OBITUARIES

Robert Kenny (Bob) Hedrick

Robert Kenny (Bob) Hedrick, at the age of 102 and a resident of the Paul Spring Retirement Community, Fort Hunt, Virginia, passed away on September 20, 2024.

Robert was born in Holly Meadows, West Virginia on August 28, 1922, to Walter Scott+ and Lulu Moore+ Hedrick. He graduated from Parsons High School and went into the Army where he served in Germany. In 1944, he married his next-farm neighbor and childhood girlfriend, Lorraine Kisner. They had three children, Robert Kenny Jr. (Walter Huxley+), Ronald Dean (Teresa) and Patti Lingafelt (Charles) and were married for 61 years before her passing in January 2006.

He received a BCE from George Washington University, an MCE from Catholic University and worked toward a PhD at George Washington University. After receiving his

BCE, Robert worked for several departments of the US Army as a civil engineer, received a patent from the US Patent Office and numerous certificates of commendation. After his retirement and for almost 10 years, he was an instructor at Northern Virginia Community College as well as maintaining his tomato garden and yard.

His two brothers, Walter Harold + (Ernestine) and Carl Marshall+ (Mary Jane+) proceeded him in death. In addition to his children and their spouses, he leaves behind six grandchildren, Wendy Dent

(Chris), Amy Hedrick, Kris Hedrick (Brian Knowles), Matthew Hedrick, Charlie Lingafelt (Lisa) and Claire Quandt (Erik), eight great grandchildren and one great, great grandson Hudson; all he dearly loved. He also leaves behind his dear friend and companion, Jean Elliott.

In lieu of flowers, the family request donations to the Lutheran Church of the Reformation, Robert Hedrick Memorial Fund, 212 East Capitol Street, NE, Washington, DC 20003.

Funeral will be held at the Church of the Reformation, 212 East Capitol Street, NE, Washington, DC 20003 on Friday, October 4, at 11:00 a.m. Private Interment at Bethel Cemetery, Parsons, West Virginia. The Lohr & Barb Funeral Home is in charge of the arrangements for Robert Kenny (Bob) Hedrick. Condolences may be expressed to the family at; www.lohrbarbfuneral-home.com.

Cortland Acres to Transition Ownership and Operations

After more than 45 years of serving residents and families in Tucker County and beyond, the Cortland Acres skilled nursing facility and rehabilitation center will soon be under new ownership and management.

Though ownership of the skilled nursing facility will change, key elements of the Cortland Acres Association, including the Pineview Apartments and The Pines, will remain with the association.

“Our priority is to ensure a seamless transition and to continue the same level of care for our residents while preserving the heart of what makes Cortland Acres special,” said Pat Nichols, president of the Cortland Acres Association Board of Directors. “We are grateful to every employee who has contributed to the success of Cortland Acres and to every resident who has made this place their home.”

In order to ensure that Cortland Acres’ commitment to its residents, staff, and community continues, the Board of Directors is proud to announce that the new ownership of Cortland Acres has partnered with Hill Valley Healthcare, a leader in providing support services to skilled nursing facilities to help them deliver high-quality care to all residents.

This change brings with it a wealth of resources and expertise that will not only enhance the care and services pro-

vided but also bring new opportunities for growth and development to our community. “This important decision reflects the Board of Directors’ commitment to ensuring the long-term success and sustainability of Cortland Acres within the Tucker County community,” Nichols said.

The care and well-being of the employees, patients, and residents were central to the discussions and decision-making process.

“Hill Valley Healthcare shares our values and commitment to rural communities, and they recognize that our residents are not just patients but family, friends, and neighbors,” Nichols said.

Hill Valley Healthcare is a rapidly growing skilled nursing consulting firm recognized as a leader in helping communities deliver high-quality healthcare by supporting quality facilities. The company advises approximately 3,600 team members and supports 16 facilities across Virginia, West Virginia, and Maryland, including assisted living, skilled nursing, rehabilitation, on-site dialysis, and home health care facilities.

The Cortland Acres campus includes a 94-bed long-term care facility, and inpatient and outpatient rehabilitation programs. For more information about Cortland Acres, call 304-463-4181 or visit www.cortlandacres.org.

St. George Medical Clinic Welcomes Dr. Ronald Alan Mudry to the Pulmonary Medicine Team

Parsons, W.Va. [September 11, 2024] — St. George Medical Clinic is thrilled to announce the anticipated addition of Dr. Ronald Alan Mudry, MD, FCCP, to our team. Dr. Mudry, a distinguished pulmonary medicine specialist, will be joining the St. George Medical Clinic team part-time, beginning September 18, 2024. His presence promises to significantly enhance the pulmonary care that St. George Medical Clinic provides to the Tucker County community.

