### 1982 Foundation held 2023 Fall Fest Oct. 7th - Fun filled day

By Melissa West

The annual Fall Fest of The 1982 Foundation did not disappoint, nor did the weather. Crystal Mersh and her team did an awesome job for the community. Although temperatures at times got a little cool (even though I love the fall temperatures), the crowd bundled up and enjoyed the day mulling around the Wayne Underwood field to view crafts, food and informational vendors, antique cars and most importantly spent time catching up and connecting with friends. Those in attendance had the opportunity to try the Tiki Taco Hut cuisines as well as a Coffee and Cocoa Bar, or taste testing the Cook-Off entries.

Winners of 2023 Cook off were : 1st place to Jeff Church for the Pork Loin (he won a new pressure canner); 2nd Place to Kathy Badgett for the Potato Soup; 3rd Place to Melissa West’s

Pineapple Upside Down cake ans 4th Place went Jim Sullivan for his chicken

Calhoun Businesses were encouraged to decorate for fall for which the 1982 Foundation traveled around the area to scope out the festive views for judging. Best Fall Theme, J & B Drug Store in Grantsville; Best in Show, Calhoun Banks; 1st – HHistorical Society in Grantsville; 2nd – Miller Sudz and Sales on Mt. Zion

and 3rd – Mom’s Place Too in Grantsville

Car Show Winners were: 1st – Lou Rader, 2nd – Danny Maxwell, 3rd – Brian Lamont, Best of Show – Allen Dawson and People’s Choice – Jimmy Gregory

Bill and JoAnn Stevens were honored for their hours of work keeping the flowers tended too at the 1982 Foundation throughout the summer. They were awarded free admission to all 2024 Spice Events.

The Agricultural Building was dedicated in memory of Elva Lamont, given due credit for creating Crystal Mersh’s love and compassion for goats., with her first goat Cordi. A goat workshop was also a part of the days events. A certificate of dedication was given to her husband.

Several musicians played throughout the afternoon that included (pictured left) The Turner Family and Isiah and Thomas (pictured below). Following the announcement of event winners, Evangelist Sebyy

Volpe (pictured below on left) delivered a message on the State of the Nation, County and Church that received Amens all around. During his message the sun showed itself and took away some of the chill in the air.

Jason Cunningham updated those in attendance on the current status of Foundation projects.

The next section on the schedule for renovation and reinvigoration is the Gymnasium and Education Center.

The Town should be bustling with contactors soon! The 1982 Foundation is making great progress on the Community Center. Stop by on Tuesdays for Prayer on the Porch.

### Calhoun Invitational: A Foggy Morning of Thrilling Cross Country Competition at Calhoun County Park

Submitted By Bonnie Sands

Calhoun County, October 3, 2023 – On Saturday, September 30th, a blanket of morning fog enveloped Calhoun County Park as students from Roane, Clay, Wood, Gilmer, Wirt, and Webster counties converged for the highly anticipated Calhoun Invitational, hosted by the Calhoun County Cross Country Team. This invitational, featuring challenging courses and fierce competition, showcased the resilience and dedication of young athletes.

The standout feature of the day was undoubtedly “Big Momma,” a formidable hill that tested the endurance of both middle school and high school participants in their respective 3k and 5k races. Students took on this daunting challenge with determination and grit, pushing their limits to conquer this iconic hill.

In an incredible show of hometown pride, all Calhoun County runners placed admirably, demonstrating their commitment to excellence. Notable performances include:

Jackson Clawson, representing Calhoun County in the High School 5k, clocked an impressive time of 23:31, securing a commendable 12th place finish.

In the Male Middle School category, Zac Smith exhibited his prowess with a remarkable 6th place finish, covering the 3k distance in an impressive time of 13:52.

The Middle School Girls 3k race saw Carissa Sands clinch 6th place with a time of 14:28, while Brooke Tingler’s time of 16:26 earned her a well-deserved 7th place finish.

The success of the Calhoun Invitational would not have been possible without the invaluable contributions of many individuals and organizations. The Calhoun County Cross Country Team extends special thanks to the dedicated volunteers of Calhoun County Park, whose hard work and commitment were instrumental in ensuring the event’s smooth execution.

The Calhoun Invitational was not just a day of competitive racing; it was a testament to the spirit of unity and sportsmanship that transcends county lines. It was a day where athletes from diverse backgrounds came together to celebrate their love for cross country running and showcase their talent on a challenging course.

As the Calhoun County Cross Country Team reflects on the success of the Calhoun Invitational, they express their gratitude to everyone who played a part in making this event a resounding success. The community’s support and enthusiasm were essential in creating a memorable day of running and camaraderie.

The crowd enjoying the Fall Fest musical entertainment. Thank you for the use of the blankets to keep warm Crystal!

Pictured below is the Goat Fashion Show that was cute and adorable. Each goat was led around by a child. The Foundation is always looking for activities to engage children in the community. This is just one of the reasons they are great for our community. Children are the future.

# OBITUARIES

## DANA PAUL STARCHER

Dana Paul Starcher, 67, of Arnoldsburg, WV, passed away suddenly on September 16, 2023.

Even through a tragic departure of this life, Dana left behind his loving heart as a beacon of light for all who knew and loved him.

He was born in Calhoun County. He was the son of the late Charles and Helen Starcher.

In addition to his parents, he was preceded in death by his brothers, Terry Naylor, Gary Starcher, Joe Naylor, Randy Starcher, and Chuck Starcher as well as sisters Diana Murphy and Kathy Starcher.

He was Poppa to his beautiful daughter Jessica Ann and proud Pappy to Sophia, Ava and Cora. They were the light of his life and his biggest pride and joy.

Being a wonderful dad and grandpa was his greatest success. He is also survived by brothers Gary (Shoat) Starcher, Charlie Starcher, Stanley Starcher and Fred Starcher. Also surviving is his sister Kandy Summers and companion Christine Conley. He had many family members and friends that thought the world of him, too many to mention.

Dana worked his life in the Oil and Gas Industry from drilling rigs to pipeline before his retirement. After retirement he enjoyed spending time with his daughter and grandbabies, attending church with them and his church family at Spencer Tabernacle. He enjoyed visiting his family and getting together for a good meal. He was the life of the party and his smile was contagious. His life lives in through everyone who knew him and he will be greatly missed.

A funeral service was held on Sunday, September 24, 2023, at Stump Funeral Home & Cremation, Inc., Arnoldsburg, WV, with Rev. Loren Price officiating.

## ARLIE LEE GROSE

Arlie Lee Grose, 83, of Harrison, WV, passed away on October 2, 2023.

He was the son of the late Hubert and Beulah Cadle Grose. In addition to his parents, Arlie was preceded in death by his wife of 56 years, Abbie Grose; brothers, Roland, Danny, and Raymond. Arlie is survived by his sons, Jessie (Brenda) Grose, Justen (Samantha) Duffield; daughters, Karen (Gary) Nicholas and Geneva Flint (Jerry Sigman); 8 grandchildren, 8 great and children; 2 sisters, 4 brothers and very special friends, Roscoe and Joann Wilson. Funeral Services were held October 6, 2023, at Wilson Smith Funeral Home, Clay, WV. Arlie's nephew Jeff Neff officiated. Burial followed in the Grose Family Cemetery, Harrison, WV. Online condolences may be sent to the family at [www.carlwilsonfuneralhome.com](http://www.carlwilsonfuneralhome.com). Wilson Smith Funeral Home is honored to be serving the Grose family.

## ROSEMARY "JOAN" JONES

Rosemary "Joan" Jones, 86, of Big Bend, WV, passed away on October 3, 2023, following a long illness. She was at home surrounded by her children, as well as her granddaughter Heather, with whom she shared a special bond.

She was born at Big Bend, WV, the youngest child of the late Homer and Icy Kemp Jones. In addition to her parents she is preceded in death by siblings Marge Zaria, Cleo Jones, Deloris Rogers, Nancy Travis, Pete Jones, Oleta Ferrell, and Leona Yoak. Joan is survived by a brother, James Jones (Brenda) of Winston-Salem, NC and a sister-in-law, Lenore Jones of Big Bend, WV.

Joan married Harold Walker and they had three sons, Eddie Walker (deceased), Vernon Walker (Kathy) of Munday, WV, and Michael Walker (Debbie) of Hillsboro, WV. She later married John Jones and they had two sons, Johnny Jones (deceased) and Thomas Jones of Big Bend, WV, where Joan resided. Tom was her devoted and loving caregiver for many years. She was blessed with six grandchildren, Stephanie Jarrell, Marsha Spiker, Amos Walker, Eli Walker, Heather Walker, and Matthew Walker, 12 great-grandchildren, and four great-great-grandchildren.

Joan attended the Full Gospel Lighthouse Church, Big Bend, WV. She was a friend and neighbor to those in her community, always willing to prepare a meal or deliver a dish to someone in need. She loved calling and chatting with shut-ins, family, and friends.

A graveside service was held at Maze Cemetery, by Stump Funeral Home & Cremation, Inc., Grantsville, WV, on Sunday, October 8, 2023, with Pastor Mike Doherty officiating. Interment will follow immediately in Maze Cemetery.

## RONALD NEWELL

With heavy hearts, we announce the peaceful passing of Ronald Leon Newell, 84 (Mogadore, Ohio) on Wednesday, October 4, 2023, after battling Parkinson and Alzheimer's Dementia. A son of the late Gerald and Maude (Schartiger) Newell. Leon was born in Orma, WV.

Leon was a class graduate of 1959 Calhoun County High School. He retired with 42 years from OMNOVA, Mogadore, Ohio in 2002. An avid outdoorsman, he enjoyed hunting, fishing, and gardening; especially fond of baseball, he loved watching his Cleveland Indians play. Most of all, he loved telling stories with family and friends about his childhood life in the hills of West Virginia; he never met a stranger, and will be sorely missed by those who knew and loved him.

Leon is survived by his loving wife of 60 years, Lois (O'Quinn) Newell of Mogadore, Ohio and devoted granddaughter Brook Arbutus Bender (Kent, Ohio). Surviving also are Sisters Emogene (Newell) Robinson of Tanner, WV and Ellodean (Newell) Yerkey of New Stanton, Pa. as well as a host of nieces and nephews.

