never" with Cole Swindell. She will release her hotly-anticipated album, *Bell Bottom Country* on October 28, just before making her acting debut on the hit series *Yellowstone* on November 13. For more information and upcoming tour dates, visit www.laineywilson.com or follow on Instagram, TikTok, Twitter and Facebook.

MEG MCREE

After attending Vanderbilt University on a full ride, Meg McRee traded her newly earned degree for the pursuit of an unpredictable dream as a songwriter. McRee was validated as more than a driven idealist with the signing of her first publishing deal at Hang Your Hat, a creative joint venture with Concord Music Publishing and hit songwriter Hillary Lindsey. Since, she has had songs cut by Grace Potter, ElleKing, Caylee Hammack, Paul Cauthen, Carter Faith, Ben Chapman, and others. Meg has released four tracks off her forthcoming debut project as a songwriter-turned-artist with early support from playlists such as Apple Music's *Southern Craft*, Spotify's *Indigo* and *Fresh Finds*, and Amazon

Music's *Emerging Americana*. McReeco-wrote the most recent groove-driven release, "Tried & True," with tour mate Lainey Wilson, alongside songwriter/artist Harper O'Neill and producer Andrew Petroff, painting a vivid picture of the feelings that go hand-in-hand with a love that is true, despite being tested time and time again. Meg finished her stint as 1st of 3 on *Lainey Wilson's Country With A Flare Tour* through the end of February and embarks on select dates of *Morgan Wade's No Signs of Slowing Down* tour starting in mid-March. Her first full album *It Just Me?*, an album founded upon pleasantly unpredictable melodies, inquisition, and warm-hearted poetry that will make your feelings make sense, was released on March 3, 2023. The buzz around newcomer Meg McRee was not only reinforced but palpable, with a sold-out album release show at The Basement in Nashville, TN, a debut at #49 on the iTunes Country chart, impressive play-listing across platforms, and a spot on SiriusXM *The Highway's On The Horizon*. The debut record has already garnered over 100k streams on the weekend of its release, and the momentum continues to build as McRee's debut is embraced and supported online by other artists like Paul Cauthen, Brent Cobb, Ashley Monroe, Lainey Wilson, Hailey Whitters, and with the music release for "Mary Jane & Chardonnay" which is out now, many more!

THE FUN STATE FAIR OF WEST VIRGINIA AUGUST 10-19, 2023

The Reid cousins, who seem more like brothers, have sung together professionally for over 15 years. They are energetic, enthusiastic, and above all, very, very talented. Along with their outstanding harmony, which is an inherent trademark from their fathers, Harold and Don Reid, members of the Statler Brothers, Wil and Langdon are prolific songwriters who have had over 30 songs published and recorded.

They can also play many different instruments, which makes an impressive portfolio and contributes to their unique style. But when Wil and Langdon plug up and strap on their electric guitars and turn on their natural entertaining abilities, you can expect to be fulfilled with a musical delight.

The duo played a lot of music for a number of years under the name Grandstaff. Grandstaff CDs include Circles and Grandstaff: Live & Well. In 2010, the country music duo changed their name to Wilson Fairchild. Wilson is Wil's middle name and Fairchild is Langdon's middle name. The new

fresh name has more of a duo sound-ing ring to it and fits their fresh new music as well.

You may remember a number-one rated television show for seven years on TNN, "The Statler Brothers Show." On their debut appearance, they got to sing the first song they had written together called "What We Love To Do" which the Statler Brothers recorded. Since then, they have been hooking up with some other big name writers and joining forces behind the mighty pen. In 2007, the Statlers were being inducted into the Gospel Music Hall of Fame. Wil and Langdon were asked to be a part of the ceremony by singing a song to them. They felt it was time to write their own "Statler" song in tribute to all their successes throughout their career. The two sat down and wrote "The Statler Brothers Song."

Their latest success in the songwriting arena is a song called "Make God First." They wrote it with friend and Grammy-award-winning songwriter Gordon Kennedy, and Ricky Skaggs recorded it for his Mosaic CD

Music is supposed to feel “lived-in,” not unlike a favorite old jacket or a first car. At least, that’s what multi-platinum, two-time GRAMMY Award-winning Arkansas-born and Nashville-based maverick Zach Williams would say. Through a fusion of southern rock spirit and country soul, Zack creates music with an exterior which is worn down in the best way, but all heart underneath rough guitar riffs and gravelly vocals.

You’ll not only hear his journey in the music, but you’ll also see it in his unfiltered storytelling – how he went from a tiny town to international stardom, selling out shows, top-

W/ SPECIAL GUEST CHASE MCDANIEL

Born in Jacksonville, Alabama, Riley Green was raised on the sounds of traditional Country, Bluegrass, and Southern Gospel music. He learned the spirit of songwriting and performing at a young age while spending time with his grandfather, Bufford Green, who ran the Golden Saw Music Hall. Riley shared the stage with him and other men of his generation, laying a foundation for the songs he'd craft in the years to come. His full-length debut album DIFFERENT 'ROUND HERE was released in 2019 via BMLG Records and has produced GOLD-certified No. 1 hit "There Was This Girl" and GOLD-certified single "I Wish Grandpa's Never Died" – a song People praised "might take him to a whole new stratosphere." and one he shares co-writing credits posthumously alongside his two grandfathers.