Dr. Mudry, a native of West Virginia, brings with him a wealth of experience and a strong academic background. He graduated Summa Cum Laude from West Virginia University, earning a Bachelor of Arts in Biology, followed by a Doctorate of Medicine from the same institution. He then completed an Internal Medicine residency and a fellowship in Pulmonary and Critical Care Medicine, solidifying his expertise in respiratory health.

Throughout his career, Dr. Mudry has held numerous notable positions that underscore his commitment to patient care and medical education. He served as the Director of Cardiopulmonary Services at Davis Medical Center in Elkins, where he played a crucial role in advancing respiratory care practices. Additionally, he contributed to academic medicine as a Clinical Assistant Professor at the West Virginia School of Medicine, where he mentored future healthcare professionals.

Dr. Mudry’s contributions to medical research further highlight his dedication to pulmonary medicine. His work has been published in leading journals, including the Journal of Virology and the International Journal of Surgical Pathology. His studies cover a range of topics from retroviral mutation rates and respiratory physiology to personalized medicine for lung cancer. These publications reflect his innovative approach and deep understanding of complex pulmonary issues.

Joining St. George Medical Clinic, Dr. Mudry will focus on diagnosing and treating a variety of pulmonary conditions. His expertise includes the management of asthma,

COPD, interstitial lung disease, and lung cancer. By offering his services 1–2 days a week, Dr. Mudry will provide patients with access to specialized pulmonary care without requiring extensive travel.

“We are excited to welcome Dr. Mudry to our clinic,” said Paul Wamsley, St. George Medical Clinic CEO. “His extensive experience and dedication to patient care will greatly enhance our pulmonary services. We are confident that his addition to our team will provide significant benefits to our patients and improve the quality of care available in Parsons.”

Dr. Mudry’s approach to patient care is characterized by a commitment to personalized and compassionate treatment. He emphasizes the importance of understanding each patient’s unique needs and tailoring care plans accordingly. This philosophy aligns with St. George Medical Clinic’s mission to provide patient-centered care that promotes overall well-being.

Dr. Mudry expressed his enthusiasm about joining the clinic: “I am honored to be part of the St. George Medical Clinic team. My goal is to offer high-quality, patient-centered pulmonary care and to work closely with my new colleagues to make a positive impact on our patients’ respiratory health. I look forward to serving the Tucker County community and contributing to the clinic’s tradition of excellence.”

For patients dealing with chronic respiratory conditions or seeking expert advice on lung health, Dr. Mudry’s presence at the clinic will be invaluable. His ability to offer advanced diagnostic and treatment options for a variety of pulmonary issues will greatly enhance the clinic’s capabilities.

We invite the Tucker County community to meet Dr. Mudry and take advantage of his expertise in pulmonary medicine. To schedule an appointment or learn more about the services offered at the St. George Medical Clinic, please visit our website at StGeorgeClinic.org or contact us at 304.478.3339.

West Virginia Highlands Conservancy’s Dolly Sods Wilderness Stewards Program Receives Spirit of West Virginia Award

CHARLESTON, W.Va.—The West Virginia Highlands Conservancy is proud to announce that West Virginia Tourism has awarded its Dolly Sods Wilderness Stewards program the Spirit of West Virginia Award. This award is presented to organizations that have made outstanding contributions to promoting and enhancing West Virginia tourism while preserving the state’s cultural, historical, or natural heritage.

Established in 2021, the Dolly Sods Wilderness Stewards program was created in partnership with the Monongahela National Forest in response to a surge in visitation and the resulting impact on the wild natural areas found in Dolly Sods Wilderness. Since then, over 100 dedicated volunteers have worked to ensure that visitors can enjoy the breathtaking beauty of Dolly Sods while maintaining its wilderness character. The program includes visitor education, Leave No Trace principles, trail maintenance, and solitude monitoring to safeguard this unique ecosystem for future generations.

“This award is testimony to the enormous contribution made to Dolly Sods by our volunteer Stewards over the past three years,” said Dolly Sods Wilderness Stewards Coordinator Dave Johnston. “And it reflects recognition that the long-term success of a state economy increasingly based on tourism

must support the sustainability of the natural resources that attract visitors. We look forward to continuing our efforts to maintain and enhance West Virginia wilderness.”

