

News of Record

The following criminal complaint has been filed in the Tucker County Magistrate office:

- Leeza Grace Serra, of Davis, was charged with one count of Domestic Battery. According to the complaint, on Friday, Sept. 18, Cpl. B.M. Gidley, along with Deputy Sottile, received a call for service from Tucker County Communications (911) of a fight that had occurred. The caller advised that an individual from the Q & A Program had come inside the office and advised she had been beaten up. The officers responded, arrived on scene and spoke to the victim. The statement was recorded and the victim advised that the suspect, Leeza Serra “Ash” was having a bad day and decided to come at her. She was hit and pushed to the ground where she was hit by the suspect as hard as she could. Officer Gidley asked her about many times she was hit in the head and the victim advised, “more than 30 times, fast and hard punches” and she kept trying to fight her off. He observed the victim’s injuries, which were a bump on her forehead, bloody nose and swelling around the face. The victim also advised that the suspect ripped her earring out. Gidley obtained photographs of the injuries. Officers then went to the Q & A Building located next door. He spoke with one of the employees and she advised another employee had left with the suspect but was on the way back to the building. He spoke with a witness and recorded the statement. She advised that she and the victim were downstairs and the suspect wanted to go for a walk, the victim wanted to go along, when the suspect got angry and the victim made a comment, the suspect went for a walk, came back and went to the victim’s room and they started to make comments to each other. The victim called the suspect a brat and other names. The suspect came downstairs running and the victim started kicking at her and then all hell broke loose. After

the statement, the suspect came back and Gidley read the suspect her Miranda Rights which she understood and agreed to talk to him. He recorded here and she advised, “We were about to go on a walk and the victim wanted to go, I told her I don’t want to go with you because you have been talking bad about me. I came back to the house and I heard her talking about me and we argued. I ran downstairs and said what did you say to me and she kicked me. I started punching her and she scratched me and bit me and I was fighting back. I was on top of her and I got away from her and went upstairs.” Gidley advised her that a witness advised she had run at the victim and the reason she kicked her was to get away and she stated, “Ya”. He then placed the suspect under arrest for Domestic Battery and transported her to the West Virginia State Police Department in Parsons for processing. She was then transported to TVRJ where she was handed over to Jail Staff.

Wildcats Battle Bridgeport to Take First Loss 22-6

By: Adam Freeman

The Tucker Valley Wildcats had an unanticipated home game this past Thursday. The game was originally scheduled to be at Liberty Harrison’s field to take on the Bridgeport Braves; however, due to heavy rains, the game was moved to Parsons. The Braves arrived with over 60 players for what is believed to be the first-ever matchup between the two schools.

The Braves would strike first early in the game as their signature multi-directional offense got them the early lead on a 54-yard run to take control 6-0. Tucker would mount a promising drive but would get behind the chains and be unable to convert on a fourth and long, giving the ball back to the Braves. Bridgeport would mount a long scoring drive and score on a 12-yard run to extend the first-quarter lead to 14-0.

The Wildcats would continue to move the ball but were unable to put it all together for a score before the half; however, they held the Braves and came up with a fourth-down stop on a crucial fourth and short.

The Braves got the ball to start the third period and punched in a 3-yard score to extend their lead to 22-0.

Tucker would then mount its most impressive drive of the game with several completed passes and third-down conversions on a drive that took over 10 minutes to find the end zone, as eighth grader Braylon Simmons barreled in from one yard out. The score would prove to be the final one of the game as Bridgeport took home the win 22-6.

Tucker Valley was led in rushing by Noah White with 16 carries for 54 yards, followed by Braylon Simmons on six carries for 20 yards and a touchdown. QB

Wildcat offense discusses the play call.

Bentley Haddix completed six passes for 57 yards, with three different receivers catching two balls each. Braxton White had two for 21 yards, Nelson Herron also had two for 21 yards, and Easton Wolford caught two

for 15 yards.

The Wildcats now stand at 3-1 and will stay home this week for a Saturday matchup on October 3, as they welcome Clay-Battelle at 1:00 p.m.

Bears Soccer Hosts First-Ever Home Match

By: Adam Freeman

The Davis Thomas Bears soccer team had two matches last week, first traveling to Webster Springs Elementary to face the WCMS Highlanders.

