# H.E. White holds Farewell **Forever event**

#### By Gary Lee Stuber

By Gary Lee Stuber On Sunday morning, April 28, from 11 a.m. to 3 p.m., hundreds of former and present teachers, principals, staff, students and parents gathered at H.E. White Elementary School in Bomont, WV in Clay County to celebrate the camaraderie of at least four decades of service to eastern Clay County families. Tables of photos of photo-graphs representing almost every class from the early eighties from 1980 to the present greeted the public as they came through the door. The "Farewell Forever Dinner and Fundraiser" to raise money for this

dates running for Clay political offices took advantage of the invite, as well. The meal was ham, fried potatoes, green beans, rolls, brown beans, and combread with bottled water or soda. There were a variety of home-baked deserts. Take out dinners were available, but most chose to eat at the tables with former friends or staff they worked with. PTO members were the event sponsors, with President Jeannie Evans and Vice President Lynn Taylor working registration or meeting needs

as they came up. Memories and hugs were shared generously with everyone.

#### **Don and Keyota Jarvis**

#### By Gary Lee Stuber

Don Jarvis is an American Hero. The 96-year-old former Navy Aviator and Clay County advocate had a stroke about five years back and suffers presently with memory issues, but looked bright eyed and bushy tailed with his third wife Keyota Jarvis acting as his advocate, and at times, his voice.

Don was born to Greely and Glad-ys Engle Jarvis. She was a school teacher and Greely operated a store in Amma in Roane County before the interstate would one day divide their property. He had one brother, John and a sister Betty They are John, and a sister, Betty. They are both deceased. Don graduated out of Spencer High School in 1941 and went to Potomac State University for a couple of years and joined the Navy. He was appointed to the Naval Academy at Annapolis Maryland. He graduated from the Naval Academy in 1951. He started flight training upon graduation. He would become a flight instructor and maintenance officer before he went to flight photo school where he became an aviator. Unlike the digital, computer-assisted photography of today, this was old school. Taking photos of sensitive areas in the world on film cameras, at various heights and weather con-ditions. He worked flying reconnais-cance taking sensitive sometimes sance taking sensitive, sometimes classified, photographs of some chal-lenging places in the world as part of the Photographic Squadron in 1962. Cuba. Central America, Europe,

North Africa and Bucharest. He took a photo of an atomic bomb test once

over water (location not elucidated). On February 12, 1967 he was shot down over water in Vietnam. He was rescued by an Air Force pilot who previously had been rescued by a Na-val pilot, technically 'returning the favor.' For years on the anniversary they sent each other small gifts. He they sent each other small gifts. He was in the water a little while because when they came to rescue him they took small arm fire from the bank. They rescued the navigator first, and then came back for Don, who had broken a shoulder by gun fire, by bringing reinforcements.

He retired after 35 years from the Navy in 1981 as a Captain and moved into Maysel, marrying his second wife, Jean Jarvis, who was principal at Clay Elementary for years. Af-ter her passing, Don would marry a third time to Keyota. She has three sons who survive, and Don has two children who survive as well, son Donald Jeffrey Jarvis who lives in Florida, and a daughter Alice Jar-vis who worked at Dupont in South Charleston for years and now teaches at a University in Delaware. Don and Keyota both had four children and have outlived their other children. Don worked for many years for conservation. He would work for Parks and Recreation, but was involved in many volunteer organiza-tions as well. He was a Mason. He was president of the Lions Club, worked every season for years on the

Josh Shamblin, former mayor of Clay, passed away unexpectedly last week. He was twice elected to the mayoral position for the town, once in 2019 and again in 2023, before stepping down earlier from the role earlier

this year due to personal reasons. "The Town of Clay is deeply saddened by the passing of former Mayor Josh Shamblin," the town announced on social media last week. "Josh served the Town of Clay as both a councilmember and mayor. Our

thoughts and prayers are with his family and friends during this time." A candlelight vigil was held at Tiskelwah Park on May 2 in his memory, with numerous speakers addressing the large crowd of attendees.