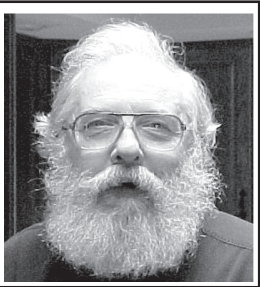

Along with his parents, Leon was preceded in death by his only child, daughter Rita Marlene Bender; five brothers, Jerald Newell Jr., Donald Lee Newell, Walter Harold Newell, Harry Arnold Newell and infant brother Johnny Thurl Newell.

Visitation was held Monday, October 9, 2023 at Stump Funeral Home in Arnoldsburg, WV. Funeral services were held at the Orma Cemetery where Leon was laid to rest along with his four brothers, parents and grandparents.

In lieu of flowers, the family has requested that money donations be sent to: The Michael J. Fox Foundation for Parkinson's Research, PO Box 5014 Hagerstown, MD 21741.

# Creston News

by Alvin Engelke  
Phone: 304-275-3578

Rev. Kevin Gillespie filled his regular appointment at the Burning Springs M. E. church. Creston Neighborhood Watch is Monday, October 9 at 6 P. M. at the Community Building.

Several area residents were involved in Pioneer Days in Elizabeth. Next week it is the Black Walnut Festival in Spencer.

It was learned that Francis Lockhart Jr. passed away. He had been fighting cancer.

The Creston Halloween Party is scheduled for October 28. Donations of candy & help are appreciated. Over time the occasion has been one of the most consequential social events of the year for the party is for children of all ages and adults can dress up and "be somebody". In the past presidents have called as well as celebrities such as the "very trashy" Kardashian sisters. They didn't even wear clean clothes.

Debbie Griffin and Nancy Engelke were both consulting with their medical experts. Nancy received a good report while Debbie is still awaiting news.

The bridge crew has been working on the W. Va. 5 span across the Little Kanawha. They were welding on the beams on the dePue side. Such gives one that warm fuzzy feeling of confidence, doesn't it?

Chase who now lives down in the sunny south is visiting family at Shade Tree.

Cooler weather has come to Creston. Obviously, the world is not on fire, as some would claim. Of course what they are after is money and control the World Economic Forum.

Some years back Hillary said those who didn't support her were all sorts of names and a basket of deplorables. Now, she had doubled down calling for formal deprogramming of those that believe America is the best nation ever on the planet. This would be done in "reeducation camps".

There have been a number of oil and gas wells plugged down in Rock Run. Much of the new plugging activity has been funded by the taxpayers.

West Virginia's governor continues to make the news. Now federal marshals were sent to seize his helicopter for partial payment on a \$10 million judgement by a Russian oligarch. It's clear why Mitch McConnell and the deep state folks want him to represent West Virginia in the US Senate.

Rusty Hutson who now owns more W. Va. wells than anyone else told Forbes that now he feels that the future is brighter on the Gulf Coast than it is in his home country. Gas sold on the DTI (Mother Hope) system is now, after deduction, maybe 60 cents/MMBTU. The story has been that we can't get our gas to market because of pipeline paucity but others note that in the Permian gas is being given away to get the oil. Exxon, the Rockefeller family flagship company, announced the purchase of Pioneer Natural Resources, a big player in the Permian, for a mere \$60 billion.

TransCanada, the firm that has the big pipeline between Creston and Burning Springs that takes 2 bcf/day to the gulf for export as LNG and has numerous gas storage fields & 12,000 miles of pipe announced the sale of 40% of the Columbia Gas part of their empire to Global Infrastructure partners for \$3.9 billion. US exports of LNG set another new record.

The company was trying to acquire more acres for "storage" by "offering" \$50/acre for Oriskany & Marcellus with all contents. The threat is federal court if you don't comply for they operate for the common good, don't you know.

Back in March it was said that that HG Energy, based in Parkersburg was on the market for \$3 billion. Houston based Quantum Energy had funded an aggressive Marcellus drilling program. Now, it is said that Antero is to buy the company. Quantum had funded Tug Hill and now it is owned by EQT.

The Calhoun County Bank was closed Oct. 9 for Columbus Day but Wesbanco was closed for Indigenous Peoples' Day.

Last week the Wild Frontier Telephone Company's internet service went out causing locals who use such in their office work to be left high and dry. A call to the company resulted with one talking to someone who emphasized that it was not his department, but that there were issues on the lines.

The ruling officials claimed that they are not really trying to ban gas stoves, (cooking with gas) but now the same fine folks are going after natural gas furnaces.

Some seemed surprised that the "peaceable" Arab terrorists attacked Israel. They thanked Ukraine for selling them arms and some think that the weapons left by the senile one in Afghanistan have made their way to try to destroy Israel. Also our government resumed "economic aid" to the terror groups.

The mischief from the legislature's giving the big boys the right to force pool properties without adequate and fair lease terms for world class oil and gas formations. The initial offer/demand was 15% & then an offer of 19% if no payments for the liquids, with the royalty based on payment by BTU on a rather fictional price but subject to payment of severance taxes.

The price of local Pennsylvania grade crude fell to \$81/79bbl. (from \$89.03/bbl) with condensate, formerly called Appalachian light sweet fetching \$63.79.bbl while Marcellus and Utica light was \$72.79 & medium \$81.79/bbl.

Misses Nellie, Ruth, Ada and Belle Maze who have been attending high school at Grantsville spent Saturday and Sunday with home folks.

Miss Mary Phillips is staying at the home of Samuel Brohard at Hartley.

Misses Alma Bennett, Ruth Gainer, Lucy Bell, Opal Hayhurst and Ira Bell were greeting friends in Brooksville Saturday.

Mr. Ira Bell who has been employed at Fairmont for some time spent Friday with home folks.

Those that attended the show Saturday night at Grantsville were Lucy Bell, Opal and Ruby Hayhurst, Homer Jones and Millard Hayhurst.

Bruce Bell, of Annamoriah, spent Saturday with his brother S. A. Bell.

Misses Lucy Bell, Opal and Euth Maze and Messrs Homer Jones and Millard Hayhurst, motored to M. Zion Sunday.

### 1948, 75 YEARS: Big Homecoming Game Next Week:

Friday, October 22 has been designated Homecoming Day at Calhoun County high school and plans are rapidly being formulated to make it the biggest and best in the history of the school.

At 2 p.m. on that date there will be the large parade, which will include the Calhoun and the Pennsboro bands, large and beautiful floats by school and town organizations and of course the beautiful coronation ceremonies in which the queen of each school will be honored.

The feature of the day will be the Calhoun-Pennsboro football game which will be played on the local field at 8 p.m. Both teams have highly respectable records and it is expected to be a bitter battle between two of the top-ranking teams of the Little Kanawha Regional conference.

During the half-time ceremonies the new lights at the local athletic plant will be dedicated and queens and their courts will again be honored. Representing Calhoun high as queen will be Miss Virginia

Wayne, beautiful daughter of Mr. and Mrs. Oral Wayne of Beech. Miss Wayne will be attended by eight beautiful princesses who are: Seniors; Miss Violet Mae Cain, daughter of Mr. and Mrs. Milton Cain, Big Bend, and Miss Polly Meek, residing with Mr. and Mrs. M.W. Limer in Grantsville; Juniors; Miss Donna Johnson, daughter of Mr. and Mrs. Clyde Johnson of Grantsville, and Miss Willadeen Fluharty, daughter of Mr. and Mrs. J.W. Fluharty of Smithville; Sophomores, Miss Jean Yoak daughter of Mr. and Mrs. Agnew Yoak of Big Bend, and Miss Willadean Riggs, daughter of Mr. and Mrs. Lester Riggs, Joker; Freshman, Miss Marjorie Arthur, daughter of Mr. and Mrs. Charles Arthur of Mt. Zion, and Miss Sylvia Hawkins, daughter of Mrs. Margaret Hawkins of Grantsville.

Immediately after the game there will be a meeting of the Calhoun County high alumni in the library of the high school. The meeting will be for the purpose of electing officers for a proposed Alumni association which will have us its objective the improvement for the academic and athletic conditions in our county. The former students of Calhoun high are urged to be present and join in the day's program and refreshments after the game.

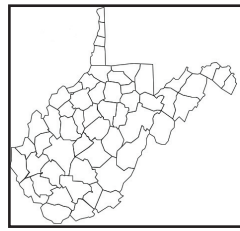

**1973, 50 YEARS: Travel Council getting organized:** A Calhoun Branch of the Country Roads Travel is to get organized this month with a meeting set for Monday, October 29, at 7 p.m. at the court house. Ed Elliot, executive director, was present last Monday evening for a meeting with interested citizens.

Calhoun has had two representatives on the council for some time. Evelyn Campbell is a representative from the Calhoun Planning Commission and Richard Stalnaker is from the Wood Festival. Other persons are expected to take part in the further establishment of a branch of the council in Calhoun. One of the projects to be undertaken is a brochure featuring information about the Little Kanawha area. Dr. Steve Bird of Harrisville is council president.

**Southside in Grantsville changed after bridge construction:** The south side of Grantsville was changed quite a bit with construction of a new bridge across the Little Kanawha, which was completed in 1963. Remember when Garland's Grocery was located there? It was a grocery store and service station combined. That store in the center of the picture below has since been rebuilt on Main Street. The store across the road, the South Side Grocery, owned by Mary Barr Wallace, remained in the same place through all the construction, but the roadway to it was changed.

The large two-story house, the Peter Johnson house in the upper right hand of the picture was torn down to make way for the new bridge approach. It was one of the first houses built in this section. The old bridge, in the upper right, was torn down after the new one was put in use. The picture was supplied by Pearl Johnson.

# My Home Among the Hills

by Mellody Walburn

As I sit down to write this article, it is downright chilly outside. I am curled up on the couch under a blanket with my little portable heater running in the living room.

I know this cold snap is probably temporary, so I don't want to turn on my heat quite yet. My little heater will do just fine for a week or two more.