A key component of the program is the Trailhead Stewards initiative, where volunteers are stationed at popular trailheads during peak seasons to greet and assist visitors. Trailhead Stewards provide valuable information about wilderness ethics, trail conditions, and safety tips, ensuring that every visitor to Dolly Sods has the knowledge they need to explore the wilderness responsibly. The Stewards have also been involved in essential conservation tasks, including trail maintenance, campsite inventories, and solitude monitoring to track visitor interactions and maintain the wilderness experience. A new initiative, funded with the support of the Appalachian Stewardship Foundation, will send Backcountry Stewards in to work with visitors on the trails and camping areas within the wilderness.

The Spirit of West Virginia Award recognizes organizations that not only promote tourism but also enhance community pride and the local environment through imaginative and innovative development. The Dolly Sods Wilderness Stewards program embodies these ideals, demonstrating a powerful model of conservation through collaboration between volunteers,

government agencies, and local communities.

As the Dolly Sods Wilderness Stewards Program continues to grow, the West Virginia Highlands Conservancy is actively seeking new volunteers who are passionate about wilderness preservation and outdoor recreation. Whether you are interested in educating visitors, maintaining trails, or helping monitor the wilderness, your contribution can make a lasting difference. For more information on how to get involved, please visit our website wvhighlands.org

NOTICE OF REQUEST FOR QUALIFICATIONS FOR ENGINEERING SERVICES

The City of Parsons is accepting statements of qualifications from qualified professional engineering consulting firms to provide the necessary engineering services needed for their developing Wastewater Treatment Plant Improvement Project. The goal of this project is to help develop a plan and an appropriate course of action to either improve or replace the existing Wastewater Treatment Plant and bring the Plant into compliance with DEP regulations. Professional services will include, but not be limited to, the following: completion of preliminary report to be used for the preparation of applications; project design; preparation of all necessary permit applications; preparation of plans, specifications, and bidding documents; assistance during bidding; construction administration services; and construction inspection services.

Sources of funding for this project may include, but are not limited to, Appalachian Regional Commission, HUD Community Development Block Grant Program, USDA Rural Development, US Environmental Protection Agency, WV Clean Water State Revolving Fund, and WV Infrastructure & Jobs Development Council.

Procurement of said services will be in accordance with WV Code Chapter 5G and 2 CFR 200. All firms interested in being considered for this selection must submit at least five hard copies and one electronic copy of a proposal detailing qualifications, technical expertise, management and staffing capabilities, related prior experience, and professional references.

The goal of the competitive process is to objectively select the firm who will provide the highest quality of service. Accordingly, technical expertise and related experience will be weighed heavily. The candidates judged most qualified based on a review of the statements of qualifications will be interviewed. The firm determined to be the most qualified based on an evaluation of the interviews will be asked to prepare fee proposals for engineering services as project scopes are finalized.

Please submit five hard copies of all requested information to: City of Parsons c/o Mike Simmons, Administrator, 341 Second Street, Parsons, WV 26287 and one electronic copy to Carrie Wallace at cwallace@regionvii.com.

Proposals will be accepted until Friday, October 11, 2024, by 3 p.m. The City reserves the right to accept or reject any and/or all submissions. All work will be performed in accordance with the regulations issued by State and Federal agencies relative hereto. The selected candidate may be required to comply with Appendix II of 2 CFR Part 200, Title VI of the Civil Rights Act of 1964, Executive Order 11246, Section 109 of the Housing and Urban Development Act of 1974, Section 3 of the Housing and Urban Development Act of 1968, Conflict of Interest Statement, and the Access to Records provisions. The City shall ensure, to the fullest extent possible, that positive efforts are made to utilize small businesses, including those in rural areas, minority-owned firms, and women-owned business enterprises. The City will not discriminate against any interested individual or firm on the grounds of race, creed, color, sex, age, handicap, or national origin in the award of the contract.

Have you ever noticed that all the devices and equipment we have to look for intelligent life is pointed AWAY from Earth? I think as a race we are regressing not progressing. It might seem we are on our way to Mars or back to the moon but here on our blue pearl, we are totally failing. **Momma Said**, “Don’t throw away what you have for something that might not be obtainable.”

We need to be working on the problems right outside our own front doors before we go gallivanting around the universe. I know it has been a goal for a very long time but why are we just discarding what we have for what we don’t have? If all the money and resources were focused on our problems at hand instead of shooting it out in space, maybe we can solve some very important problems right here.