# **Bill McCourt Candidacy** Announcement

My name is William "Bill" Mc-Court, Jr. and I am a candidate for Circuit Judge, Division 1, in Braxton, Clay, Gilmer and Webster Counties. I have over 27 years of legal experi-ence, which makes me the most expe-rienced candidate for Circuit Judge. My wife Kathy and I have been mar-ried for 25 years. We are the proud parents of two daughters, Amber and Bryce, and one son, Will. I was born and raised in Webster County. My grandparents and parents taught me to work hard. My first job was at a gym in Webster Springs while I was still in high school. I started college at WVU in 1985 and worked every summer and school break at Elk Riv-er Sewell Coal Company. In 1986 I began working during school breaks for Lady H Coal Com-pany in the prep plant and coal lab. In 1988 I switched to the engineer-ing department for Lady H Coal. I graduated from WVU in 1989 with

a degree in mining engineering and continued to work for Lady H Coal as a mining engineer in underground and surface mines and the coal prep plant until I started law school in the fall of 1991.

I spent my law school summers working in the law offices of Jack Al-sop. I also worked for Bill McCourt Trucking from 1994 until 1996. In Trucking from 1994 until 1996. In 1996 I began working at Jack Mor-ton's Law Office until I went to work as an attorney at the law office of Larry Losch in Summerville in late 1996. In October of 2004 I became a named partner of Losch and Mc-Court, PLLC and maintained that of-fice until it closed in July of 2023. I also served as Braxton County Assistant prosecutor from June of 2016 through April 2018. In April of 2018 I took a job as Webster County assistant prosecutor so that I could be closer to home to assist my parents.

closer to home to assist my parents. In June of 2023 I accepted my current position as assistant prosecutor and returned to Braxton County. I have handled countless civil and ariminal assas and have extensive

criminal cases and have extensive experience with real estate, worker's comp, social security, personal injury and property matters. As a partner at Losch & McCourt, I have prepared and handled hundreds of deeds, con-tracts, wills and estates. I have han-dled many child abuse and neglect alied many child abuse and neglect cases, both as a civil attorney and as an assistant prosecutor. In my time as assistant prosecutor I have also handled many juvenile, misdemeanor and felony cases. I also have over 10 years of experience as a city judge for municipal court.

As my father would say, I have kept busy at "good, honest work", all while being the first in my family to graduate college. I will work hard for you if you elect me as your next Circuit Judge. Thank you for your consideration.

Clay Roane Public Service District: Per motion passed on Feb. 15, 2024, the Board Meeting dates and times have changed to the following: Regular Board meetings shall be held each third Monday of every month at 6 p.m. via the online Zoom website. Except for the months of June, September, and December which will be held in person at the office of Clay Roane PSD, same date and time.

The Clay County Middle School afterschool program is still seeking donated sewing machines. If you have a working portable sewing machine that you no longer need and would like to donate to a beginning sewist, please drop it off at the Clay County Library earmarked for the CCMS sewing class. The manual would be great to have with the machine. Please, include your contact informa-tion. In the case that the class is too small for the number of machines that may be donated, leave a note saying what you want done with it. Thank you in advance for your support!

The Clay County WIC office located at 452 Main Street in Clay is open to serve the public every Monday and Wednesday from 8 a.m. to 4 p.m.

Are you a coal miner, construction worker, rock quarry worker, sawmill worker, other occupation with dust or chemical exposure? Have you developed an occupational lung disease? You may be entitled to receive compensation benefits. We will provide you with the necessary screening, diagnosis, treatment, and assistance in filing of claims.

Big Otter Elementary School held its 4th Annual Brave Warrior Challenge. Students raced through an amazing obstacle course, danced on the field, and enjoyed popsicles. With the help of friends, family members, and businesses students also raised money for our school. A huge thank you to all of the volunteers and PTO for helping make the Brave Warrior Challenge a great success for our students!

# An Oak Tree In A Graveyard

#### By Joseph J. Mazzella

It was many years ago. I was still a young man with nothing better to do than drive around with his friends on a Saturday exploring old back roads here in the mountains of my home. We found an old, winding gravel one that curved up the side of a mountain. When we reached the top, however, there

was nothing there but an old, abandoned graveyard. We got out to look at it. The last person buried there dated from the 1940's. But there were some graves from the 1800's. A few gravestones had fallen over from neglect and a few of them were so eroded from the years that you could no longer read the names on them. It saddened me seeing this. I wondered if someday I too would end up buried in a forgotten grave with no one alive remembering who I was.