Highlighting his Southern roots

and relatability, he co-wrote each track offering a perspective Rolling Stone describes as "Drinks-in-the-air Nineties country at an Alabama vs. Auburn tailgate." Named ACM's New Artist of the Year, Green just announced his next EP IF IT WASN'T FOR TRUCKS will be released September 11. Nominated for Best New Country Artist at the iHeartRadio Music Awards, he was also voted as one of CRS' 2020 New Faces and was named MusicRow's Breakout Artist of the Year at their Country Breakout Awards. Green was also selected as a CMT "Listen Up Artist" and one of MusicRow's 2019 "Next Big Things." After 2019 on Brad Paisley's 2019 WORLD TOUR, his own GET THAT MAN A BEER TOUR and Jon Pardi's HEARTACHE MEDICATION TOUR he kicked off 2020 on Jason Aldean's WE BACK TOUR through the Spring. WHISKEY MYERS**FRIDAY,

THE FUN STATE FAIR OF WEST VIRGINIA
AUGUST 10-19, 2023

Genre-bending band Whiskey Myers have played more than 3,000 live ashows to ever-increasing crowd sizes since their emergence in 2007. Their self-produced fifth studio album, **WHISKEY MYERS**, out now on the band's own Wiggy Thump Records, debuted at No. 1 on both the Country and Americana/Folk sales charts, at No. 2 on the Rock chart and No. 6 on the all-genre Billboard 200 chart. The self-titled project follows their previous album, *Mud*, which reached No. 1 on the iTunes Country chart with single "Stone" hitting Top 10 all-genre. In total, Whiskey Myers have sold more than 1.2 million albums and amassed over 1.5 billion streams while earning three RIAA Gold certifications. USA Today describes

the band led by frontman Cody Cannon as "a riff-heavy blend of Southern rock and gritty country that has earned comparisons to the Allman Brothers Band and Led Zeppelin," with Rolling Stone noting "it's the seminal combination of twang and crunchy rock & roll guitars that hits a perfect sweet spot." The band known for their high-energy live show and unique sound has also earned sync success with features (and an appearance) in Paramount Network's hit show "Yellowstone" as well as the Renee-Zellweger-led Netflix series "What/If," the Angellina Jolie film "Those Who Wish Me Dead" and the hit CBS series "SEAL Team." GRANDSTAND

8:00 PM - LUDACRIS

10:30 PM - FIREWORKS

The career of the multitalented CHRIS "LUDACRIS" BRIDGES can best be described as remarkable. As a recording artist, he has sold more than 24 million albums worldwide, thanks to the blockbuster success of such singles as "Stand Up," "Get Back," "Southern Hospitality," "Number One Spot," "Money Maker" and "My Chick Bad." All of these records were accompanied by ingenious videos that demonstrated Bridges' far-reaching imagination, and his willingness to stretch the boundaries of what rap videos should look and feel like.

With an unrivaled match of lyrical acumen, wit, and imagery, Ludacris has solidified himself as one of music's premier entertainers. His versatility and artistic

complexity also enabled him to make a seamless transition to acting, including the fan favorite role of "Tej" in Universal Pictures' box office phenomenon Fast & Furious franchise where he was introduced for the first time in 2003 in 2 Fast 2 Furious. He will reprise his role of "Tej" for the seventh time in Fast X, which is set to release May 20, 2023.

His other notable feature film credits include Garry Marshall's ensemble comedy New Year's Eve, Ivan Reitman's romantic comedy, No Strings Attached, Paul Higgin's Crash which received an Academy Award for Best Picture in 2006 and Hustle & Flow which earned Bridges a SAG Award for Outstanding Performance by a Cast in a Motion Picture.

As a father of four girls, his latest ventures fittingly include launching his educational platform devoted to the enrichment of children called "KidNation". In addition, Bridges created the animated series KARMA'S WORLD which launched in the Top 10 in 42 countries on Netflix, received two NAACP Award nominations and has already been picked up for a third season. The series for children ages 6-9 is a coming of age story about a young Black girl finding her voice and using it to change her world — originally inspired by Chris's oldest daughter Karma and based on the interactive educational

website of the same name created by Karma's World Entertainment in 2009.

A consummate businessman, Ludacris is enjoying success outside of entertainment. One of his most successful ventures includes opening his long-anticipated restaurant "Chicken-n-Bear" at the Hartsfield-Jackson Atlanta Airport.

Bridge's philanthropic efforts rival his entertainment accomplishments. He started The Ludacris Foundation in 2001 which focuses on helping the youth in his hometown of Atlanta and has partnered with No Kid Hungry and Feeding America.

AS A RECORDING ARTIST, HE HAS SOLD MORE THAN 24 MILLION ALBUMS WORLDWIDE, THANKS TO THE BLOCKBUSTER SUCCESS OF SUCH SINGLES AS "STAND UP," "GET BACK," "SOUTHERN HOSPITALITY," "NUMBER ONE SPOT," "MONEY MAKER" AND "MY CHICK BAD."