Like maybe unlocking the cause of cancer, which I am sure is secured away in a drawer somewhere already, or try to cure so many more diseases that we

are plagued with. All that money and resource just shot into space with the off chance that we could be invaded with something far worse than what we have. **Momma Said**, “Sometimes it is better to leave well enough alone.”

We need to figure out terra firma before we go into the unknown. We have enough places on Earth that have not been explored yet that we can put some of that \$\$\$\$CASH\$\$\$ toward. We are a planet that is covered with more water than land mass and we know next to nothing about it. Explore here and find ways to better our lives before we ruin all of it.

Healthy Pumpkin Muffins

Ingredients

- 3 cups all-purpose flour
- ½ cup packed brown sugar
- 3 tsp. baking powder
- ½ tsp. baking soda
- 1 tsp. salt
- 3 tsp. ground cinnamon
- ¼ tsp. ground nutmeg
- ¼ tsp. ground ginger
- 15 oz. can pure pumpkin puree
- 2 large eggs
- ¾ cup nonfat greek yogurt
- ¼ cup olive oil
- ½ cup milk
- Pumpkin seeds, optional

Instructions

- In a mixing bowl combine the flour, brown sugar, baking powder, baking soda, salt, cinnamon, nutmeg, and ginger. Stir together and set aside.
- In a larger mixing bowl combine the pumpkin, eggs, greek yogurt, olive oil, and milk. Stir to combine.
- Gradually mix the dry ingredients into the wet ingredients, mixing just

until combined. The batter will be very thick.

- Cover the bowl with a towel and allow the batter to rest for 15 minutes. During this time, preheat the oven to 425°F / 220°C.
- For bakery style muffins, line a 12 count muffin pan with 6 muffins liners, meaning you’ll only fill every other muffin well with batter. **I recommend spraying the liners with non-stick cooking spray because this batter does tend to stick to the liners.** Fill the liners with 6-8 heaping tablespoons of batter. Sprinkle pumpkin seeds over the muffins if desired. Place one pan in the center of the oven and bake for 7 minutes at 425°F / 220°C, then keep the muffins in the oven, turn the temperature down to 350°F / 180°C and bake for 13-16 minutes or until a toothpick inserted in the center comes out clean. Allow the muffins to cool in the pan. Repeat with the remaining batter, bumping the temperature back up to 425°F / 220°C.

ADVERTISEMENT FOR BIDS FOR CITY OF THOMAS
PROPOSED 56,000 GALLON BENBUSH WATER STORAGE TANK
TUCKER COUNTY, WEST VIRGINIA
CEC PROJECT #313-210

Sealed bids will be received by the City of Thomas for the proposed 56,000 Gallon Benbush Water Storage Tank until **2:00 P.M. on 5th, November, 2024**, at 307 Spruce Street, Thomas, WV 26292 at which time bids will be publicly opened and read aloud.

All work as described below shall be substantially complete within **210** calendar days after the date when the Contract Times commence to run and completed and ready for final payment within **240** days after the date when the Contract Times commence to run. Liquidated damages shall be **\$1,000 per day**.

The work to be bid upon is described as follows:

This project consists of the construction of a new 56,000 gallon water storage tank adjacent to the existing water storage tank, installation of new 8” ductile iron water lines and connecting to existing water lines, sanitizing the new water tank and placing it into service, abandoning and removing the existing steel water tank, installing 6’ chain link fencing, and other necessary appurtenances.

Contract Documents for the project can be examined at the following locations:

Civil & Environmental Consultants, Inc.	City of Thomas
120 Genesis Boulevard	307 Spruce Street
Bridgeport, WV 26330	Thomas, WV 26292

McGraw-Hill Information System Company	Contractors Association of West Virginia
#2 Players Club Drive	2114 Kanawha Boulevard East
Charleston, WV 25311	Charleston, WV 25311

Complete sets of the Bidding Documents may be obtained from the office of Civil & Environmental Consultants, Inc. - 120 Genesis Boulevard, Bridgeport, WV 26330, upon a nonrefundable payment of ONE HUNDRED (\$100.00) DOLLARS, beginning 2nd, October 2024. Check or money order only, made payable to Civil & Environmental Consultants, Inc. Digital files may be accessed at no cost by contacting Civil & Environmental Consultants, Inc. at 304-933-3119 to obtain instructions for accessing and downloading online files.

A two-envelope system will be used. Each must be submitted in a sealed envelope.