Nicholas Crawford, playing as the right wing, scored the Bears’ first goal in the 6th minute with a skillful move past a Highlander defender, followed by a burst of speed to create space and deliver a perfect shot beyond the keeper’s reach. Just six minutes later, Crawford again outmaneuvered the defense with a well-timed pass from striker Walker Litzau, giving the Bears

a 2-0 lead. Seven minutes after that, in the 19th minute, Litzau scored himself, making it 3-0 for the Bears at halftime.

In the 58th minute, Maverick Drenning scored the fourth and final goal, securing a 4-0 victory for Davis Thomas. John Lutz and Alex Kerr served as keepers in the first and second halves, respectively, both achieving shutouts.

The Bears then hosted their first home match in history at Canaan Valley State Park on Friday, September 25 against Notre Dame. Both teams and plenty of fans arrived at the brand-new field and game

venue that afternoon.

The first goal came just three minutes into the match when Nicholas Crawford crossed the ball to Malik Dillard, who deflected it to Kyree Dillard for the shot, putting the Bears ahead 1-0. Crawford scored the next two goals in the 16th and 22nd minutes of the first half. After that, the fourth and final goal came in the 39th minute as Maverick Dren-

ning found the back of the net, keeping his streak of scoring every game thus far. The Bears took the win 4-0 over the Irish.

Davis Thomas improved to 3-1 and have not conceded a goal since the first half of their first match. They have three consecutive home games, starting with a rematch against Preston County on Monday, October 5, at 6:00 PM.

Mt. Lion Football Succumbs to Second-Half Burst from Cameron, 42-6

By: Adam Freeman

The Mt. Lions of TCHS football returned home this week to play host to the Cameron Dragons, who made the two-and-a-half-hour trip south to R.H. Armstrong Memorial Field, Class of 1985 Stadium.

The first quarter was a back-and-forth fistfight, with neither team being able to put together a scoring drive. Cameron would strike first in the second quarter on a 21-yard passing touchdown, with the extra try no good. Cameron led 6-0.

The Dragons would strike again before the halftime break, this time on an eight-yard score through the air to extend the lead to 12-0. The Dragons would threaten to score once more before heading to the locker room for the half, but freshman cornerback Legend Harper jumped a route, intercepted the pass, and took it 30 yards the other way for a Mt. Lions touchdown. Tucker would fail to convert the two-point try, but had cut the lead in half, and it was

a ball game at 12-6 heading into the break.

The second half would be a different game altogether, as Tucker would fail to score a touchdown while the Dragons found the end zone three times in the third period and once more in the fourth to seal the Mt. Lions’ fate at 42-6.

Quarterback Branson Hyre, whose night was cut short due to injury, finished 6 of 12 passing for 44 yards with four interceptions. Hyre was credited with seven carries for -22 yards (including sacks). Senior Cade Rapp finished the night with 17 carries for 35 yards, with Evan Witt being the leading receiver with two catches for 27 yards.

On defense, freshman Rylan Sexton led the team with three solo tackles, while junior Evan Hexom followed with two solos and six assists.

Tucker falls to 3-2 at the halfway mark of the season, with a trip to Franklin next week to take on Pendleton County at 7:00 p.m.

Tucker County Golf Battles Pendleton in Unique Match Play Format

By: Adam Freeman
Tucker County’s golf team hit the road last week for a varsity and junior varsity matchup against Pendleton County at scenic Fisher Mountain. The varsity match featured an exciting twist, a matchplay four-ball format, giving the Mountain Lions a rare opportunity to compete in this style of play. Despite the thrill of the format, Tucker County ultimately fell to Pendleton 2-1.
The duo of Drew Simmons and Nate Davis took an early lead on the first hole thanks to a birdie from Simmons, but Pendleton responded on the second hole to even the match. The contest remained tight until the final stretch. The turning point came on the penultimate hole, where Davis hit the green 12 feet out. The steady par secured the hole and gave Tucker County a one-up lead heading to the

ninth. On the final hole, Simmons safely played into the left rough, allowing Davis to attack the pin. He delivered with a spectacular drive that landed just eight feet from the cup on the short par-four. After Pendleton carded a par, Davis needed three putts to clinch the win, but completed the task in two, sealing the two-up victory for the Mountain Lions. This would be the only duo team for Tucker to claim a win for the match.
Davis, Simmons, and Cayden Arnold all posted team-best scores of 42 in the contest. On the JV side, Tucker County also fell to Pendleton, though freshman Jarrett Dearborn stood out with a solid round of 47.
The Mt. Lions will hit the road next week for an eight-team match at the Clarksburg Country Club on Monday, September 28.

