attendance and discussed the latest update on COVID in the schools. At the time of the meeting Lambert was happy to report there are zero cases of COVID in the schools with four students in quarantine. There will be new protocols for the school in the upcoming days, such as reducing the quarantine time from 10 to five days. As this new strand of COVID seems to be more contagious the symptoms are seemingly less for most individuals. The board approved a motion to allow Lambert the authority to make

the decision of when to remove the mask mandate and, if required, to enforce again at a later time. This will be contingent upon the number of cases in the school and county. There are 16 active cases in the county reported. With zero reported cases in the schools, it is likely the mask mandate will be lifted in the near future.

Further action was taken for new personnel by the board members and each position received a four to zero vote. Debra Fike was assigned the position of Payroll Coordinator

effective January 4, 2022. Fike is excited about the new position and is looking forward to putting her accounting education to work for the school board.

Kimberly Metz was appointed for the grant funded position of Itinerant Special Needs/Supervisory/Transportation Aide at Tucker County High School. Metz's position will be effective January 4, 2022 for the 2021-2022 school year. Next year will be contingent upon receiving the grant for the 2022/2023 school year.

Other grant funded posi-

tions for the McKinney-Vento Building liaisons for Extra-Curricular for the 2021-2022 school year were approved. Anne Farmer at DTEMS. Lauren Godfrey at TCHS. Ronda Adkins at TVEMS.

Adam Freeman will be the new Head Football Coach at TVEMS effective with the 2022-2023 school year. Daniel Cassidy, pending background checks and certification will be Head Softball Coach at TVEMS for the 2021-2022 year.

The next regular Tucker County School Board meeting will take place on Tues-

day, January 18, 2022 at 4:30 p.m. Persons who wish to address the Board must register no later than 15 minutes prior to the scheduled meeting. Presentations or concerns will be limited to five minutes per person.

Winter 2021 Issue of GOLDENSEAL Magazine Available

CHARLESTON, W. Va. – The winter 2021 issue of GOLDENSEAL magazine is now available. Since 1975, GOLDENSEAL has been West Virginia's Magazine of Traditional Life. Attached is a list of retailers where GOLDENSEAL magazine is available.

This issue is dedicated to the 50th anniversary of the Buffalo Creek Disaster, Logan County, which occurred on February 26, 1972, killing 125 people. It was the deadliest flood in West Virginia history, but it was not a flood in the natural sense. It was caused by the collapse of improperly built coal

impoundments on the Middle Fork of Buffalo Creek, which unleashed a torrent of black slurry that obliterated virtually everything downstream. In all, some 1,000 people were injured, and 80% of the residents of the narrow hollow were left homeless.

Authors Andréa Fekete, Christine M. Kreiser, Randy Yohe, Aaron Parsons, Brad Crum, Lisa Shrewsberry, Carl E. Feather, Travis D. Stimeling, and Jessica Lilly—as well as photo-journalist Chuck Wyrostock—examine the tragedy from different angles, including the causes of the disaster and how survivors

pieced their lives back together. Other articles discuss the memories of those who survived, the disaster's "miracle baby" Kerry Albright, the use of the Buffalo Creek Therapy Quilt as a coping mechanism, ongoing efforts to honor the victims, books and songs about Buffalo Creek, Mimi Pickering's classic documentary "Buffalo Creek: An Act of Man," and Buffalo Creek today.

Additional articles in this issue look at the new online West Virginia Folklife Collection, new books about West Virginia, and tributes to folks we've lost recently, including Bernard Cyrus, Bill Gillespie, Jeanne Mozier, Barbara A. Smith, Charlie Cooper and Charly "Jupiter" Hamilton.

GOLDENSEAL is published quarterly by the West Virginia Department of Arts, Culture & History. You can order subscriptions from GOLDENSEAL's online store or individual copies by calling 304-558-0220, ext. 134. Issues are \$5.95/issue + \$1.00 shipping, or you can order subscriptions for one year (\$20), two years (\$36), or three years (\$50). GOLDENSEAL subscriptions also make great gifts, especially for friends and family who may no longer live in the Mountain State. <https://wvculture.org/discover/publications/goldenseal/>

Elizabeth Louise Snellings

Elizabeth went into the arms of Jesus on Friday, Nov. 19, 2021 as a patient for the first time in 83 years of life of ever being in a hospital. She graduated to heaven from Garrett Regional Medical Center in Oakland, Md. She was living the apartments at Cortland Acres in Thomas.

Elizabeth was born in Purcellville, Va. on Jan. 31, 1937. Her parents, Sydney and Dorothy Snellings and her only other sibling brother Sydney Jr. and his wife Lenata have preceded her in death. Only known relative is a niece, Terry (location unknown) and a cousin Emmett Snellings, of Sarasota Fla.

She graduated from Hanley High School in Winchester, Va. While attending school she assisted in helping her parents with Snellings Florist Shop. Later on she became manager of it.

She became a Physical Education teacher and took some of her students to Switzerland, where they climbed the Alps. For several years she ran a Christian School in Richmond, Va.

God called her to attend Rhema Bible College in Broken Arrow, OK. She was already a musician and God called her to become a Psalmist and He would give her songs. Her ministry was called, "Sing a New Song."