Envelope No. 1 must have the following information presented on the front:

Name and address of Bidder,

“Bid on City of Thomas - 56,000 Gallon Benbush Water Storage Tank,”

Received by City of Thomas, 307 Spruce Street, Thomas, WV 26292.

Envelope No. 2 labeled “Bid Proposal” shall also be placed inside of Envelope #1.

Envelope No. 1 will be opened first and the Bid Opening Requirement items checked for compliance as outlined on the Bid Opening Checklist on page BOR-1 of these contract documents. If such documents are found to be in order, Envelope No. 2 “Bid Proposal,” will then be opened and will be publicly read aloud. If the documents required to be contained in Envelope No. 1 are not in order, Envelope No. 2 “Bid Proposal” will not be opened and the Bid will be considered non-responsive and will be returned to the Bidder.

A bidder may not withdraw the Bid for a period of ninety (90) days after the date set for the opening of bids. Bids shall be accompanied by a certified check or bid bond payable to City of Thomas in an amount equal to five percent (5%) of the base bid.

Prospective Bidders should note that this contract will include the following critical requirements as identified in the Contract Documents:

- Bidders must comply with the Title VI of the Civil Rights Act of 1964, the Copeland Anti-Kickback Act, and the Contract Works Hours Safety Standards Act.
- Contractor is required to provide the Drug Free Workplace Certification in accordance with WV Code 21-1D-5.
- All Bidders are required to have a Class “C”, West Virginia Contractor’s License per Section §30-42-12 of the West Virginia Code.

Contractor’s Sales Tax Exemption

City of Thomas is exempt from West Virginia Sales Taxes and, by West Virginia Code SSI 1-158d, can now extend this tax exemption to Contractors supplying goods on their behalf. The Contractor shall coordinate with City of Thomas the filing of any and all applications to the State of West Virginia, exempting the purchase of the specified Goods from West Virginia Sales Tax and hereby agrees to include the savings from such sales tax exemption in its total base bid.

DBE Requirements

Each Bidder must fully comply with the requirements, terms, and conditions as set forth in the contract documents to achieve Disadvantaged Business Enterprise (DBE) participation during the performance of this contract. The bidder commits itself to the program for DBE participation and all other requirements, terms, and conditions of the bid conditions by submitting a properly signed bid.

The bidder agrees to make “good faith efforts” to sub-contract a portion of the total value of the contract to Disadvantaged businesses. This shall be done in compliance with the six (6) good faith efforts as outlined in 40 CFR 31.36(e). Failure to demonstrate good faith efforts may lead to rejection of bids. For the purpose of this program, the term “subcontractor” includes all construction, modification, and service work contracted for by the bidder in the execution of the work under this contract.

WV Alcohol and Drug Free Workplace Act

West Virginia Code §21- 1D-5 provides that any solicitation for a public improvement construction contract requires each vendor that submits a bid for the work to submit at the same time an affidavit of compliance with the bid. The enclosed Drug Free Workplace Conformance Affidavit must be signed and submitted in the first envelope as evidence of the Vendor’s compliance with the provisions of Article ‘1 D, Chapter 21 of the West Virginia Code. Failure to submit the signed Drug Free Workplace Conformance Affidavit in the first envelope shall result in disqualification of such bid.

Upon receipt of the advertisement for bids, kindly respond with an expression of interest by 10th, October, 2024, to David Watson with CEC via email at dwatson@cecinc.com.

A **non-mandatory pre-bid conference** will be held at **10 A.M. local time on 17th October 2024**, at City of Thomas located at 307 Spruce Street, Thomas, WV 26292.

City of Thomas reserves the right to reject any or all bids. Bids received after the scheduled closing time for the reception of bids will be returned unopened to the bidders.

PUBLIC SERVICE COMMISSION
OF WEST VIRGINIA
CHARLESTON

CASE NO. 24-0658-G-390P

MOUNTAINEER GAS COMPANY

Infrastructure Replacement and Expansion Program
Filing for 2025

NOTICE OF FILING AND HEARING

On July 31, 2024, Mountaineer Gas Company (Mountaineer) filed its annual Application for approval of an Infrastructure Replacement and Expansion Program for 2025 (2025 IREP) with revised IREP rates for 2025, pursuant to W.Va. Code § 24-2-1k, which authorizes the Public Service Commission (Commission) of West Virginia to approve cost recovery of projects to replace, upgrade and expand natural gas utility infrastructure that are deemed to be just and reasonable and in the public interest.