West Preston answered in the deciding third set, winning 25-19 to take the JV match.
The Davis Thomas varsity team delivered a solid showing, winning both sets against West Preston.
The Bears controlled the first set, earning a 25-18 victory. Harper Wilt led the way with seven points as Davis Thomas established its momentum early.
Davis Thomas continued its strong play in the second set, pulling away for a 25-10 win to complete the two-set sweep.
Elizabeth DelSignore led the Bears with eight points in the second set, while Avery Eichelberger added six points. Their contributions helped Davis Thomas maintain control and finish the varsity match with another decisive set victory.

Annual archery and crossbow seasons to open Sept. 26

Hunters encouraged to purchase licenses and stamps now

CHARLESTON, W.Va. — The West Virginia Division of Natural Resources (WVDNR) today announced that archery and crossbow seasons for white-tailed deer, black bear and wild boar will open on Sept. 26. Hunters are encouraged to prepare now by purchasing their licenses and stamps at WVhunt.com before the seasons begin.
“Archery and crossbow seasons are a great opportunity to introduce new hunters to the sport. As early big game seasons, they are highly anticipated and a great opportunity to reconnect with other hunters and enjoy the outdoors,” said WVDNR Director Brett McMillion.
To help hunters prepare, WVDNR reminds the public of several important matters pertaining to these seasons:

- Electronic Checking: All big game must be field tagged and electronically checked at WVhunt.com. Completing the check promptly after harvest ensures accurate reporting and helps the WVDNR monitor wildlife populations.
- Deer Stamps: Hunters who want a chance to take up to two additional deer during the archery and crossbow season must purchase their Class RB or RRB stamps before the season begins.
- Deer Carcass and Baiting Restrictions: Carcass transportation restrictions are now in effect in Grant County, while baiting and feeding restrictions apply in Pendleton County.
- Wounded Game Recovery: An unmanned aerial vehicle can be used to track and locate mortally wounded deer, bear and wild boar. Only one leashed dog can be used for this purpose.
- Deer Bowhunter Survey: Hunters who participated in last year’s deer archery and crossbow season are invited to participate in the WVDNR’s annual bowhunter survey , which provides valuable data that supports wildlife management and helps improve future hunting opportunities.

To learn more about season dates, bag limits and county-specific regulations, check the West Virginia Hunting Regulations Summary, available to download at WVDnr.gov/hunting-regulations.
All hunters 15 and older are required to have a valid West Virginia hunting license, unless hunting under resident landowner privileges. Hunters also must carry a valid form of identification. To purchase a hunting license and stamps, visit WVhunt.com.

As I write this it is only the third full day of Fall and the frost is on the pun-kin’. For those of you not in the know, that means it was dang cold last night. It was 38 degrees and it won’t be long before the temps start to drop for the long haul

The only saving grace is that we will be getting a reprieve next week with warmer weather and hopefully a little drier. It has been a very messy and miserable summer with all the rain and flooding. Very uncharacteristic for these parts of West Virginia.

We have had historic flooding in places that never flooded before and it was devastating to a lot of people. Some areas are still not recovered and infrastructure will take even longer. Momma Said, “Pray for the downtrodden and victims of nature’s fury.”

Momma Said

This column is about tips, helpful hints, recipes and words of wisdom. I dedicate this column to my mother.

By Teri Cayton
The Parsons Advocate

The people in the know say that this coming winter is going to be very harsh because of El Nino and I don’t doubt it. Even the wooly worms are confused. I actually saw two completely white ones a while back and that is something I have never seen. The old adage is with the black and brown ones, if the front part has more black than the back part, the winter will be bad in the beginning and visa versa. Momma Said, “I guess the white ones mean that the Yeti are coming so get prepared.”

Apple Fritter Bread

INGREDIENTS:

For the Apples

- 2-3 Granny Smith apples, peeled, cored, and diced (about 3 cups)
- 1 tablespoon fresh lemon juice
- 2 tablespoons light brown sugar
- 2 teaspoons ground cinnamon

For the Bread

- 1/2 cup unsalted butter, softened
- 1/2 cup granulated sugar
- 1/4 cup light brown sugar
- 3 large eggs

DIRECTIONS:

Preheat the oven to 350°Fahrenheit. Grease and line a 9×5-inch loaf pan with parchment paper.