Now don't think by any means I am complaining about this weather. I have been waiting for this since the middle of September. I was able to pull out my some of my sweaters, corduroys, and boots this weekend. I am more than ready to put away my summer clothes and flip flops.

I am also looking forward to turning off the air-conditioners and lighting my fireplaces. There is nothing cozier than curling up by a fireplace with a cup of coffee and a good book.

It is also time for me to start feeding my little feathered friends again. When we were having those high winds a few weeks back, I took all of the feeders down and stored them in my garage.

Hopefully, I will have time this week to clean them up, fill them, and hang them back up in the tree. There is just something so relaxing about sitting and watching the birds come to eat. I can't explain it, but I know it lowers my blood pressure and stress levels. Even my students enjoy it.

My dad refilled the feeder outside my classroom this week, and the 4th graders are always thrilled when a new bird lands outside the window.

Speaking of my students, school continues to keep me on my toes. It seems like every week brings something new in elementary school. This past week was the book fair and a practice writing test for the state. I will admit when I flipped my desk calendar to October, I had to take a few deep breaths.

There is a lot going on this month. In addition to last week's activities, this month contains a professional development day, end of the first nine weeks, report cards, Red Ribbon Week, homecoming, and parent-teacher conferences. Add to that Friday the 13th, a full moon, and Halloween on a Tuesday, and you might have a sense of why I needed some deep cleansing breaths.

My grandma always said to take one day at a time, and that is just what I plan to do. October is a beautiful month, and I refuse to let a jam-packed calendar steal my joy. Every item on that list is doable; I just need to tackle them individually. It's like that old quote says, "How do you eat an elephant? One bite at a time."

Things were a little quieter on the home front this week. I actually went home after school on Monday and didn't have anywhere to go or anything to do. I ate a leisurely dinner, read my book for a bit, took a long, hot shower, and watched a little tv. I haven't had a quiet evening like that in a while. Tuesday evenings are reserved for pickleball at the NYA building. It is both great exercise and fun.

While I am talking about pickleball, I am excited to say that our little club with the help of some generous businesses and people was able to raise the \$6000 we needed to paint the pickleball courts at the town park. If all goes well, this process should take place next weekend sometime. The courts are already looking 100 times better with the new surfacing. I can't wait to see them painted and with the new fencing installed. We sure have come a long way from weed eating and leaf blowing off the old courts, and I am so grateful.

The rest of the week went smoothly...Bible study on Wednesday, pickleball on Thursday, and another quiet evening at home on Friday. On Saturday afternoon, Maricia and I did our shift for the historical society booth at the Fall Festival. We displayed a presentation about transportation in Calhoun County over the years. It included riverboats, bridges, taxis, and even a school bus. Saturday evening, I had dinner with friends and then sat around a campfire. There is nothing like a full belly and a warm fire to set you up for a good night's sleep. I climbed under the extra blankets on my bed and slept like a baby.

After church on Sunday, I had to hurry home to finish my soup for Cookbook Club. We don't usually meet on Sundays, but it was the only day everyone could come. As usual the food was delicious and the company even better. It was a great way to end my weekend, and now I must go prepare for the week ahead.

## Senior Citizens Menu

## CURIOSITY CORNER

by Dr. Jerry D. Wilson, Emeritus Professor of Physics, Lander University

Often, I'm asked about the meanings of words and phrases. The questions are genuine, and the definitions and origins are interesting. Yet, on their own, they're too short to make up a full column. Here's a collection of "Miscellaneous Meanings." Enjoy!

**Dirigible:** an airship that can be directed (dirige) as compared to a balloon that merely drifts with the wind. Improper emphasis on the second syllable may give rise to the belief that the word is derived from the "rigid" part of the structural framework. Blimps are not rigid and a bit limp, but they are directable dirigibles.

**Earmarked:** Something that has been set aside or distinguished in some way so it won't be used for another purpose. This comes from the practice of marking the ear of a sheep or other animal for ownership or some other purpose. Sheep and pigs were once commonly identified with dabs of tar or paint on their ears ("earmarked"). A few years ago, when in the Lake District in England, I noticed sheep with dabs of red and green colors on their ears. I had to ask. It was a way of marking the expecting and non-expecting ewes.

**Eavesdrop:** to listen or overhear. (I screw it up and say "easedrop.") The "eaves" is the overhanging edge of a roof, and the rain running off it was called the "eavesdrop"... dripping eaves. The place between the edge of the eaves and the wall of the house was a great place for snoopers and peepers to listen under a window in the old days, and these scoundrels became known as "eavesdroppers." Now we can eavesdrop indoors by listening to someone in another room, or do it electronically without even being there. Eleven and twelve: We have thirteen (3 + 10), fourteen (4 + 10), etc. Why not oneteen and twoteen? Well, the first part of eleven implies "one" (an old spelling was "onleven"). The "two" of the twelve indicates "two." But what about the "-leven" and "ive" parts? It is generally thought that these endings meant "leftover" or "remaining." Hence, eleven would be "one left over" and twelve "two left over." This would imply the common maximum of counting was ten... or that you ran out of fingers.

That's all for this week! Tune in next week for "Miscellaneous Meanings," Part II.

## Food For Thought

By Judy Wolfram

Okay, we've talked about pumpkin pie and using the seeds. Now let us see some real pumpkin recipes.

You can use your own peeled, cut, cooked and cleaned pumpkin or go off to the store and buy a can or two. We're going to start first with a

### Pumpkin Log.

You need:  
3 eggs  
2 3/4 cups of pumpkin  
1 cup sugar  
1 teaspoon baking soda  
1/2-teaspoon cinnamon  
3/4 cup all-purpose flour

Grease a 10x15 inch cookie sheet lines with aluminum foil. Mix together all of the above ingredients and pour onto the cookie sheet. Sprinkle with 1/2 cup ground nuts of your choice if you wish. The nuts are optional. Bake at 350 for 15 minutes. Test for doneness. Turn onto a towel that has been sprinkles with granulated sugar. Let it cool.

### Filling for center:

2 tablespoons soft butter  
8 ounces softened cream cheese  
3/4 tablespoon vanilla  
1 cup powdered sugar  
Mix all ingredients together until smooth.

Spread evenly on cake and roll like a jelly roll. Sprinkle with powdered sugar, wrap it in the tin foil on the cookie sheet and refrigerate. Slice it after a few hours of cooling.

### Pumpkin Bread or Muffins

You will need:  
1-16 ounce can of pumpkin  
2/3 cup of water  
1 cup of canola oil  
4 eggs  
3 cups of white sugar  
Sift together:  
3 1/2 cups of all-purpose flour  
1 1/2 teaspoon of salt  
1/2 teaspoon of nutmeg  
1 teaspoon of cinnamon  
2 teaspoon of baking soda

Beat the eggs and add oil, water and pumpkin slowly. Mix after each addition, beat the mixture for at least 3 minutes. Add sugar and dry ingredients slowly. Mix well after each addition. Mix all of this for at least 5 minutes. Grease 3 medium sized loaf pans or 2 large loaf pans and fill each one half full. Bake 50 to 60 minutes at 325. Check with a toothpick for doneness. In the good old days they used a bloom straw.

### Pumpkin Cookies:

You need:  
1 cup Crisco  
1 egg  
1 teaspoon baking powder  
1 teaspoon cinnamon  
1 teaspoon vanilla  
1 cup raisins (optional)  
1 cup pumpkin  
2 cups all-purpose flour  
1 teaspoon baking soda  
1/2 teaspoon salt  
1/2 cup nuts (your choice-optional)  
1 cup sugar  
Mix shortening, sugar, pumpkin, vanilla and egg together until fluffy. Add flour, baking powder, baking soda, cinnamon and salt slowly and mix well using

add nuts and raisins in with a spoon. Drop on greased cookie sheet by teaspoonfuls. Bake at 325 for 10 to 12 minutes or until down. Let them cool and ice them.

### Icing

You will need:  
3 tablespoon butter  
1/2 cup brown sugar  
4 tablespoons of milk  
1 cup confectionary sugar  
3/4 teaspoon vanilla  
Boil butter, brown sugar and milk for two minutes stirring constantly! Let cool add sugar and vanilla. Beat until smooth and creamy. Ice when all are cool. Yields 3 1/2 dozen cookies.

Next week Zucchini recipes. Enjoy!!!

### Game Results from Sunday, Oct. 8th

On Sunday October 8th the Webster County Mountaineers travelled to Calhoun County to close out the regular season. Webster County was not able to send their flag team due to illness with their players so we was able to put together a team of A team boys at the last minute so our flag team could play their final game. At the beginning of the game the size difference made it look like the flag team would be in for a rough day. However, it seemed that every time the older boys was ready to pull a flag they got juked out of their shoes and couldn't stay on their feet. And every time the older boys were able to score a touchdown it was called back because of a penalty. This ended up with the flag team pulling out an impressive 11-0 victory to end their season. Flag players who found their way into the endzone to score touchdowns on the day was: Gunner Burrows, Jace Nicholson, Charlotte Bain, Jaxon Snodgrass, Hal'Lee Hughes, Elijah Yeager, Henry Poore, Spencer Parsons, River Parsons, Aaron Cunningham and Rylan Sampson.

C Team had a tough game coming into the day as they were tied with Webster County in the standings. The winner would be the 3 seed with the other team being the 4th seed. Calhoun had the ball late in the 4th quarter down by a score of 24-18, The Little Red Devils were driving the ball but came up just short as they ran out of time before being able to punch it in the endzone to tie the game. Calhoun had 3 touchdowns on the day from Bryson Swisher.

B Team was able to lock down the 2 seed in the South Division by getting the 49-0 win over the Mountaineers. The win moved Calhoun to 7-1 on the season. The Red Devils had 5 different players score touchdowns on the day. Josh Hardbarger had 3 touchdown runs, Brantley Schoolcraft had 1 rushing touchdown and 6 extra point rushes, Haygan Houchin and Judd Helmick also added rushing touchdowns. Jase Farley added a defensive touchdown as well when he stripped the ball from the opposing ballcarrier and took it 35 yards for a touchdown. Colten Heiney rounded out the scoring for the day by adding an extra point rush.