In its Application, Mountaineer forecasts capital investment for calendar year 2025 of \$74 million as part of its multi-year plan. The 2025 IREP covers several categories of plant asset replacements and improvements, including mains, service lines, measurement and regulator stations, and house regulators. These plant investments are proposed to be made in Mountaineer service territories throughout the State. These investments are identified in the Application, which is on file and available for public inspection at the Commission’s offices at 201 Brooks Street, Charleston, West Virginia and which may be viewed on the Commission’s website, [www. sc.state.wv.us](http://www.sc.state.wv.us).

Mountaineer proposes to increase IREP revenues by \$8.9 million, an overall revenue increase of approximately 2.80%. The IREP investments included in this filing reflect plant additions made or projected to be made from 2023 to 2025. The increased rates are requested to be effective January 1, 2025. The IREP rates apply as either fixed or volumetric rate increments, depending on the applicable rate schedule under which service is rendered. Mountaineer projects that if the program and IREP rate increase are approved as requested, the average monthly bill for its various classes of customers will be changed on January 1, 2025, as shown below:

Mountaineer Gas Company - Proposed		
Type of Customer	\$ Increase	% Increase
Residential	\$ 2.63	2.97%
Commercial	\$ 6.92	2.03%
Large Commercial (*)	\$ 384.24	0.71%
Large Commercial — 1(*)	\$ 477.11	0.21%
Industrial (*)	\$ 509.10	1.04%
Wholesale	\$ 75.77	0.88%

(*) Percentage increases for Large Commercial and Industrial customers assume transport customers purchase their natural gas at the same price as the Company’s Purchased Gas Adjustment rate.

The increases shown above are compared to the rates currently in place and are based on averages of all customers in the indicated class. Each class may receive an increase greater or less than stated here. Individual customers may receive an increase that is greater or less than average. Furthermore, the requested rates and charges are only a proposal and are subject to change (increase or decrease) by the Commission in its review of the filing. Any change in rates and charges will not become effective until authorized and approved by the Commission.

The Commission set a procedural schedule, including a hearing date on the Application that will begin at 9:30 a.m. on November 4, 2024, in the Howard M. Cunningham Hearing Room at the Commission’s offices at 201 Brooks Street, Charleston, West Virginia. If no opposition to the Application is received by the Commission within one week of the hearing date, the hearing may be waived, and the Commission may issue a final order within 150 days of the Application filing date.

Anyone desiring to intervene should file a written petition to intervene within 15 days following the date of this publication unless otherwise modified by Commission order. All requests to intervene should briefly state the reason for the request to intervene and comply with the rules on intervention set forth in the Commission’s Rules of Practice and Procedure. The Commission will receive public comments until the beginning of the hearing. All written comments and requests to intervene should state the case name and number and be addressed to the Commission Executive Secretary, P.O. Box 812, Charleston, West Virginia 25323. Public comments may also be filed online at <http://www.psc.state.wv.us/scripts/onlinecomments/default.com> by clicking the “Formal Case” link.

**NOTICE OF COMMENT PERIOD FOR
DRAFT/PROPOSED OPERATING PERMIT RENEWAL**

Title V of the Federal Clean Air Act and the state Air Pollution Control Act requires that all major sources and certain minor sources have a permit to operate which states all requirements (e.g. emission limitations, monitoring requirements, etc.) established by regulations promulgated under the aforementioned programs. The Division of Air Quality (DAQ) has determined that the draft/proposed permit renewal referenced herein meets this requirement.

The DAQ is providing notice to the general public of its preliminary determination to issue an operating permit renewal to the following company for operation of the referenced charcoal manufacturing facility:

Kingsford Manufacturing Company
Parsons Plant
Plant ID No. : 093-00004
180 Kingsford Lane
Parsons, WV 26287

This notice solicits comments from the public and affected state(s) concerning the above preliminary determination and provides an opportunity for such parties to review the basis for the proposed approval and the “draft” permit renewal. This notice also solicits comments from the U.S. EPA concerning the same preliminary determination and provides an opportunity for the U.S. EPA to concurrently review the basis for the proposed approval as a “proposed” permit.

