

Virginia Treasury has successfully reunited over \$1.4 billion in unclaimed property to citizens!

You may have unclaimed property even if your name is not included in this insert. Visit our free website to search and start the claim process for any unclaimed property you may have in our database.

Be aware of malicious actors asking you to pay by check or money order to claim unclaimed property.

Our program is a zero cost and free public service administered by The Virginia Department of the Treasury