The A team finished off the day with a 45-0 victory over Webster. This win moved the Little Devils record to 7-1 for the season and also locked the into the 2 seed for the south division. Calhoun had 4 different players score touchdowns on the day. Bentley Snodgrass, Tyler Mayle, Wyatt Lawson and Braydon Hardway all scored touchdowns running the ball. Calhoun also added 2 touchdowns through the air when Tyler Mayle and Wyatt Lawson had receiving touchdowns from Liam Yeager passes. Braydon Hardway added a defensive touchdown when he scooped up a fumble and took it back 30 yards for a touchdown. Scoring was rounded out for the day by Landon Hawkins, Chandler Cottrell and Clayton Foster scoring extra point rushes.

With the regular season being concluded all 3 Calhoun teams will be preparing for the playoffs. This will be the 3rd time in 5 seasons that Calhoun has sent all 3 teams into the playoffs. Each team will play on this coming Sunday October 15th at Williamstown. C team will play #1 seed St. Marys at 10 am. B team will be the 4th game of the day when they take on #3 seed St. Marys. Game time will be approximately 2:30 pm. The A Team will finish up the day playing the 6th game of the day with an approximate start time of 5:30 pm when they play #3 seed Ritchie County.

## YELLOWJACKETS STING RED DEVILS

By Robert Bonar

Last Friday night, the Calhoun County Red Devils returned to the friendly confines of the home stadium after 3 consecutive road games and an open week. The Red Devils' opponent was the #1 ranked Williamstown Yellowjackets. It was the first meeting between the two teams since 2011, when the Yellowjackets defeated the Red Devils in Williamstown. This game ended much like that last encounter, with Williamstown emerging a 62-7 victor.

The visitors scored five times in the first quarter, then twice more in the second to take a 49-0 lead at the half. Two more touchdowns in the third quarter ended the Yellowjackets' scoring at 62 points.

Although it didn't result in a score, Calhoun County had the highlight play of the night early in the second quarter. Facing a fourth-and-four and midfield, the Red Devils executed a successful fake punt. Adam Hughes took a direct snap on the play and burst through the Williamstown defense for a 33-yard gain. The drive stalled there, however, and the Red Devils would have to wait until later to find the end zone.

The Red Devils avoided the shutout by scoring on the first play of the fourth quarter. The drive began on the Calhoun 26, and culminated with a 25-yard run by Jayton Gibson. Gabe Waldron kicked the extra point to set the final score at 62-7.

Friday night's contest was the first of five consecutive home games that will close the season out for Calhoun County. The next visitor to the Calhoun County Athletic Complex will be the Wirt County Tigers. Kickoff is this Friday at 7:00.

## Grantsville Pickleball Club

The Grantsville Pickleball Club is growing! What started out as a few friends cleaning up the old tennis courts in town to get some exercise has turned into an official group.

We play on Tuesday and Thursday nights at 7:00, weather permitting and are averaging 12-15 players.

The best part is there are people there of all ages, abilities, and athleticism. There are even some who come to just watch and socialize. Equipment is provided for newcomers to give the sport a try.

Recently, the city has gotten behind this new endeavor and is working to update and refurbish the courts.

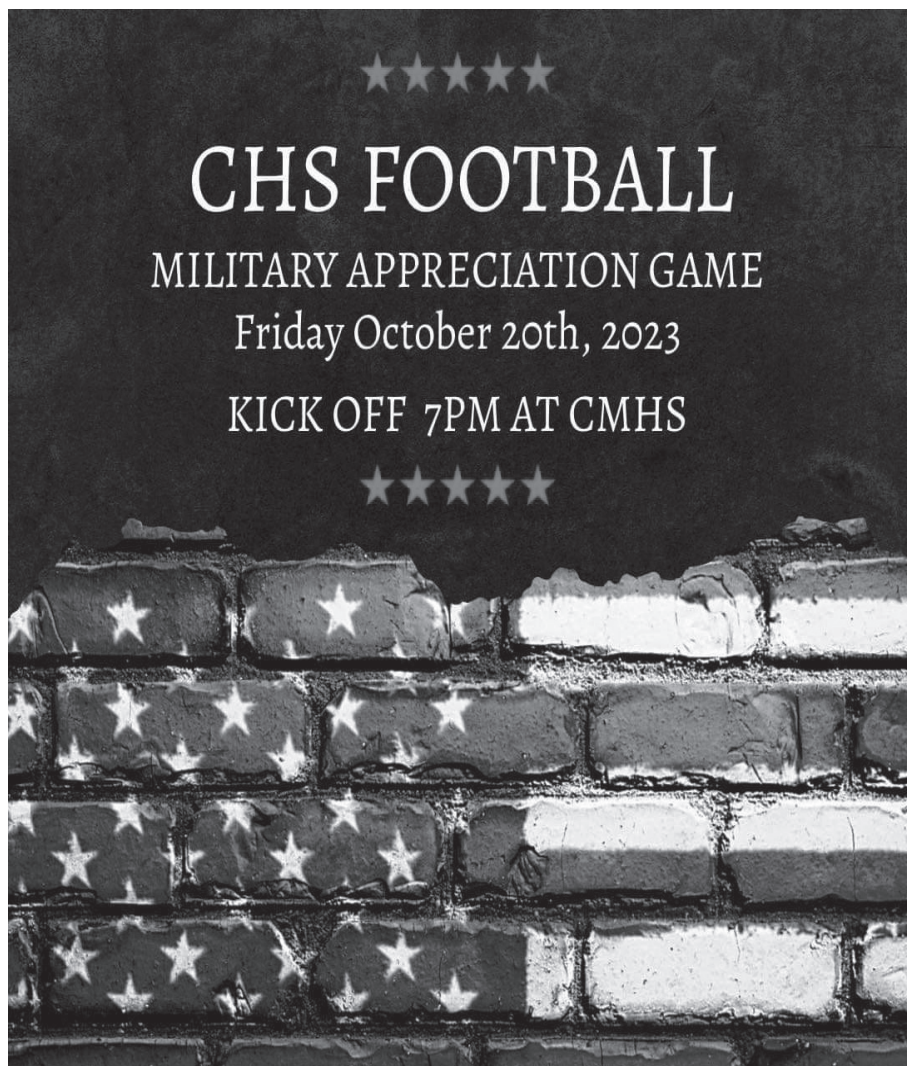

Come on out and watch everyone play if you are not sure what the game is all about. A fun time will be had by all who come out to play.

Everyone is welcome! Come join us Tuesdays and Thursdays at 7:00 p.m. for some fun, fellowship, and physical fitness. We have found our Winter Season Home in the NYA Building.

Little Rowels Run, Creston -- CHEAP AND STEEP, YES YOU READ THAT CORRECTLY. This property has a small area to pull a camper on or build a tiny home. Other than that, the 46.10 (recently surveyed) acres has very extremely steep topography, all wooded, no utilities available, no neighbors within sight, and property is priced accordingly. Come make us an offer and figure out what you can do with this property. \$44,900.

435 High Street, Grantsville -- In the 1930s, they built them to last! This beautiful 4-bedroom, 1.5-bathroom brick home sits in downtown Grantsville. Original hardwood floors, oak steps/hand railings and 6 fireplaces! (Currently housing gas space heaters.) On the main level, you have a living room, family room, kitchen, dining room, sunroom, mud room, and half bath. Upstairs, you will find all 4 bedrooms and a full bathroom. Inside the main bedroom there is a huge walk-in closet and a normal closet with a window that overlooks the Koi Pond in the side yard. Almost all windows have been replaced with new vinyl windows. Washer and dryer are in the basement. Have children or animals? The private back yard has a brand-new privacy fence that was installed in 2021. This property is on street city parking or you can use one of the 2 off-street single car garages. If you are looking for that historic-style home, with a small-town feel, this is it! This home is conveniently located across the street from a 24/7 critical access hospital and within walking distance to a few stores, restaurants and more! \$199,900. Price Reduced to \$189,900.

256 Carroll Road, Big Bend -- 1.21 Acres +/- Looking for your very own fishing camp or mini-RV camp? This 1.21-acre lot with 30 amp hookups with water and septic in place may be what you're looking for. This river camp comes with a large storage shed to store all your camp necessities and toys. Site also has a metal carport that can be used for vehicle cover or picnic tables. So, if you're looking for a place to just get away or maybe a way to make some extra income, this camp has loads of potential. Also, with today's housing costs, you could live cheap with your own RV on this site. Located next to the property is a natural gas compressor that does make noise when turned on. \$34,900.

**PUBLIC SERVICE COMMISSION  
OF WEST VIRGINIA  
CHARLESTON**

CASE NO. 23-0654-G-390P  
MOUNTAINEER GAS COMPANY  
Infrastructure Replacement and Expansion Program  
Filing for 2024

**NOTICE OF FILING AND HEARING**

On July 31, 2023, Mountaineer Gas Company (Mountaineer) filed its annual Application for approval of an Infrastructure Replacement and Expansion Program for 2024 (2024 IREP) with revised IREP rates for 2024, pursuant to W.Va. Code § 24-2-1k, which authorizes the Public Service Commission of West Virginia to approve cost recovery of projects to replace, upgrade and expand natural gas utility infrastructure that are deemed to be just and reasonable and in the public interest.

In its Application, Mountaineer forecasts capital investment for calendar year 2024 of \$67 million as part of its multi-year plan. The 2024 IREP covers several categories of plant asset replacements and improvements, including mains, service lines, measurement and regulator stations, and house regulators. These plant investments are proposed to be made in Mountaineer service territories throughout the State. These investments are identified in the Application, which is on file and available for public inspection at the Commission's offices at 201 Brooks Street, Charleston, West Virginia and which may be viewed on the Commission's website, [www.psc.state.wv.us](http://www.psc.state.wv.us).