Prep the Apples: In a medium bowl, toss the chopped apples with the lemon juice, sugar, and cinnamon until evenly coated. Set aside.

Make the Bread: In a large mixing bowl, beat the butter, granulated sugar, and brown sugar with an electric mixer on medium speed until light and fluffy, about 3-4 minutes.

Reduce the speed to low and blend in the eggs one at a time, followed by the vanilla, until smooth.

In a medium bowl, whisk the flour, cinnamon, baking powder, baking soda, and salt. Add the dry ingredients to the wet ingredients in two batches, alternating with the buttermilk. Before adding

- 2 teaspoons vanilla extract
- 2 cups all-purpose flour
- 1 teaspoon ground cinnamon
- 1 teaspoon baking powder
- 1/2 teaspoon baking soda
- 1/2 teaspoon salt
- 1/2 cup buttermilk

For the Glaze

- 1 cup powdered sugar
- 1-2 tablespoons milk
- 1/4 teaspoon vanilla extract

the second batch of dry ingredients, toss half of the apples in the flour mixture to coat. Then, gently mix everything until just combined.

Pour the batter into the prepared loaf pan and spread it evenly. Add the remaining apples on top.

Bake for 55-60 minutes or until a toothpick inserted into the center comes out clean. Let the bread cool in the pan for 15 minutes. Then, transfer it to a wire rack to finish cooling.

Make the Glaze: Whisk the powdered sugar with 1 tablespoon of milk and the vanilla until smooth. Add more milk, a little at a time, until the desired consistency is reached.

Drizzle the glaze over the slightly warm or cooled bread. Set for 10-15 minutes before slicing.

Final Public Notice for Potential Impacts to Wetlands
Tucker County Convention and Visitor's Bureau intends to seek financial assistance from USDA, Rural Housing Service (RHS) for construction of Tucker County Visitor's Center. The proposed project consists of construction of a single structure within the city limits of Davis on a 1.94-acre site (Lat/Long 39.128113, -79.473381). RHS has assessed the environmental impacts of this proposal and determined that the location of the Tucker County Convention and Visitor's Bureau will convert or effect approximately 0.37-acre of palustrine emergent (PEM) wetlands. In accordance with Executive Order 11990, Protection of Wetlands, and USDA Departmental Regulation 9500-3, Land Use Policy, the Agency is notifying the interested public of this land conversion. It has been determined that there is no practicable alternative to avoiding this conversion or effect and that there is a significant need for the proposal. The basis of this determination is that this area is currently lacking a single site providing resources for travelers. Alternative sites were considered but were eliminated either as they were technically and/or financially infeasible. The preliminary public notice was published on August 26, 2026, and no comments were received.
For information regarding this notice, contact Logan Mongold, Community Programs Specialist at logan.mongold@usda.gov or (304) 635-4346.

WVU Medicine surgeon honors mother by establishing lung cancer screening fund

Bridgeport, W.Va.— Lung and breast cancer are two of the most prevalent cancers nationwide. In West Virginia, those statistics are higher than the national average. If caught early, these cancers can be treated, giving patients a greater chance for a positive outcome.

Nick Baker, M.D., a thoracic surgeon at the WVU Medicine Heart and Vascular Institute and WVU Cancer Institute knows this all too well. Every day he treats patients with a lung cancer diagnosis. But it’s also deeply personal. Dr. Baker’s own mother, Veronica, passed away from lung cancer in early 2026.

After his mom was diagnosed, Dr. Baker wanted to find a way to honor her and expand access to early detection and CT screenings, especially for those who can’t afford them.

Baker and his family established the Veronica Baker Low Dose CT-Scan Fund through the United Health Foundation at WVU Medicine United Hospital Center earlier this year. The fund is used to help uninsured patients at UHC get access to mammograms and life-saving CT lung screenings. In less than a year, the fund has already helped multiple patients at United Hospital Center.

To help expand access to these life-saving screenings, United Hospital Center will host “An Afternoon for Hope” to support Veronica’s Fund. The event celebrates the national Pink & Pearl healthcare initiative that pairs breast cancer screenings with lung cancer risk assessments. The event will be held on Sunday, Sept. 27, 2026, from 1-3 p.m. at the Bridgeport Country Club in Bridgeport, West Virginia. For tickets or more information on the Pink and Pearl Event visit uhcpinkandpearl.com.