As I stood up and got ready to go, though, I saw something that lifted my depressed spirit and

This Maysel Park opening day dedication photo was taken in 1999. Governor Under-wood (far left) stands with Don Jarvis (holding plaque) and Clay County icon R.T. Sizemore (far right)

Clay County Apple Festival, and was instrumental in getting the Clay County Pool. He would scrub the pool out and start filling it with water at night in the spring. It took a long time to fill the pool that way. In the mornings he would have to race back to shut the water off so the town of Clay could have water. He was the only one certified at the time to apply the chemicals to the pool. He called Bingo every week for years, was the driving force behind the town Christmas Parade and children's party. And on top of all this, Fran King brags that Don was the single driving force behind the location, the classifier and final construction of the Clay County

was the single driving force befind the location, the clearing and final construction of the Clay County Park at Maysel. A panoramic photo shows Don pointing out at an empty land that would one day in 1999 be dedicated as Maysel Park. While land was donated by a number of Clay County landown-ers, including Jim Haynie, it was Don and the vol-unteers he pressed into service that did the heavy lifting. Don would go out to the park most nights lifting. Don would go out to the park most nights, just a short drive up the road from his house, to do landscaping or mowing. Originally the plan included much more than is presently there. The money never arrived to do the ambitious project that the blueprints drew up. They did what they could. Don went out to Amish country to get good playeround equipment built for the park. The day playground equipment built for the park. The day it all arrived, they returned his check for the job. When they saw what he was doing, they donated

the beautiful playground equipment.

Don was like that, he could inspire others to give of themselves to the cause. Many of these insti-tutions and volunteer organizations still thrive in Clay County because Don brought many of the present volunteers and office holders up under his ving. His own wife was pressed into his old no wing. His own wife was pressed into his old po-sition on the Conservation Board, because of her willingness to continue the good work her husband can no longer do. She says, "He knew me, but not well, and shortly after the death of his second wife, he saw me at GoMart and said, 'Hey, why don't you come up to the park and help us this weekend.' And I did. I spent a lot of time up there working at the park and eventually he asked me to marry him.

That was fifteen years ago." Don's influence is felt even at home. Keyota says that her two boys who were still in high school when she married Don, joined the Navy after grad-uation because of Don's influence. Hero. Patriot. Philanthropist. Volunteer. Dedicated conservationist. Father.

Keyota says, "They don't make men like that anymore.

This county owes Don Jarvis a lot of gratitude. He doesn't get many visitors these days. And He doesn't get many visitors these days. And sometimes he won't remember those who do. But the more years that pass, the fewer the people who remember the man they owe so much too.

#### brought joy to my sad heart. There at the very top of the mountain just outside the graveyard stood a massive, towering oak tree. Its branches seemed to stretch towards the heavens and around it a dozen smaller oaks were growing, most likely from the acorns that had fallen from this one. I looked at it for a moment and smiled. I thought about how that oak tree had started as a single acorn but then had grown into something so beautiful and had given so much back to the Earth. I thought too that maybe I could be an oak tree in my own life, do a lot of good and plant a lot of acorns before I left this world.

In this life every kind thing we do, every good word we speak, and every bit of love we share is an acorn we plant. And in the end these acorns will grow into something more beautiful than we can ever imagine. Take your place then in God's garden of Love. Plant well and watch your trees grow. They will last far beyond your life here into eternity.

# **Dancing in My** Pajamas

#### Dr. James L. Snyder

After 2 1/2 weeks of being sick with many days in bed, I have come to appreciate what some people go through when they have a severe sickness. My sickness wasn't that devastating. It just sucked the energy out of me and caused me a lot of coughing and sneez-

I barely had enough energy to get out of bed, walk to the living room, and sit in my easy chair for my morning cup of coffee. I paused for a few moments to catch my breath after that strenuous trip.

Because of my sickness, I had to go to the bathroom at least five times during the day. I had to run to the bathroom and slowly walk back to my easy chair, which took a lot of energy.

I do remember my grandmother's home in the mountains of Pennsylvania. They didn't have indoor plumbing and used an outhouse in their backyard. Who knows what an outhouse is today?