All written comments submitted by the public and affected state(s) pursuant to this notice must be received by the DAQ within thirty (30) days of the date of publication of this notice. Under concurrent review, written comments submitted by the U.S. EPA must be received by the DAQ within forty-five (45) days from the date of publication of this notice or from the date the U.S. EPA receives this draft/proposed permit renewal, whichever is later. In the event the 30th/45th day is a Saturday, Sunday, or legal holiday, the comment period will be extended until 5:00 p.m. on the following regularly scheduled business day. The public shall have 135 days from the date of publication of this notice to file petitions for concurrently reviewed permits. Upon notice by the U.S. EPA to the DAQ, prior to the end of the 45 day notice period, the U.S. EPA may choose to hold the 30 day comment period on the draft permit and the 45 day comment period on the proposed permit sequentially. During the public comment period any interested person may submit written comments on the draft permit and, if no public hearing has been scheduled, may request a public hearing. A request for a public hearing shall be in writing and shall state the nature of the issues proposed to be raised in the hearing. The Director of the DAQ shall grant such a request for a hearing if she concludes that a public hearing is appropriate. Any public hearing shall be held in the general area in which the facility is located, after 30 day notice is given. The DAQ will consider all written comments prior to final action on the permit.

Copies of the Permit Application, DAQ Fact Sheet, and Draft/Proposed Permit Renewal may be downloaded from the DAQs web site at: <https://dep.wv.gov/daq/permitting/titlevpermits/Pages/default.aspx>.

Tucker Takes Down Webster 50-0

Jared Reall breaks loose from a would-be tackler.

By: Adam Freeman

Mt. Lions traveled to Upperglade, WV, where they downed the Highlanders of Webster County in the wet and mud, with a final score of 50-0. Tucker scored on the opening drive of the game on a 51-yard touchdown run by Jared Reall, the two-point attempt was successful with a pass from quarterback, Sam Marks, to wide receiver, Garrett Wilfong, and Tucker was up 8-0. On Webster's opening possession they would throw an interception into the hands of Reall who would make them pay again with a 10-yard run for another touchdown. The conversion was no good and the score was 14-0. Tucker would get on the board again before the end of the first with Reall's third rushing touchdown of the quarter, with a failed two-point attempt, Tucker was up

20-0 at the end of the first quarter. The Mt. Lions would air it out to start the second quarter on a 75-yard touchdown pass from Marks to WR, Reid Kisamore. Reall would add the two-points making the score 28-0. With the continued domination on defense, Tucker would get the ball back one more time before the half and Reall would add his fourth rushing TD of the half with a 27-yard run. The two-point try was completed from Marks to Wilfong making the score 36-0 at the break. To start the second half, Tucker would continue the trend set in the first, with another touchdown by Reall via a 43-yard run. The two-point effort was successful with a pass from Marks to WR Keelyn Eichelberger pushing the score out to 44-0. Webster would not muster enough offense to get on the board, as Tucker was able to find the end zone

one final time before the closing with an 18-yard scamper up the middle by sophomore running back, Cade Rapp, making the final score 50-0. Tucker was led by RB Jared Reall with 11 carries, 169 yards, and 5 rushing touchdowns. QB, Sam Marks, was 7 of 13 for 148 yards and one touchdown through the air. Reid Kisamore added one reception for 75 yards and a touchdown. The Tucker defense was led by senior, linebacker, Marky Phillips with six solo tackles, nine assists and three tackles for a loss. Tucker improves to a 5-0 mark halfway through the season, with three of the victories being shut outs, and still only allowing two touchdowns to opposing teams thus far. The team will travel to Franklin Friday to take on the Pendleton County Wildcats in what is lining up to be one of the more anticipated contests of the season. Kickoff is set for 7:00pm.

Wildcats Outlast Highlanders in 20-18 Thriller

Sawyer Fansler breaks free from a Highlander.

By: Adam Freeman

The Tucker Valley Wildcats traveled to Webster County Thursday night, and much like their older brothers - the Mt. Lions, they would leave with the W. The Wildcat's match was much closer than that of the Mt. Lions, outlasting the Highlanders 20-18. Tucker would strike first on the contest on an 88-yard touchdown run by running back, Sawyer Fansler, the two-point conversion was successful by QB, Branson Hyre, making the score 8-0 in the first. The Wildcats defense continued its first half shutout. Hyre would cap off a long drive with a 4-yard touchdown run. The two-point attempt was no good and Tucker Valley would have the lead 14-0 at the half.

Johnathan Tuttle lowers his shoulder to gain the extra yard.