Early screening and detection can change out-

comes for patients. Healthcare systems have focused on early detection and screening for breast cancer. Dr. Baker hopes this effort will create a pathway to reach a population of patients who would benefit from both mammograms and lung cancer screenings. Veronica’s Fund and awareness programs like Pink & Pearl are helping to build a successful pathway for eligible patients by providing both a mammogram and lung cancer screening on the same day.

“With the help of the United Health Foundation, we were able to set up this fund,” Dr. Baker said. “My mom instilled the importance of education early on, and she was the reason I went to college. I felt it was a great way to honor how much she meant to me and to help patients who needed that support. Although my mom was a very humble person, she would be happy to know that Veronica’s Fund is helping to remove barriers to screenings for people who need it most. We hope this fund will grow, and we can expand support to people all over the state. She wouldn’t want to leave out any or her fellow Mountaineers”

For more information about the Veronica Baker Low-Dose CT Fund or to help provide patients with access to low-dose CT scans, please visit the WVU Medicine United Health Foundation at givetouhc.org.

BMA Food Pantry Celebrates Opening

The volunteers of the Blackwater Ministerial Association Food Pantry are well known in our community. These members donate countless hours of time and energy to the good of the organization and those who benefit.

A grateful community recently celebrated the opening of the new Blackwater Ministerial Association (BMA) Food Pantry. The public Open House was held July 30 at the BMA Food Pantry’s new facility located at 374 Quail Ridge Road, Thomas. Attendees included donors, volunteers, members of the BMA Board of Directors and other stakeholders who toured the facility and learned firsthand about the four-year process of bringing the project to fruition.

In 2022, After learning that operations had to move from their site in Davis, an exhaustive search for a building site included a request to the Wheeling-Charleston Catholic Diocese to lease a parcel of land adjacent to Mt. Calvary Cemetery in Thomas. In the fall of 2023, an agreement was reached, and fundraising efforts began.

BMA Board President, and Project Coordinator, Tom Kucer, spoke about the generosity of donors, the support of former Senator Joe Manchin and the USDA grant program, the dedication of volunteers, and some of the challenges presented that included, “a very patient stay at St. John’s Lutheran Church—well past the we’ll only be a little while phase.”

“We were slowed by unforeseen grant requirements and regulations, weather, and workforce challenges. Through all of it, our donors kept giving, our volunteers kept showing up, and this community kept believing the food bank was worth the wait. Thank you. Truly.”

Kucer continued, “Now we look ahead. We want to serve our current clients even better and welcome new volunteers. And as we do, we say a very fond farewell to

our longtime Pantry Manager, Veronica Staron, who is retiring at the impressive age of ninety-one. It turns out replacing Veronica requires two people: our new co-managers, Karen Linton and Mary Sagace keep us in excellent hands.”

Staron spoke about the history and growth of the food distribution program, “The BMA Food Pantry was started in 1979 by the Thomas Presbyterian Church. When I came on board in 2004 it was serving less than fifteen families. Today close to one hundred families receive a

monthly distribution of nutritious food.” Staron has overseen and managed that growth with volunteers who she describes as, “having a great work ethic and who are dedicated to the work of shopping, packaging, and distributing food while keeping in tune with other needs in the community.”

The program culminated with board members Tim McGowan and Paul Teranto unveiling a plaque that reads, “*This building is dedicated to those who serve this community and the belief that no neighbor should go hungry. Through the generosity of volunteers and donors, this pantry stands as a symbol of compassion and hope.*”

Food Pantry volunteers Diane Beall, Amy Goughnour, and Pat Cooper helped organize the event and served light refreshments to all attending.

e-WV: The West Virginia Encyclopedia. Both West Virginia Folklife and e-WV are projects of the Council.

Additionally, *People & Mountains* looks at the fascinating hunting and writing career of Preston County’s George Bird Evans, who championed a philosophy of conservation, ethics and personal restraint. This issue also includes photos from a celebration of folklorist Gerry Milnes held at the Council headquarters

in May. The West Virginia Humanities Council successfully nominated Milnes to be a 2026 National Heritage Fellow and this year’s sole recipient of the prestigious Bess Lomax Hawes National Heritage Fellowship.