Mountaineer proposes to recover costs associated with these investments through an additional increment within the fixed or volumetric base rate component of its rates, depending on the applicable rate schedule under which service is rendered, to be effective on January 1, 2024. As a part of Mountaineer's pending general base rate proceeding, Case No. 23-0280-G-42T, IREP investment made prior to January 1, 2023, will be moved into new base rates to take effect on January 1, 2024. Mountaineer projects that if the program and increased rates are approved as requested, the average monthly bill for its various classes of customers will be changed on January 1, 2024 as shown below:

Mountaineer Gas Proposed		
Type of Customer	\$ Increase	% Increase
Residential	\$ 1.93	1.96%
Commercial	\$ 5.26	1.33%
Large Commercial (*)	\$ 272.07	0.45%
Industrial (*)	\$ 363.56	0.47%
Resale	\$ 31.49	0.29%

\*) Increases for Large Commercial and Industrial customers assume transport customers purchase their natural gas at the same price as the Company's Purchased Gas Adjustment rate.

The increases shown above are compared to the rates currently in place and are based on averages of all customers in the indicated class. Each class may receive an increase greater or less than stated here. Individual customers may receive increases that are greater or less than average. Furthermore, the requested rates and charges are only a proposal and are subject to change (increase or decrease) by the Public Service Commission in its review of this filing. Any increase in rates and charges will not become effective until authorized and approved by the Public Service Commission.

The Commission set a procedural schedule, including a hearing date on the Application, if necessary, that will begin at 9:30 a.m. on November 27, 2023, continuing on November 28, 2023, if necessary, in the Howard M. Cunningham Hearing Room at the Commission's offices at 201 Brooks Street, Charleston, West Virginia. If no opposition to the Application is received by the Commission within one week of the hearing date, the hearing may be waived and the Commission may issue a final order within 150 days of the Application filing date.

Anyone desiring to intervene should file a written petition to intervene within 20 days following the date of this publication unless otherwise modified by Commission order. All requests to intervene should briefly state the reason for the request to intervene and comply with the rules on intervention set forth in the Commission's Rules of Practice and Procedure. The Commission will receive public comments until the beginning of the hearing. All written comments and requests to intervene should state the case name and number and be addressed to Karen Buckley, Executive Secretary, P.O. Box 812, Charleston, West Virginia 25323. Public comments may also be filed online at <http://www.psc.state.wv.us/scripts/onlinecomments/default.cfm> by clicking the "Formal Case" link.

## Mt Zion PSD Holds Meeting Oct. 2nd

By Melissa West

The Mt. Zion Public Service District board met for their monthly meeting on Monday, October 2nd, 2023, being called to order by Anita West.

Newly appointed Board Member Aryeh White explained in order to conduct business they must follow Roberts Rule of Order and he came prepared with a copy (816 page book) to explain the proper procedures for holding meetings in an attempt to bring order to chaos. The opening of the meeting seemed disconcerting to the Board as Mr. White attempted to explain the procedure for conducting a meeting that did not have an active chair. The meeting would be “Pro Tempore,” “Pro tempore” which is a Latin phrase that translates to “for the time being”. It’s often used to describe a person who acts as a placeholder in the absence of a superior. So for that purpose, Anita West, as Secretary made a motion to appoint Ari White as the newest member of the Mt. Zion PSD Board, with a second from Robin Hughes. Once the matter was passed by a unanimous vote, Robin Hughes then nominated Ari White to become Chair person of the board, Anita West abstained from voting.

Newly elected Chairman Aryeh White obtained from voting on the approval of previous meeting minutes because he had not read them, the motion carried with a 2-0 vote from Board Members Robin Hughes and Anita West. With several matters having already been discussed at length using the Roberts Rules of Order, Jeremy Westfall, Operator, asked Mr. White where he had come up with all the aforementioned rules. To which Aryeh White responded, from the book of Roberts Rules of Order which had been around for greater than 100 years and he showed him the book he brought with him.

Following the approval of the minutes, public comments and concerns were addressed. Ronald Brown, a water customer as well as an employee of Calhoun Homes asked when a specific hydrant had been last flushed at Calhoun Homes. When no satisfactory answer was given Mr. Brown said that Mr. Westfall was not doing his job. To which Mr. Westfall responded, “I guess so.” Robin Hughes, Board member as well as Manager of Calhoun Homes stated that she had spoken to the WV State Fire Marshall’s office who had informed her that the line should be flushed from the appearance of the water. Jeremy Westfall responded by saying that the line did not belong to the PSD, but rather Calhoun Homes so it was their responsibility, but Mr. Brown concluded that it was an issue with the PSD because they had the right of way. Mr. Westfall said that in order to flush the meter as had been requested the Mt. Zion PSD Board would need to come up with \$20,000 to \$30,000 to cover the cost. Mark Sankoff, Engineer for Protesta stated that it was a private line, but that it needed flushed. At this time Ari White interjected saying that if it was the opinion of the WV Fire Marshall that mattered, it should be gotten in writing. The Board would need to clarify whose role it is to flush the line and the amount it will cost. Because of the verbal content of the meeting that was getting out of control, Ari informed all those present that from this point forward everyone would stop the finger pointing, address everything to him as chair or he would call them out of order.

Ronnie Brown proceeded to address Aryeh White, with his concerns that he didn’t like coming into the office and learning facts about other people’s water bill, what they owed, etc. Mr. White said that it sounded like that could be a matter of liability and breach of contract. Iona Rhodes then spoke up and asked if Board Members should be allowed to call ask about others peoples bills. Board President Ari White stated that the Mt. Zion PSD would adopt a written procedure to prevent further liabilities. Anita West said that they should first see if their current rules and regulations covered it.

Mark Sankoff, Engineer for Protesta updated the PSD that they were continuing to update the plans to replace the booster station on Phillips run, paint the fencing at the Sand Ridge tank, replace a 2” line at Sycamore, determine what Radio meters need to be replaced, update the PRV going into Arnoldsburg, and look inside and inspect the tank. Mike Hersman of WV Rural Water offered to provide a drone that could look inside the tank to determine its condition. Mr. Sankoff also informed the PSD Board that he would be providing a pressure gauge to Jeremy Westfall to put on a meter tile to check the water pressure every 30 seconds on the Grantsville side of the Booster station.

Jake Frady of the Mid Ohio Valley Regional Council reported to the board that there was an issue with an invoice of Dunn & Thrasher for “Special Services,” that was denied when they attempted to shift funds to pay it, but they were in agreement to pay a partial payment of \$60,281.43 to Thrasher which the Board approved.

A motion was made by Anita West for the approval of Iona Rhodes as Mt. Zion PSD Secretary, stating that no objection had been made by the PSD attorney when contacted about Rhodes relationship with Jeremy Westfall. However, neither Robin Hughes, nor Ari White would approve her hiring. The discussion was moved into executive session to reconsider the objection but after the executive session ended the matter was tabled to be discussed again next month.

With regard to the Mt. Zion PSD’s request for financial assistance from the Calhoun County Commission, Ari White recommended that a financial statement be provided to the Commission upon making the request so that they could lead by example.

A motion to pay invoices was approved, of which the amount of \$12,353.15 was due to the Town of Grantsville for the September Water usage wholesale. Anita West informed the group that she found a check where the Mt. Zion PSD paid One Call system. Aryeh White suggested a letter be written and delivered to the Pleasant Hill PSD about this situation. After the meeting it was discovered that a deposit was found that showed that Pleasant Hill PSD did pay for their share of the One Call system they shared.

Jeremy Westfall reported that all required reporting notices were up to date and there was no longer an issue with e.coli. Ari asked if the State site reflected such, to which Westfall said it did.

The Mt. Zion PSD rate increase went into effect raising the current base bill of \$36.48 to \$44.16.

Regarding the Consolidation, Mr. White asked what the current status was and was informed that the matter stalled in August with no other information given. The meeting was adjourned. Next Meeting will be held on November 6, 2023 at 2 p.m.

## Pleasant Hill PSD Holds Meeting Oct. 2nd By Melissa West

The Pleasant Hill PSD Board met the Board Room of the Town of Grantsville at 4 p.m. on Monday, October 2nd, 2023. Board members present were Tammy Yoak, Allen Dawson and Eric Cain. Following the approval of minutes the board voted to adopt a Drug Free Work Place in accordance with the USDA as well as a Fire Hydrant Policy.

The Norman Ridge Project was discussed reporting it was moving along. The remaining items requested from the USDA was completed, they required at least 62 households to agree to the water and it was time consuming since the maps they are using are not up to date. Board Member Tammy Yoak informed the crowd that there are now available ARPA funds in the amount of \$250,000 to be utilized towards the project.

With regards to the 2023 Audit, Secretary Stephanie Good informed the board that she had been working on it. Tammy Yoak mentioned several times during a recent training that she had learned many things that she was either unaware of or did not know needed accomplished, such as a workplace handbook. She and Allen Dawson will work on getting samples from other PSD’s to create and adopt one of their own.

Jacob Bunner, Operator for Pleasant Hill PSD reported to the board that his Monthly Operational Reports were completed and sent in, their reporting was in compliance and he was working toward updating lead and copper sites as well as addresses associated with his bacti samples. By way of work being done in the system he reported that he had fixed 2 leaks, one at Pleasant Lane and the other at Leaf Bank and that two taps were due to be installed this week. Other discussions involved a leak at the home of Gary Smith and a leak on Leading Creek Road. The Annamoriah Project which has been a hot topic at Calhoun County Commission Meetings is at the forefront of planning with the PSD. The first matter of business regarding the project was to hire an Engineer to move the project forward. Two Engineer firms applied, Boyles Hildreth as well as New River. When it came to making the determination the Pleasant Hill PSD went with Boyles Hildreth because of their area knowledge, experience and assurance that there would be no problem with delays. With the current number of Water customers needing service the cost of the project would be \$125,000 per home. That amount could be reduced if more customers would come on board for service and property values could be increased because of the availability of water. Calhoun citizen, Charlotte Blair, who has kept the feet of all parties to the fire was asked and accepted the job of recruiting more homes in the area to reduce the cost. Other area for service that was discussed was the Munday Road which had all but been determined to be removed from the newest project. When Charlotte Blair explained circumstance along the route and the desperate need the PSD Board agreed to reconsider. The board entered into an executive session to discuss personnel and the meeting was later adjourned.

