People never stop amazing me with the things they are capable of. I just read a news article about a mother that killed her 16 day old baby. The child was taken to the hospital where it was discovered she had 6 broken ribs, a broken arm, various marks on the throat, eye and injuries to the back of head. The mother was suffering from Postpartum Depression and not had any treatment.

She has been indicted on counts of child abuse by a parent resulting in death, child abuse resulting in serious bodily injury, child neglect resulting in death, strangulation, malicious assault and domestic battery. She said she was frustrated with herself and the baby and everything escalated to the point of no return. Momma Said, "Mental health is a very serious topic and needs to be addressed more seriously.

It is a terrible situation and I feel for the mother and the family but at the same time she stole that child's life. When a mother is frustrated or agitated, the child can pick up on that and then it is also frustrated and agitated,

so the cycle begins and just spirals out of control. I think all mothers need to be counseled after birth regardless of symptoms or not.

I never had children and never experienced anything like this depression so I can't speak of what these women go through but I have gone through some tough times and felt pretty low. So I know she had to have been going through some terrible feelings. Momma Said, "Pay attention and if you see a family member or friend going through some tough times maybe suggest to them to talk to someone before it is too late." Mental illness doesn't mean you have to be hanging from the rafters acting like a monkey. The signs are so slight sometimes that if you don't pay attention it will slip under the radar and that is when it goes beyond reason.

The Tucker County Mt. Lions were finally able to open post-season play after a weeklong delay due to statewide injunctions followed by inclement weather. The contest was slated for a Friday night kickoff once the rulings were finalized, but due to blizzard like conditions in the county, the game was pushed back to Sunday, November 24th at 2:00 p.m. The #2 ranked Mt. Lions played host to their conference rivals, the #15 ranked East Hardy Cougars. The game started at a snail's pace due to the muddy conditions with Tucker eventually finding the end zone late in first quarter, on a Jared Reall touchdown run, set up by a 56-yard pass from Sam Marks to Reid Kisamore. The two-point play was unsuccessful, and the score was 6-0. The Tucker defense would force a punt on the following possession. Kisamore would make a couple defenders miss and getting key blocks, would spring him for a 55-yard punt return for a touchdown. Reall would punch in the two-point conversion and Tucker was on top 14-0 in the second quarter. East Hardy would mount a lengthy drive and get inside the Tucker 5-yard line, but the defense would stand tall, and the Wilfong-Reall combo would make an impressive stop to prevent the score before the break. Tucker would take the lead to the half at 14-0. The Mt. Lions would start the half on offense but would be forced to punt the ball away. The Cougars would fare no better and kick the ball back to Tucker. This time the Mt. Lions would put together a drive that included a 33-yard completion from Marks to Lucas Barb. The drive was capped off with a 4-yard touchdown plunge by Marks and the two-point try was good by Reall, making the score 22-0. Tucker's defense would continue to keep the Cougars scoreless on the night and their offense would strike with a big play of 71 yards on a touchdown pass from Marks to Kisamore. Garrett Wilfong would trot into the end zone for the two-point conversion putting Tucker ahead 30-0. This is when things would get interesting for East Hardy, as the first of two players were ejected for multiple unsportsmanlike penalties. The Cougars were penalized 11 times for 149 yards on the

night. The final remained at 30-0 for the contest. Tucker would put together 329 yards of offense in the game while East Hardy was held to 232 yards of total offense. Tucker's Sam Marks was 7 of 13 passing for 209 yards and 1 touchdown, and 1 more on the ground. Reall led the Mt. Lions in rushing as he had 28 carries for 120 yards and a touchdown. Reid Kisamore had a big game with 3 catches for 136 yards for a touchdown and 1 punt return for a touchdown. Tucker was led on defense by Garrett Wilfong and Jared Reall who both notched 10 tackles each. The Mt. Lions will play host again this weekend to a familiar opponent in the Pendleton County Wildcats who will come to town for a regular season rematch. Tucker defeated Pendleton in week six of the regular season, 38-13. This week's matchup will be Saturday, November 30, 2024, with a kickoff set for 1:30 p.m.

# Gov. Justice announces return of buck firearms season and Big Buck Photo Contest

Eligible hunters can win prizes for submitting photos of 2024 buck harvests

CHARLESTON, W.Va. — Gov. Jim Justice and the West Virginia Division of Natural Resources (WVDNR) today announced the return of the buck firearms season and Big Buck Photo Contest.

West Virginia’s buck firearms season opens Nov. 25 and the Big Buck Photo Contest will start Nov. 26. Hunters are invited to submit a photo with a buck they harvested during a 2024 hunting season along with a short account of their hunt for a chance to win prizes. Photos must be submitted by Jan. 10 for hunters to be eligible for a prize drawing.

“As a lifelong hunter, nothing thrills me more than the return of West Virginia’s buck firearms season and enjoying our state’s incredible deer hunting opportunities every year,” said Gov. Justice. “I want to encourage everyone to buy their license and stamps, join the thousands of hunters who have participated in this exciting contest and help show

the world why West Virginia is one of the best places to hunt.”

The Big Buck Photo Contest is open to

West Virginia residents and nonresidents and includes a youth division for hunters 17 and younger and an adult division for hunters 18 and older. Participants must hold a valid 2024 West Virginia hunting license and provide the 13-digit WVDNR-issued game check number for their buck. Consent for the release and use of submitted photos is implied upon entry. Detailed rules and entry forms are available at [WVdnr.gov/photocontest](http://WVdnr.gov/photocontest).

Big Buck Photo Contest prizes include:

- Resident Adult Division (1 Winner): One (1) free resident lifetime West Virginia hunting license, one (1) two-night stay in a Cabwaylingo State Forest cabin and one (1) two-night stay in a Seneca State Forest cabin.
- Resident Youth Division (5 Win-

ners): One (1) Cabela’s prize package.

- Non-Resident Adult Division (5 Winners): One (1) Cabela’s prize package, one (1) two-night cabin stay at North Bend State Park cabin and one (1) two-night cabin stay at Twin Falls Resort.
- Non-Resident Youth Division (5 Winners): One (1) Cabela’s prize package.

After the contest closes on Jan. 10, 2025 a random drawing will be used to select finalists from each division and entries will be judged on photo composition, antler size, antler points and the quality of the hunt narrative. Winners will be announced in January 2025.

WVDNR Encourages Hunters to Get Ready for Buck Firearms Season

West Virginia’s buck firearms season opens Nov. 25 and runs through Dec. 8 in all counties except Logan, McDowell, Mingo and Wyoming, which are closed to firearms deer hunting. Hunters may harvest one buck on their base license during the season. Those who want to harvest one additional buck must purchase a RG/RRG stamp before the season starts. West Virginia hunting licenses and stamps are available to purchase at [WVhunt.com](http://WVhunt.com).

All youth and adult hunters are required to check their game on their own account and must wear at least 400 square inches of blaze orange when hunting in a county or area with an open deer firearms season. For more information about deer hunting, hunters are encouraged to review the West Virginia Hunting Regulations Summary at [WVdnr.gov/hunting-regulations](http://WVdnr.gov/hunting-regulations).