If you had to go to the bathroom at night, she put something out in the hallway, which she called a "potty pot." I was thinking about that the other day and almost asked The Gracious Mistress of the Parsonage if that would be a good idea during my sickness.

After considering that idea, I had enough energy to erase it from my mind and just race back and forth during those potty trips.

During this time, I never left the house, I didn't have enough energy to change out of my pajamas and get into my pants. I've never been in my pajamas for so long, but of course, I didn't realize what I was doing at the time.

Once, when I had to get up from the easy chair and run back to the bathroom, The Gracious Mistress of the Parsonage looked at me and said, "Is that your pajama dance?" I had no time to stop and respond, or serious consequences would occur.

When I got back from the bathroom and passed the kitchen area, I could see The Gracious Mistress of the Parsonage smiling. I wanted to respond to her, but at the time, I didn't have the energy. I could either respond to her or make it to my easy chair. I took the latter.

Those bathroom trips aren't fun by any stretch of the imagination, and believe me; my imagination was stretched to its limit.

I'm not sure how many pajama dances I did during my sickness, and I'm not sure if I have perfected them yet. I did what was necessary to get through the situation. I perfected a "Woozy Waltz" but didn't have the energy to explain it to The Gracious Mistress of the Parsonage. Maybe one day I could enter the "Dancing with the Star-Blazers." One thing I remember during that time is that I could not remember what day of the week it was. I didn't know when I got up in the morning if it was morning, afternoon, or evening. I had to rely upon The Gracious Mistress of the Parsonage to tell me what time it was and where in the world I was. The Gracious Mistress of the Parsonage brought me breakfast, and by the time I ate the last crumb, I didn't remember if it was breakfast, lunch, or dinner. I couldn't remember anything, so I thought of something. It's a wonder I had the energy to think of anything then, but I did. With my trouble remembering, how did I know what I was eating? Could it be, and I thought about this, that without my knowing it, The Gracious Mistress of the Parsonage snuck a piece of broccoli onto my plate? The more I thought about it, the more confused I got. Certainly, she could not sneak a slice of broccoli when I was in good health, but maybe this was an opportunity she'd been looking for. I thought about this, and my wife asked, "What are you thinking about?" I knew I could not tell her exactly what I was thinking, so I said, "I'm just thinking about what I had for lunch this afternoon." What worried me was that she giggled one of those mysterious giggles when I said that. I did not know what to think about that. If I ask her about that, she could say, "Ha ha, I got you with that one." That was the last thing I want to hear before bed that night. Not long after that, my memory improved and returned to normal. I was happy about that. I noticed every time The Gracious Mistress of the Parsonage brought me a plate of food, she was giggling. I was tempted to ask her what she was giggling about, but I just wasn't going to give her the opportunity to tell me. In my devotions this morning I read, "Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness" (Isaiah 41:10). Thinking about this verse I was reminded how sickness brings a state of fear in my life. That fear tricks me into thinking I all alone in this situation. This verse reminds me that God is with me. When I trust my problem to the Lord He is faithful and gets me through it victoriously. Dr. James L. Snyder lives in Ocala, FL with the Gracious Mistress of the Parsonage. Where all think alike, no one

thinks very much.

One of the skilled workmanship jobs at the Swandale Mill of the Elk River Coal and Lumber Company is this swiftly whirling whetstone designed to do with a delicate touch the job of keeping the big, eight foot band saws in razor-sharp condition.

Assistant superintendent Noble Conner said that this same type filing machine, a Covell-Hänchett product, has been in use at the mill since it opened in April 1920, with Clarence Baker as the saw filer. C. F. Hildebrand is the present filer and has been on this job since June 7, 1949.

Other filers who worked at the same job include, Wakeman Rader, Charlie Centers and T. I. Beam.

As noted above, the amounts set forth above are the anticipated average annual amounts for each purpose. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

2. The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$5,539,940 or the average sum of \$1,107,988 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax and the needs of the Clay County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

3. If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

4. The Board reserves unto itself as the levying body, in its discretion, the right and authority to reduce the rates of this Excess Levy if increased property assessments result in funds in excess of the projected needs in any year specified in this Order in accordance with West Virginia Code §11-8-6g.

5. The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Clay County, as Board may determine from time to time, in its discretion.