**Cooking safety is the theme of this year's Fire Prevention Week**

CHARLESTON, W.V. – As Fire Prevention Week™ approaches, the WV State Fire Marshal's Office reminds residents that "Cooking safety starts with YOU. Pay attention to fire prevention".

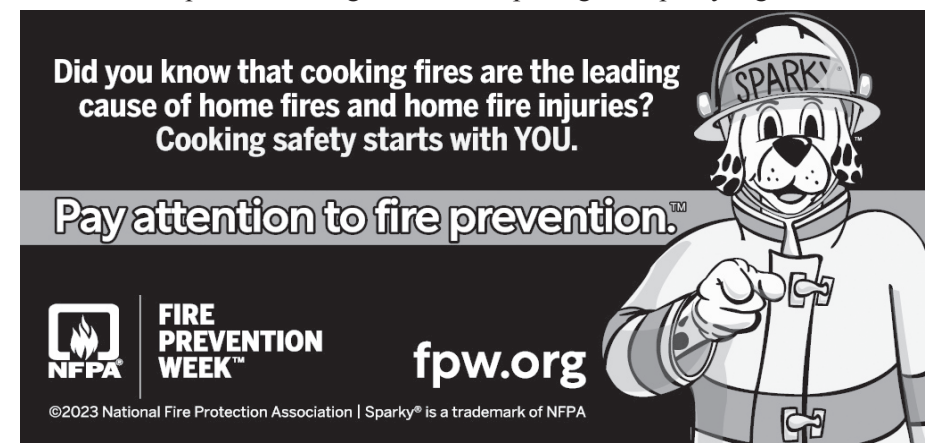

According to the National Fire Protection Association, cooking is the leading cause of home fires and home fire injuries in the United States. Unattended cooking is the leading cause of cooking fires and deaths. The WV State Fire Marshal's Office encourages all residents to embrace the 2023 Fire Prevention Week theme.

The WVSFMO wants to share these key home fire escape planning tips:

1. Watch what you heat. Always keep a close eye on what you are cooking. Set a timer to remind you that you are cooking.
2. Turn pot handles toward the back of the stove. Always keep a lid nearby when cooking. If a small grease fire starts, slide the lid over the pan and turn off the burner.
3. Have a "kid- and pet-free zone" of at least 3 feet (1 meter) around the stove or grill and anywhere else hot food or drink is prepared or carried.

This year's FPW celebration also includes the 6th Annual WVSFMO Fire Safety Poster Contest.

Posters with relevant fire safety themes will be chosen from hundreds of student participants. 12 statewide winners within the grade levels ranging from kindergarten to 5th Grade will then see their artwork displayed on the 2023 WVSFMO Fire Safety calendar. For more information about Fire Prevention Week and fire prevention in general, visit fpw.org and sparky.org.

**Gov. Justice announces more than \$800,000 in Sexual Assault Services Program grant awards**

Contact: Jordan Damron, Director of Communications, Assistant Legal Counsel, Jordan.L.Damron@wv.gov or CJ Harvey, Press Secretary, C.J.Harvey@wv.gov

Thursday, October 5, 2023--CHARLESTON, WV — Gov. Jim Justice announced today that he has awarded \$801,797.00 in West Virginia Sexual Assault Services Program grant funds to the West Virginia Foundation for Rape Information and Services.

These funds will be used to provide and expand direct services to victims of sexual assault throughout the state.

The Sexual Assault Services Program was created by the Violence Against Women and Department of Justice Reauthorization Act of 2005 and provides grant dollars to states and territories to assist them in supporting rape crisis centers that provide core services, direct intervention, and related assistance to victims of sexual assault.

These funds are administered by the Justice and Community Services (JCS) Section of the West Virginia Division of Administrative Services (DAS).

Funds were awarded to the following:

Foundation for Rape Information and Services — \$801,797.00

These funds will be utilized to identify, provide and expand direct services to victims of sexual assault in the state. The sub-grantee will provide monitoring and technical assistance to the eligible Sexual Assault Programs in the state.

**DHHR Highlights Resources During Breast Cancer Awareness Month**

CHARLESTON, W.Va. – The West Virginia Department of Health and Human Resources (DHHR), Bureau for Public Health joins partners across the nation to highlight services available to West Virginians during Breast Cancer Awareness Month.

The West Virginia Breast and Cervical Cancer Screening Program (WVBCCSP), within DHHR's Bureau for Public Health, Office of Maternal, Child and Family Health, helps low-income, uninsured, or underinsured women gain access to breast and cervical cancer screening services.

"The West Virginia Breast and Cervical Cancer Screening Program provides resources to decrease cancer incidence, morbidity, and mortality by focusing on populations who are underserved and who have increased cancer risk due to health inequities," said Dr. Matthew Christiansen, State Health Officer and Commissioner of DHHR's Bureau for Public Health. "Through the program, uninsured or underinsured West Virginians have the availability to receive screening and information on risks and preventive measures."

The WVBCCSP eligible population includes those who are uninsured or underinsured, at or below 250% of the federal poverty level, aged 40 to 64 years for breast cancer services, and aged 21 to 64 years for cervical cancer services.

Those who are symptomatic or high-risk under the age of 40 and those over the age of 64 who do not have Medicare Part B may also receive services through the program.

Individuals who are interested in resources provided by WVBCCSP may visit dhhr.wv.gov/bccsp to view the "Find a Provider" section organized by county.

**NEWS FROM THE DEMOCRATIC VIEWPOINT FUND UKRAINE! MAGA REPUBLICANS WEAKEN**

**AMERICA - AGAIN**

By Deirdre Purdy

In February 2022, Russia, unprovoked, invaded its neighbor Ukraine. Putin thought Ukraine would roll over. It hasn't. Instead, the world now suffers the largest conflict since WWII.

American support for Ukraine is critical to Ukraine's fight against Russia, but 41 other countries have also joined the defense, supplying money, arms, security, and humanitarian help. President Biden leads these efforts, strengthening America's leadership in the world.

Now, Republican chaos in Congress threatens the war effort and American military strength.

Last week, the US House of Representatives threw out Speaker McCarthy after he worked with Democrats to fund our country for the next 45 days. McCarthy's 45-day deal gave only one sop to right-wing Republicans: no funding for Ukraine to fight the Russian invasion.

Far right Republicans punished McCarthy for working with Democrats. McCarthy blamed Democrats for the deal he brokered, so they offered him no support. Down he went.

Now our government is only funded until mid-

November. There is no Ukraine funding. Eleven funding bills need to be passed. The House is leaderless. It can do no other work until a speaker is elected.

MAGA Republicans, egged on by Trump, propose speaker candidates who promise to stop all Ukraine funding, like Jim Jordan (R-OH). (If elected, Trump promises to end the war on the first day by giving Ukraine to Putin.) WV Representative Alex Mooney immediately announced he supports Jordan for Speaker.

Up until now, US support for Ukraine has been strong and bipartisan. Russian imperialism is being stopped with money, not lives. No American soldiers are dying.

Our Ukraine aid shows China and other global competitors that the United States has the will and the ability to protect our interests, our allies, and ourselves. By supporting Ukraine's fight, we deter further Russian aggression, we invest in global security and democracy, we strengthen US credibility with our allies, and we warn our competitors not to act against US interests. If we don't support Ukraine, we practically invite China

to take Taiwan.

A defeat in Ukraine would be a massive setback for democracy and usher in a more dangerous and unstable world.

The American people understand this. Once again, MAGA Republicans are out of step with public opinion: 64% of all Americans view NATO and Ukraine positively, 91% of Americans view Russia negatively, and 64% of all Americans see Russia as our enemy.

MAGA Republicans run in gerrymandered districts that are packed so full of right wing Republicans that their only fear is to be primaried by someone even more outrageous, someone even more willing to throw sand in the gears of our government to serve their own narrow MAGA interests instead of America's.

The Republican party has been taken over by a dangerous faction of anti-American bullies, ready to save money by selling out democracy. If America walks away in Ukraine, Putin will win a big victory for the rule of force rather than the rule of law.

Tell Alex Mooney he's on the wrong side on Ukraine. Then vote like you mean it.

**Calhoun Democratic Executive Committee Meeting**

Calhoun Democrats are meeting Thursday, October 19 at 6 pm in the little courtroom of the county courthouse? All Democrats Welcome.

**Public Service Commission Chairman Lane's Column Tips for Energy Efficiency Day**

October 5 is Energy Efficiency Day. Here at the Public Service Commission, we want to help you find ways to save energy every day. Before we can begin to practice energy efficiency, we need to understand the ways we use energy. And that has seen some changes in recent years.

Are you the happy owner of an electric vehicle? Do you still have Mom's microwave? Are you saving money by cooking more meals at home rather than dining out or ordering in? These are all things that can increase your utility bills.

The switch to an electric car can bring a big surprise. The dollars you once spent at the gas pump will now show up on your higher electric bill. Some people forget to factor that in when considering that choice.

The age of an appliance can make a difference in the amount and duration of power it draws.

Newer, more energy efficient models can bring significant savings, and will even pay for themselves over time.

It is difficult to quantify exactly, but people have been spending more time at home since 2020.

Since the COVID-19 epidemic, many Americans choose to dine in and entertain at home.

Here are a few things that I found out by looking for ways to cut costs.

Air conditioning and heating generally are the highest energy cost factors in a home, according to a report by Direct Energy. The same group says lighting accounts for an average nine percent of household energy costs.

Forbes magazine, quoting figures from the Environmental Protection Agency, says it costs \$500 to \$600 a year to fuel the 10 most efficient electric cars. That's based on the cost to drive 15,000 miles annually in combined city and highway use. By the way, Forbes also says it is cheaper to charge your vehicle at home than at public charging stations.

The U.S. Department of Energy's website at https://energy.gov has an energy saver page that lets you calculate your annual electricity consumption and costs, and has loads of ideas for conserving resources. It suggests a whole-house energy monitoring system for detailed information on your home's energy use.

You'll also find seasonal energy saving tips on the Public Service Commission's website at ww.psc.state.wv.us. I hope these ideas will help you make your home more energy efficient.

