TASTE OF OUR TOWNS

A *delicious* BENEFIT FOR CARNEGIE HALL

A PUBLICATION OF MOUNTAIN MEDIA

BLUE TWISTED STEEL OPENS THE LAFAYETTE STREET STAGE AT 11 A.M.

Blue Twisted Steel

Carnegie Hall's 37th Taste of Our Towns (TOOT) fundraiser will feature musical group Blue Twisted Steel on the Lafayette Street Stage beginning at 11 a.m.

Blue Twisted Steel, formerly known as Marguerite, is a husband-and-wife lead band based out of Charleston, WV. Members include Josiah and Abigail Spangler, and Evan Olds. The band's recent reformation began in the summer of 2021 after a four-year hiatus from performing. During these four years the band wrote the songs for their new EP "Intro," as well as several others, and finally began tracking in July of 2021.

The new EP "Intro" was released in 2022 and includes original post-american songs with genre-blending arrangements and undertones of psychedelia. It was recorded and engineered in the Appalachian Mountains of West Virginia by Kenneth Clutter, mixed by Rick Kwan, and mastered by Matthew Agolia of The Ranch Mastering.

2023 Taste Of Our Towns is sponsored by Boxell Solutions.

DARK MATTERS TAKES THE LAFAYETTE STREET STAGE AT 1 P.M.

The Dark Matters

Carnegie Hall's 37th Taste of Our Towns (TOOT) fundraiser will feature musical group Dark Matters on the Lafayette Street Stage from at 1 – 3 p.m.

The Dark Matters are a full-on soul-groove dance band: horns, organ, voices. Heavy riffs from the guitar, a driving bassline, drums that make you leave your seat for the sweat of the dance floor. We are students of the music we all need; digging deep into the record crates to find the melodies that mean something, the grooves that bring us together. Although this sound is rooted in late '60s Memphis, it is part of a movement of bands that continue to use real instruments to make meaningful music.

Perfect for a dance party with friends old and new, The Dark Matters breathe life into any event, and will not leave until all are satisfied. Please let us know if you have a gathering that is in need of our soulful sounds.

2023 Taste Of Our Towns is sponsored by Boxell Solutions.