6. In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; <u>provided</u>, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

7. The separate and aggregate assessed valuation of each class of taxable property within Clay County for the assessment year ending June 30, 2024, is as follows:

Class I Property	\$0
Class II Property	\$126,973.769
Class III Property	\$158,115,872
Class IV Property	\$12,339,574
TOTAL	\$297,429,215

8. That the proposed additional rate of levy, in cents per \$100 of assessed value on each class of property for the fiscal years beginning July 1, 1024, July 1, 2025, July 1 2026, July 1 2027, and July 1, 2028, is as follows:

Class I Property	13.00 cents
Class II Property	26.00 cents
Class III Property	52.00 cents
Class IV Property	52.00 cents

9. That the proposed years to which the excess levy shall apply are the fiscal years beginning July 1, 1024, July 1, 2025, July 1 2026, July 1 2027, and July 1, 2028.

10. That the question of such additional levies shall be submitted to a vote at a primary election to be held in Clay County, West Virginia, on the 14th day of May, 2024.

Total:	\$1,107,988
<ul> <li>Contracted Services, including but not limited to the following:</li> <li>Speech, occupational, and physical therapy services for special and qualifying students;</li> <li>Required inspections;</li> <li>Maintenance and Pest control;</li> <li>Random drug testing and background checks; and/or</li> <li>Legal services.</li> </ul>	\$88,640

If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$5,539,940 or the average sum of \$1,107,988 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax and the needs of the Clay County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body, in its discretion, the right and authority to reduce the rates of this Excess Levy if increased property assessments result in funds in excess of the projected needs in any year specified in this Order in accordance with West Virginia Code §11-8-6g.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Clay County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; <u>provided</u>, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

If a majority of the voters approve the proposed additional levies, the Board will not issue bonds in connection with the approval of such additional levies.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property **13.00 cents**; on Class II property **26.00 cents**; on Class III property **52.00 cents**; on Class IV property **52.00 cents**.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

#### INSTRUCTION TO VOTER

Those favoring the additional levies, mark in the square "FOR THE LEVIES"; and those against such additional levies, mark in the square "AGAINST THE LEVIES".

LEGAL Notice is hereby given that the following described tracts or lots of land in the County of CLAY have been certified by the Auditor of the State of West Virginia to G. Russell Rollyson, Jr., Deputy Commissioner of Delinquent and Nonentered Lands of said County, for sale at public auction. The lands will be offered for sale by the undersigned Deputy Commissioner at public auction in the Clay County Courthouse beginning at 000 AUC and 100 AUC

9:00 AM in the morning, on the 29th day of May, 2024. Each tract or lot as described below, will be sold to the highest bidder. The payment for any tract or lot purchased at a sale shall be made by check or money order payable to the sheriff of the county and delivered before the close of business on the day of the sale. If any of said tracts or lots remain unsold after the auction, they will be subject to sale by the Deputy Commissioner without additional advertising or public auction. The deputy commissioner sale may include tracts or lots remaining unsold from a previous auction not required by law to be readvertised and described for this subsequent auction of those same tracts and lots. All sales are subject to the approval of the Auditor of the State of West Virginia.

#### GENERAL WV/NPDES WATER POLLUTION CONTROL PERMIT STORMWATER DISCHARGES FROM SMALL MUNICIPAL SEPARATE STORM SEWER SYSTEMS WV/NPDES PERMIT NO. WV0116025

The Division of Water and Waste Management is proposing to reissue the West Virginia National Pollutant Discharge Elimination System (NPDES) General Water Pollution Control Permit WV0116025. The General Permit covers discharges to waters of the state from small municipal separate storm sewer systems as defined in the General Permit. It is proposed that this General Permit be issued for a five-year term.

The reissued General Permit will supersede the existing General Water Pollution Control Permit No. WV0116025, which expired on August 11, 2019.

The Director of the Division of Water and Waste Management retains authority to require any owner/ operator to apply for and obtain an individual WV/NPDES Permit. This authority will be exercised when the Director determines that such individual permits will better protect the receiving water.

The draft permit and fact sheet are available on the WVDEP website at https://dep.wv.gov/WWE/Programs/stormwater/MS4/Pages/default.aspx. Hard copies are available for review at WVDEP headquarters in Charleston or any of the agency's regional field offices, and can be mailed upon request.