**WAG : HELP with FERAL CAT COLONIES**

The Welfare of Animals Group (WAG) is asking Calhoun county residents to help us address a long-observed problem with our animal community - feral or community cats. If you feed a feral cat colony in your neighborhood, or know someone who does, please call Linda at 304-354-7506 or notify us via our email calhounwag@yahoo.com.

Our humane and effective Trap-Neuter-Return (TNR) program's volunteers will live trap the cats, take them to the vet to be spayed or neutered, vaccinated for rabies, respiratory disease, worms, and fleas, and returned them to their outdoor home, at no cost to the colony's caretaker.

The colony will be healthier and no longer producing unwanted kittens. At 4 months old a female kitten can start breeding, and can have 2 or 3 litters per year. A mother cat nursing a litter of kittens goes back into heat when the kittens are only 3-4 weeks old. Removing cats from an area (catching and killing) is useless. When cats are removed from an area, then new, unsterilized cats move in to take advantage of available resources – and begin reproducing. This well-documented natural trend is known as the "vacuum effect." Trap-Neuter-Return stops the breeding cycle and eliminates mating behaviors, such as yowling, spraying, roaming, and fighting. Trap-Neuter-Return also benefits public health because community cats are vaccinated against rabies. We can only trap once a month, so please contact us so we can help with a colony.

Charleston, WV – U.S. Senator Joe Manchin (D-WV) will serve as the Special Guest Road Captain for the 8th Annual Ride for Fallen Service Heroes on Friday, October 13, 2023. This year's ride begins at the Gold Star Monument at the WV State Capitol and travels through the New River Gorge to Summersville. Riders will honor Fallen Service Heroes and show their support for Gold Star Families.

"I am honored to again participate in this ride to memorialize those who have made the ultimate sacrifice for our state and nation, and extend our unending gratitude to their families," Senator Manchin said. "Every year, this ride is an awe-inspiring tribute, across the beautiful rolling hills of West Virginia, to our nation's heroes. Our Mountain State is patriotic in the truest sense – West Virginians have answered the call to service more than nearly any other state in the nation. This ride is one way to honor that extraordinary service, and it's a profound privilege to be part of it."

**WVU Medicine Camden Clark and WVU Medicine Children's to host annual Mid-Ohio Valley Gala on October 14**

Media Inquiries: Roger Lockhart, 304-424-2071, 301-706-2003, roger.lockhart@wvumedicine.org or Kathryn Vey, WVU Medicine Children's Manager of Marketing & Communications, kathryn.vey@wvumedicine.org

PARKERSBURG, W.Va. – For the second year, the WVU Medicine Children's Hospital Mid-Ohio Valley Gala will return to Parkersburg to raise funds benefitting local children and their families.

On Saturday, October 14, the Grand Pointe Conference and Reception Center will be transformed into an evening of "Gilded Glamour" including food, music, dancing and both live and silent auctions, with the event program to begin at 6 p.m.

"We are so grateful to all the parts of our state that come together to support our mission. Their help is vital to support our staff, and more importantly our patients at WVU Medicine Children's," Amy L. Bush, B.S.N., M.B.A., R.N., C.N.O.R., chief administrative officer for WVU Medicine Children's, said. "Now that we are celebrating the one-year anniversary in our hospital, that mission takes on a whole new meaning. We will continue to use support like this to grow our healthcare team and programs to be there when our patients need us."

The inaugural WVU Medicine Children's Mid-Ohio Valley Gala held in 2022 contributed to the purchase of a Pacifier Activated Lullaby (PAL) for pediatric patients at WVU Medicine Camden Clark Medical Center through the "Bid for Good" portion of the event program. The PAL device is used to treat premature babies who may need extra care to coordinate critical feeding skills.

Gala guests will also have the opportunity to contribute to the 2023 Bid for Good, which will raise funds to support the purchase of a Fiberoptic Endoscopic Evaluation of Swallowing, or FEES, device for Camden Clark Medical Center. This equipment will benefit local pediatric patients with swallowing disorders, which can have severe impacts on the quality of life for children and their families.

In addition, this year's Mid-Ohio Valley "Gilded Glamour" Gala will honor a very special local child and his family.

Six-year-old Kaiden Rorrer from Beverly, Ohio has overcome many obstacles throughout his childhood. Despite the challenges he's faced, he can rarely be found without a smile.

Kaiden was placed in foster care at an early age, and required hospitalization for a traumatic brain injury he suffered shortly after turning two years old. He received treatment at WVU Medicine Children's in Morgantown

where he spent time in the Pediatric Intensive Care Unit. Kaiden required further inpatient care in a rehabilitation facility after being released from WVU Medicine Children's.

Following his hospitalization and rehabilitation, Kaiden reentered foster care. In 2020, Kaiden's former occupational therapist, Kayla Rorrer and her husband Jordan, welcomed Kaiden into their home. The Rorrer family has since adopted Kaiden and he has become a big brother to his sibling, Luca.

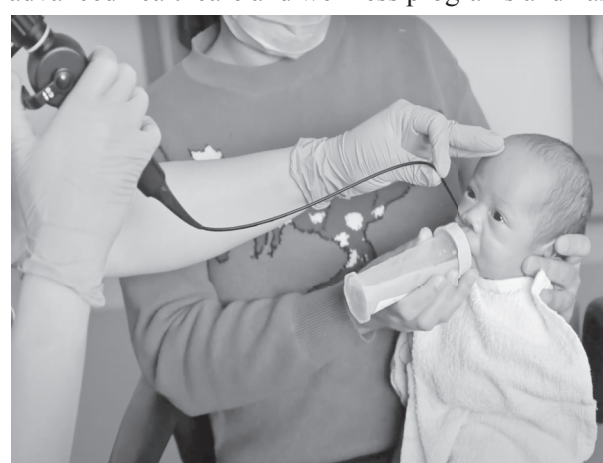

Kaiden remains under the care of specialists at WVU Medicine Children's as he continues to heal and progress toward recovery.

Tickets to the WVU Medicine Children's Mid-Ohio Valley Gala can be purchased at [movchgala.com](http://movchgala.com). The last day to purchase is October 12.

WVU Medicine Children's would like to thank this year's presenting sponsor, who wished to remain anonymous, and Panhandle Cleaning & Restoration for sponsoring the décor.

For more information about all of the programs and services offered by WVU Medicine children's, visit [WVUKids.com](http://WVUKids.com).

About Camden Clark Medical Center: Camden Clark Medical Center (CCMC) is a 302 licensed-bed, not-for-profit, acute care facility that serves the Mid-Ohio Valley, an 11-county region of 250,000 residents of West Virginia and Southeastern Ohio. CCMC provides a broad range of services, offering the latest in medical technology and a highly trained staff. As the community's hospital for 125 years, CCMC plays a leading role as the region's primary source for advanced healthcare and wellness programs and has earned accreditation from

The Joint Commission. Camden Clark has earned the distinction of one of America's 250 Best Hospitals by Healthgrades, placing it in the top five percent of hospitals nationwide for overall clinical performance. **SMART529 AGAIN RANKED TOP COLLEGE SAVINGS PLAN IN U.S.**

CHARLESTON, W. Va. – State Treasurer Riley Moore today announced the state's SMART529 WV Direct college savings plan has again been ranked as the top direct-sold 529 plan in the country, according to the popular nationwide college planning website SavingForCollege.com.

"We're incredibly proud SMART529 remains hands-down the best option in the country for saving for your child's education," Treasurer Moore said. "These rankings should give families a tremendous amount of confidence in opening or depositing funds into a SMART529 WV Direct Plan. We always tell people, 'It's never too early to start saving for your child's future,' and these rankings show when you invest with SMART529, you'll get the best bang for your buck."

The SMART529 WV Direct Plan was ranked first in the nation in 5- and 10-year performance during the most recent rankings covering the second quarter of 2023. The website analyzed the performance of more than 3,000 529 investment options nationwide to come up with its rankings.

SavingForCollege.com noted the SMART529 WV Direct Plan "offers outstanding flexibility, attractive investments, and additional economic benefits (such as generous state tax incentives) that for some people, at least, will provide a substantial boost to their savings. There are few, if any, weaknesses noted in the program."

A direct-sold plan is one in which a person can directly sign up for the plan, without it being sold through a financial adviser. West Virginia's SMART529 WV Direct Plan is open to West Virginia residents and does not have a minimum investment requirement, sales charges or annual maintenance fee.

SavingForCollege.com cited the SMART529 WV Direct Plan's low fee structure and variety of investment options as key factors for its ranking.

Additional benefits include: Contributions being fully deductible from your federal adjusted gross income on your West Virginia income tax return.

Plan beneficiaries who are born or adopted in-state are eligible for a \$100 seed contribution through the SMART529 Bright Babies Program. An e-gifting platform for receiving 529 plan gift contributions. SMART529 is a qualified tuition program issued by the Board of Trustees of the West Virginia College and Jumpstart Savings Programs and administered by Hartford Funds.

As of June 30, the SMART529 program had \$2.8 billion in assets under management, with 38,552 West Virginians invested in the program and 112,482 total accounts from individuals across the country. Complete information about SMART529 is available at [www.SMART529.com](http://www.SMART529.com).

**Attorney General Morrisey Announces Calhoun vs. Williamstown as Opioid Abuse Prevention Game of the Week**

CHARLESTON — West Virginia Attorney General Patrick Morrisey announced his office will feature the Calhoun High School vs. Williamstown High School gridiron matchup as an Opioid Abuse Prevention Game of the Week.

Throughout each week, the initiative engages with student athletes, coaches, school officials and communities across West Virginia. Representatives from the Attorney General's Office inform the respective coaches as to the dangers of opioid use and provide educational material for display and distribution in the schools to foster more discussion of the issue.

The week culminates with the Attorney General's Office staffing an information booth at each of the select sporting events to distribute opioid abuse awareness materials.

"Education and prevention are crucial in blocking opioid abuse and its devastating consequences," Attorney General Morrisey said. "By providing education and informational materials to students and their families, our goal is to end opioid abuse once and for all. Without education, families may not know how easily addiction can begin with treatment for a routine injury. There are real risks to using opioids in pain management and our goal is preventing senseless deaths by making everyone aware of how dangerous these medications can be."