For some time she had her own radio program in Winchester where she would share the Word of God along with her music. She was known as a powerful woman of prayer and worship leader.

She spent several years as a missionary among the Indians in Spearfish, SD. There are many testimonies from those she helped. She taught them how to trust the Lord to meet every need. Elizabeth lived that way herself since the 80's and God was faithful each time. She would want everyone to know that our God loves each one so much He sent His only son from Heaven to die for each one. Jesus was born in a stinky stable, rejected by His own disciples and suffered an excruciating death on a cross. Now she is experiencing His great love and wants everyone on earth to join her by surrendering their life to Him so they too can have peace and happiness here and hereafter.

If anyone feels led of the Lord to donate in her memory, it can be sent to: *Touch of Christ Ministries, P.O. Box 223492, Chantilly, Va. 20153.* This ministry helps people come out of sex-trafficking. This ministry was dear to Elizabeth's heart. She will be buried in a cemetery in Thomas.

M. Paul Nestor Jan. 14, 1931- Jan. 2, 2022

M. Paul Nestor died with his family at his side on Jan. 2, 2022, at the age of 90.

Paul was born in Parsons, WV on Jan. 14, 1931, to Minor and Mattie Nestor. His strong work ethic started young when as a boy he held jobs cleaning the Parsons Post Office and delivering newspapers. Even a bitter snowstorm could not stop this 10 year old from delivering paper up Quality Hill. He was also quite an entrepreneur trapping muskrats to sell the pelts to the Sears catalogue.

He graduated from Parsons High School ('48) and continued his athletic interests by playing football and basketball on scholarship at Potomac State College then was recruited to the University of Maryland (UMD) on scholarship to play football ('51-'53) for Jim Tatum during UMD's glory years. The undefeated '51 team beat number one ranked Tennessee in the 1952 Sugar Bowl and played a role in the formation of the ACC. As a college football player, he would spend time at home to encourage and play ball with Parsons' youth. Paul was drafted by the Chicago Bears and wrangled a trade to the Baltimore Colts so that he could attend UMD dental school (BCDS), until the dean found out and gave him an ultimatum: football or dentistry.

He married Mabelle Beck on May 30, 1953, and settled in Baltimore to attend dental school. After graduation they moved to Niagara Falls, NY where he served two years as a dentist for the Air Force fulfilling his ROTC commitment.

In 1959 they moved to Tampa, Fla. and began raising a family. Paul worked as a dentist for 62 years until the age of 87! Many dentists over the years have commented on his enduring craftsmanship when they have received his patients. He was an ethical professional and avid learner who loved dentistry and served his patients well. He also served in various leadership positions (President of the Hillsborough County Dental Association, the Southeastern Academy of Prosthodontics), mentoring work-study students, and working at the free dental clinic. A believer in continuing education, in the mid-1980's he attended a monthly three-year fellowship program at the University of Florida. Later in his career he was awarded a fellowship in the International College of Dentists.

An involved father, Paul's desire to mentor and train youngsters continued through coaching Little League baseball and youth football for many years. He will be sorely missed by all who knew him.

He is survived by his wife of 68 years, Mabelle B. Nestor, and children, Laura Nestor Lynch (Jay), Mabelle Nestor Thomas (Curtis), Paul D. Nestor, and grandchildren, Jonathan Lynch (Amanda), Elizabeth Lynch, David Lynch, Michael Lynch, John Thomas, and Quinn Thomas and three great-grandsons, Nick, Noah, and Nathan Lynch.

In a letter to his children in March of 2019, Paul wrote about being raised in the Great Depression and the importance of distinguishing between needs and wants. He writes, "It is nice to have a rainy-day fund but if you want to have real security and freedom in life, it is found with God through Jesus Christ! Through the Scriptures and worship we have the examples for guidance on how we should live our lives and our relationship with other human beings." He loved the motto of John Wesley, founder of Methodism, "Earn all you can, save all you can, give all you can."

A memorial service will be held at Grace at Ft. Clarke, 9325 West Newberry Rd., Gainesville, Fla., 32606 on Saturday, Jan. 15 at noon.

In lieu of flowers a donation may be made to Haven Hospice, 4200 NW 90th Blvd, Gainesville Fla, 32606 (beyondhaven.org) or a charity of your choice. For a full obituary see his memorial page at, www.williamstomas-funeralhome.com

Well it is January in West Virginia and you can tell by the weather. Dec. 31, 2021 it was 65 degrees and on Jan. 7, just one week later, it was 21 degrees. We had torrential rains on Saturday Jan. 1 so that means the month of January will be wet with precipitation either in the form of rain or snow.

Gran used to say that the first day's weather of each month will dictate the weather for that month. I am going to try and keep track this year and see how accurate it is. I always forget by March or April and then my super scientific assessment is a total failure. **Momma Said**, "Keep your mind on your business and you will not fail."

I need to get a new calendar because I keep looking at the wrong month and I am very confused. We always work a week ahead and I never really know

what day it is anyway. Doesn't take much to confuse me anymore, not the sharpest tack in the box if you know what I mean.

I hope everyone had a great New Year and you are better at keeping your resolutions than you were last year. I never make one so I don't have to worry about breaking it. Just something else for me to forget and I don't need any more on my plate, I am full.