Webster would start the second half on offense and aided by three, 15-yard penalties committed by the Wildcats, would drive the ball down the field and punch in a 2-yard touchdown run. Tucker would stop the two-point attempt making the score 14-6. The Wildcats failed to reach the end zone in the third quarter but would start the fourth with a long drive and a 2-yard touchdown run by Johnathan Tuttle. With a failed two-point attempt the Wildcats were up 20-6 in the fourth quarter. Webster answered with a quick 26-yard touchdown pass with a denied two-point attempt for a score of 20-12. Webster would then recover an onside kick, and their QB would scramble for a 51-yard touchdown run. The Tucker defense would stand tall preventing the two-point conversion

and protect its two point lead 20-18. The Highlanders would again recover the onside kick giving them one final chance to score. The Wildcat defense arose to the occasion with several key plays on the series. Linebacker, Branson Hyre, would prove to have the finishing stop on a fourth down play, in which he had a thunderous hit on Webster's quarterback, stopping him well short of the sticks and securing the win for Tucker Valley. Tucker Valley was led on the ground by Sawyer Fansler with 91 yards rushing and a touchdown, Branson Hyre had 68 yards rushing and a touchdown, and Johnathan Tuttle added 38 yards rushing and a touchdown. The Wildcats improved to 2-1 on the season and will return home this Thursday at 6:00 pm to host conference rival, Clay Batelle.

Tucker Golf Host PVC Tournament

By: Adam Freeman

Tucker County Golf played host at Canaan Valley Golf Course for the annual PVC Tournament where the Mt. Lions would finish 3rd overall behind Tygarts Valley and Petersburg. The top six individual overall low scores would earn All-Conference honors in the match. Sophomore golfer, Nate Davis, finished with a team low round of 86 which would earn him a spot in the top six and All PVC honors. Tucker's biggest match of the season is Monday the 30th at Canaan

Pictured are the top 6 All PVC golfers (from left to right): Tucker County Sophomore, Nate Davis; Tygarts Valley Senior, Avery Row-Sponaugle; East Hardy Senior, Jordan Teets; Petersburg Junior, Lucas Riggelman (low medalist); Petersburg Senior, Payton Berg; Petersburg Senior, Willie Minnich

DT Sweeps Tri-Match

By: Adam Freeman

Davis Thomas traveled to Union last Monday to take on Union and Paw Paw. DTMS prevailed against both teams. Everley Evans led the Bears as top server, with an all-time record of 15 points off serves, in one set. Davis Thomas will host Philippi Middle on Wednesday at home and travel to West Preston on Thursday.

St George Academy Second Annual Homecoming

The St George Academy Preservation Society held their second homecoming for the School, Sunday, September 1, 2024. Past students, teachers and their families and community came together for a covered-dish luncheon on the lawn of the old school. The school was open for exploration of the historic items and information it now holds, some of which were placed recently.

Michael Shaffer, Vice President, served as Master of Ceremonies and lead the crowd in the Pledge of Allegiance to the Flag, announcements, and prayer over the luncheon. Paul Mauzy, President, announced the Queen of the Second Homecoming of the Academy and crowned Joann Poling as Queen. Joann had been a teacher at the school in the late nineteen sixties and still stays interested in the school and its functions. She was both surprised and happy to be honored as queen for the Second Homecoming. Alice Phillips, who had been queen for the First Annual Homecoming, spoke to the crowd about passing on her crown to a lovely lady.

Paul Mauzy gave an update on the work that has been completed on the School as well as work that needs to be accomplished for which donations are being accepted. Also, if anyone would be interested in being on the Academy Board, please contact one of the board members.

Prizes were given to the oldest student present who was Alice Phillips, youngest student present was Joshua Poling and student who came the furthest was Jane Poling Wright from Virginia. Many other prizes were given out and a good time was had by all.

A choir group from the St George Community Church, Nancy Dotson, Becky Poling, Michael and Sandy Shaffer, Priscilla Flanagan and Tyler Shaffer, then closed the Homecoming with several beautiful hymns and the crowd joined in.

YARD OF THE MONTH

Two intrepid garden club members scouted the town of Parsons for September's Yard of the Month. Many yellow mums and various greenery surrounded the residence of Becky Judy Auvil on Kohler Street to welcome fall.

Tucker County Emergency Services was awarded the business YOM for brightening up the triangle in front of the EMS office with a variety of plants including geraniums, begonias, and dahlias.

VOTE FOR GLENN ELLIOTT - NOVEMBER 5TH

★★★★★GLENN
ELLIOTT

FOR U.S. SENATE

Glenn Elliott is a 7th generation West Virginian, a proud father and husband, and a former two-term mayor of his hometown of Wheeling, WV. He began his career as a legislative assistant to longtime Senator Robert C. Byrd. As seen during his two terms as mayor, Glenn has a proven record of forging compromise to achieve results.