People & Mountains is published by the West Virginia Humanities Council three times a year. It profiles the Council’s work and developments in the humanities statewide. tory of the DiBacco family and Carmen DiBacco’s legacy in Tucker County. The talk began with the arrival of Carmen’s father Salvatore DiBacco from Italy in 1903, seven years prior to becoming a naturalized citizen. Salvatore worked in the coke ovens with his brother-in-law in Coketon. Carmen was born October 2, 1918 in Thomas. Later the families became partners in business partners in a wholesale and retail store.

Later on, the business expanded to include a saloon. Salvatore began to take care of the grocery side of the business at this time, which began the family’s careers in grocery. Dumire said that the DiBenedetto and DiBacco brothers constructed many of the buildings that line Thomas’s East Avenue. DiBacco’s grocery eventually moved and was located at the current location of River-

front Antiques at 258 East Avenue in the 1930s. The business was taken over by Carmen in 1945 when his father retired and the Davis store was opened in 1948.

It was in 1976 that the T & C Market closed and the Shop n’ Save Supermarket opened in Davis. Later, Carmen also built a gas station across the street from the Davis Fire Department, which is now the Big Timber Logging Camp or what Dumire called “houses a gastro bar.”

Dumire also commented on Carmen’s slogan “Pray for Peace” that appeared on the clock at the front of the Shop n’ Save Supermarket. The slogan also appeared on business cards, calendars, advertisements and cash register tapes. Dumire said that Carmen had stated, “with all the happenings that were going on in Iraq, we really do need to pray for peace.”

Humanities Council Releases Fall Issue Of *People & Mountains*

Charleston—The West Virginia Humanities Council has released the Fall 2026 edition of its digital magazine, *People & Mountains*. It can be accessed from the Council’s website: wvhumanities.org.

This issue profiles award-winning journalist and historian Rick Atkinson, who will present the 2026 Betsy K. McCreight Lecture in the Humanities at the Capitol Theater, October 15, at 7:30 p.m., in Charleston. For more than four decades, the Council’s annual McCreight Lecture has connected West Virginia

audiences to some of the nation’s premier public intellectuals.

Atkinson, a three-time Pulitzer Prize winner and former *Washington Post* journalist, is the author of the *New York Times* best-selling *The British Are Coming*. The first volume of his widely hailed Revolution Trilogy has earned numerous honors. The second volume, *The Fate of the Day*, continues the sweeping narrative of the American Revolution, capturing the conflict’s critical middle years with vivid storytelling and insights. Atkinson also served as a

historical advisor for Ken Burns’ PBS documentary series *The American Revolution*, which commemorates the Revolution’s 250th anniversary. Several titles on more recent conflicts preceded these efforts, including the much-acclaimed Liberation Trilogy, which chronicles the American military’s role in Europe during World War II—the first volume of which, *An Army at Dawn*, won the Pulitzer Prize for history in 2003.

For more information about the lecture, contact Council Program Officer Kyle Warmack, warmack@wvhumanities.org, 304-346-8500.

The Fall issue also highlights an often overlooked tool of weavers. Fiber artist Enrica McMillon of Elkins explains how box tape looms were used, what they produced and why they were essential to life on the frontier. This article is part of the nationwide *By the People: Conversations Beyond 250* initiative, developed by the Federation of State Humanities Councils and the Smithsonian Center for Folklife and Cultural Heritage. West Virginia Folklife filmed demonstrations by traditional musicians and artists. The finished material will be deposited in the Smithsonian and featured in

on Aug. 29. Coach Mick Cooper accepted the plaque, which will be displayed at the Western Steer along with the other members of the Hall of Fame. Gould is one of Elkins Rehabilitation & Care Center's beloved family members. He has been residing at the facility for several years. "We're really proud of Stanley and everything he has done," said Tara Shaver, ERCC administrator. "He's not just a resident here, he's a part of our ERCC family and we are just so happy that he was honored along with his teammates." "I'm just really happy to be included in this honor along with the other members of the team," Gould said. "It really is an honor." Gould is an avid fan of sports, especially the Mountaineers and local Randolph County teams. Shaver said it was no surprise that Gould was involved in sports as a child and that he is involved with many things throughout the facility. He has been a member of the Resident Council at ERCC and is always taking part in the activities at the facility. Gould noted that sports taught him the importance of hard work at an early age. "I think being involved in sports is a great way for kids to learn important life skills like teamwork and how to overcome adversity," Gould said. "I know being a member of a team taught me a lot about life."