Now in its seventh year, the initiative is part of a broader partnership to tackle opioid use in high school athletics. It involves the Attorney General's Office and the West Virginia Board of Medicine.

Opioid painkillers may temporarily relieve pain, but they do nothing to address the underlying injury and can have serious side effects. The medication also carries striking similarities to heroin.

The Attorney General and his partners are concerned about the unnecessary usage of opioid painkillers to treat athletic injuries, possibly leading to increased dependence, abuse and addiction.

Parents and caregivers are urged to discuss alternative treatment plans with their child's health care provider. Such alternatives include physical, occupational and massage therapy, along with chiropractic medicine, acupuncture and over-the-counter medications.

If an opioid proves necessary, parents and caregivers are encouraged to only use the medication as directed, closely monitor their child's use, safely dispose of any unused pills and talk about the inherent dangers of misuse, abuse and sharing.

**Fairmont State's Folklife Center to celebrate Halloween season with three day festival event**

The Frank and Jane Gabor West Virginia Folklife Center will present the first annual Supernatural Stories and Songs Festival, a three-day event featuring traditional music, dance, and storytelling with a Halloween theme.

The Folklife Center, and the Fairmont area, have long been known for their special connection to otherworldly and haunting lore. The Fairmont State University Library's namesake, Ruth Ann Musick, is most famous for her occult storybook "The Telltale Lilac Bush and Other West Virginia Ghost Tales."

"The Folklife Center wouldn't exist without the supernatural stories Ruth Ann Musick collected from local folks when she taught here at Fairmont State University," says Folklife Center director Dr. Lydia Warren. "With these events, we're honoring her research on the supernatural as it manifests in traditional tales and tunes, and we're making sure these traditions keep on living through free events."

Outside of her legacy as an educator and author, Ruth Ann is also said to have a ghostly connection to the Folklife Center.

"The Folklife Center is also where Ruth Ann Musick lived—and died—when it was an apartment building," said Warren. "Some believe she still inhabits the building and makes it known when she likes and does not like the events. Whether she will attend the Supernatural Stories and Songs Festival events is not yet known."

The upcoming Halloween events will take place from October 26-28. All events are free, open to the public, and will have refreshments available.

On Thursday, October 26 at 7 p.m. the West Virginia Storytelling Guild will present a concert of supernatural stories for ages ten and up. On Friday, October 27 at 6 p.m. the Kennedy Barn String Band will play for a spooky square dance. Costumes are encouraged and the featured square dance callers are Taylor Runner and Lou Maiuri.

On Saturday, October 28 at 4 p.m. the MacAbre Brothers will perform a set of traditional murder ballads. The MacAbre Brothers are a duo consisting of West Virginia musicians Pete Kosky and David O'Dell, who have played together for over twenty years.

The Frank and Jane Gabor West Virginia Folklife Center is located on Squibb Wilson Boulevard in Fairmont. For more information on this event or other Folklife Center programming, please email [lydia.warren@fairmontstate.edu](mailto:lydia.warren@fairmontstate.edu) or call 304-367-4286.

**Marshall University, Marshall Health and Mountain Health Network announce new integrated academic health system**

Contact: Mountain Health Network: Angela Henderson-Bentley, Corporate Communications Manager, 304-526-1854; Marshall Health: Sheanna Spence, Chief Marketing Officer, 304-691-1639; Marshall University: Leah Payne, Director, University Communications, 304-696-7153

HUNTINGTON, W. Va. - Marshall University, Marshall Health and Mountain Health Network announced today the official formation of Marshall Health Network Inc., an integrated academic health system with Marshall University's Joan C. Edwards School of Medicine.

Mountain Health Network has been renamed Marshall Health Network which comprises four hospitals: Cabell Huntington Hospital, St. Mary's Medical Center, Hoops Family Children's Hospital and Rivers Health; ambulatory facilities, medical offices and employed physician practices; along with Marshall Health physician practice and its facilities.

The formation of the system drives the delivery of high-quality multidisciplinary care, provides a forum for training the next generation of health care providers and advances research opportunities aimed at improving the health and wellness of patients and communities across West Virginia and the bordering states of Kentucky and Ohio.

"From primary care and rural health to specialty services, the new system improves access to high quality care for patients of all ages," stated Kevin W. Yingling, R.Ph., M.D., F.A.C.P., CEO of Marshall Health Network. "Our highly trained physicians and staff are dedicated to addressing our region's pressing health issues of addiction, behavioral health, obesity and eldercare. Uniting as a system strengthens our shared commitment to expand research, develop clinical centers of excellence, and offer new medical specialties."

"This moment brings new meaning to the 'Power of We,' unifying our voice and amplifying our academic, clinical and research missions throughout West Virginia and beyond," said Beth L. Hammers, M.B.A., CEO of Marshall Health. "Under the Marshall Health Network banner, we look forward to optimizing resources and initiating a holistic shift in how we deliver health care, how we train future healthcare professionals and how we engage with our communities."

"Today marks a historic milestone in the journey of Marshall University as we officially recognize the new integrated academic health system, Marshall Health Network," said Marshall University President Brad D. Smith. "This transformative initiative represents our unwavering commitment to advancing health care, education, and research for the betterment of our community and beyond. Together, we will build a brighter, healthier future, where innovation and compassion converge to redefine health care excellence."

The organizations will host a joint community event celebrating the integration at 4 p.m. Tuesday, Oct. 17, in the Marshall University Medical Center/Cabell Huntington Hospital Atrium, located at 1600 Medical Center Drive in Huntington.

About Marshall Health Network, Inc.: Marshall Health Network, Inc. is a West Virginia-based not-for-profit academic health system that includes Marshall Health physician practice; four hospitals: Cabell Huntington Hospital, a 303-bed teaching hospital, St. Mary's Medical Center, a 393-bed teaching hospital, Hoops Family Children's Hospital, a 72-bed pediatric specialty hospital within Cabell Huntington Hospital; and Rivers Health, a 101 acute-bed hospital, and the employed physician practices of the hospitals. Cabell Huntington Hospital is a teaching hospital for Marshall University Schools of Medicine, Pharmacy and Nursing, while St. Mary's Medical Center operates St. Mary's Schools of Nursing, Respiratory Care and Medical Imaging.

## Glenville State University's Debate Team Strikes "Gold" at Slippery Rock Tournament

Contact *Quentin Murphy, Glenville State University, Public Relations Department, (304) 462-4115*

Glenville State University's Pioneer Debate team competed in the National Educational Debate Association's (NEDA) Slippery Rock University tournament September 22-23.

The tournament included 74 individual competitors from seven schools: Slippery Rock, Grove City, Dayton, Wayne State, Glenville State, Capital, and IMSA North.

Pioneer Debate's two teams competed in the Novice Crossfire division. Rebekah Hypes (Sophomore Criminal Justice major) and teammate Sandra Crites (Sophomore Education major) finished 3rd overall.

Noah Minor (Sophomore Business Management and Land Surveying double-major) and teammate Victoria Osborne (Sophomore Criminal Justice major) finished 5th overall.

Rebekah Hypes topped all individual scores for a first-place divisional finish, and Noah Minor scored a fifth-place divisional finish.

This was the second tournament for Hypes and Minor. "I believe when I graduate," said Minor, "my ability to stand up for my ideas and share my thoughts will have been greatly enhanced by my time with Pioneer Debate, and I think anyone who wants to be a great leader one day, or just a confident speaker, should have debate in their life." Hypes explained that she appreciates the unique professional development opportunity provided by debate: "Debate makes me a more confident speaker and allows me to become more comfortable with confrontation and argument, which is important for my desired job in law enforcement."

All four of GSU's competitors for this tournament were from Nicholas County. For Osborne and Crites, the tournament was their first-time debating. Osborne extolled the opportunity to generate experience and meet new people from other colleges. Crites, whose education major features social studies, hopes to create her own debate team for middle school social studies: "Before this tournament, I was terrified and wasn't confident with how the debates were going to go. It helped me with my uneasiness with public speaking." Crites added, "Debate has also helped me with being patient with others."

Pioneer Debate next competes in NEDA's online tournament on Saturday, November 4. "You have to be amazed at the work our students put into their success. What they're learning through debate will benefit them the rest of their professional careers and exponentially boost their value as community leaders wherever their paths lead after GSU," said Pioneer Debate's director and coach Dr. Brian Johnston. Glenville State University will host its first NEDA tournament March 15-16, 2023. "This event is going to be huge not just for us, but for the entire campus and city of Glenville community. We've added a whole new level to Pioneer pride and excellence and it's entirely because of these students' commitment and courage."

Dr. Brian Johnston (Department of Language and Literature) and Dr. Josh Squires (Political Science) coach GSU's first debate team in 25 years.

Pioneer Debate seeks funding to support travel to competitive debate tournaments. Contact GSU VP of Advancement David Hutchinson by email (David.Hutchison@glenville.edu) or phone (304-462-6381) to support Pioneer Debate.

PIONEER DEBATE is a co-curricular competitive debate team in the Department of Language and Literature at Glenville State University.

Students develop professional skills in critical thinking, civil listening, argumentation, research, and creative problem-solving through weekly meetings, competitive debates, and campus events.

Participation in Pioneer Debate is open to all GSU students.

NATIONAL EDUCATIONAL DEBATE ASSOCIATION is an academic debate circuit serving the Midwest and Mid-Atlantic regions of the United States

## Queens Corner

By Emma Howell

Local Calhoun resident, Emma Howell who holds the title of Sweethea Festival Spirit Queen 2023 took in the Car Show at the Sutton Fall Festival located in downtown Sutton,

WV. Although there was at least 25 entries, here is her 3 favorite car Emma spoke with the owners and asked about the cars.

The most interesting story concerning the car was for the 1931 Ford owned by Gary O'Brien of Clay County, He said that a retired couple of Hazar Kentucky bought the car and restored it from the front to back, inside and out. The wife had choose baby blue for the paint job. The couple used the car to travel to Arizona 4 times and to Maine 4 times to visit with family member. Then finally when they were ready to really retire, Gary O'Brien purchased the car. Gary is a veteran who enjoys taking his car to classic car shows around the state.