Hearing impaired individuals having access to a Telecommunication Device for the Deaf (TDD) may contact our agency by calling 1-800-422-5700. Calls must be made between 8:30 a.m. to 4:30 p.m. Monday through Friday.

Any interested persons may submit written comments on the draft permit. Comments will be accepted until June 21, 2024. They should be addressed to:

**Sharon Mullins** 

**Division of Water and Waste Management** 

601 57th Street SE Charleston, WV 25304

**Attention: Sharon Mullins** 

E-mail: Sharon.A.Mullins@WV.gov

All comments received within this period will be considered prior to acting on the draft General Permit. Correspondence should include the name, address and telephone number of the writer and a concise statement of the nature of the issues raised.

#### NOTICE TO CUSTOMERS

To maintain necessary clearances for safe and reliable electric service, Appalachian Power Company plans to manage vegetation along the Clendenin - Amma portion of its 34 kilovolt distribution system in Kanawha, Clay and Roane County, WV. Around May 8th, 2024, contract crews will begin to trim and remove trees and brush and apply herbicides where applicable along our rights-of-way. Work will be done in accordance with International Society of Arboriculture guidelines and take into account factors such as tree species, growth characteristics, line voltage, etc. In unmaintained or undeveloped areas cuttings will remain on site so as to minimize soil disturbance and to promote biodegradation.

Rights-of-way in this area involved in the program are: Gabe Rd., Amma Rd., Cottontree Rd., Thorofare Rd., St. Rt. 119., Clio Rd., Big Sandy Creek Rd., Left Hand and Little Left Hand Rd., 2 Run Rd., Grannies Creek, Big and Little Pigeon, Little Blue Creek, Glory Road, Reed Fork, Doctors Creek, Bufflick Rd., and many immediately adjacent or connecting roads in the area.

Representatives will attempt to personally contact resident property owners at least seven business days prior to working on their property. Specifics regarding your property may be discussed at that time. If you are a nonresident property owner and have questions regarding our right-of-way maintenance they may be directed to:

# How to Read Mon Power and **Potomac Edison Bills**

#### By PSC Chair Charlotte Lane

Today I would like to take a look at Monongahela Power and Potomac Edison's monthly electric bill and explain it to you.

At the top right of the bill is the date the bill was sent. Right under that is the 12-digit account number.

In bolded black lettering inside a blue box is the amount due. Right under that is the due date. In the top left of page one, under the company's name, is the period the bill covers. Below that should be your name and the billing address for where service is provided.

Immediately below that, bracketed between two page-wide bars containing a blue field are three phone numbers. The first is an 888 emergency number. The second number is for customer service. For Mon Power, it is 1-800-686-0022. For Potomac Edison it's 1-800-686-0011. The third, also an 800 number, is for payment options.

Below the telephone numbers on the left are messages from the company. On the right are four sections called: Account Summary, Usage Information, Charges from the Utility, and Detail Payment and Adjustment Information.

The "Account Summary" gives a brief financial summary for the month, the total amount owed, and the date by which it is due. "Usage" shows your meter readings. "Charges from the Utility" gives an explanation, in plan language, of the monthly charges in the total bill. The final section discusses any payments applied or adjustments made during the billing period.

Down and to the left, a bar graph illustrates your usage over the past year. It is lined out by month for your scrutiny.

Beneath that is a tear-off sheet that asks you to write in the amount you are paying. This sheet reiterates the amount due and the due date. It also includes

the address where the bill is to be mailed. The bill includes a return envelope to make it easier for you.

Page two provides additional details and repeats important telephone numbers. This page also includes a series of five circles that look like clock faces. This is designed to help you read your meter yourself, and a number is provided to call for help.

We at the Public Service Commission hope this explanation will help you read your electric bill. Please use the utility's customer call line if you have any questions.

# Manchin announces \$24.7 million to strengthen healthcare services across West Virginia

This week, U.S. Senator Joe Manchin (D-WV), member of the Senate Appropriations Committee, announced \$24,724,116 from the U.S. Department of Health and Human Services (HHS) to strengthen healthcare services across West Virginia. The funding will specifically support 15 local health centers, enhance maternal and child health services, and advance scientific research at West Virginia University.

"I'm pleased HHS is investing more than \$24.7 million to strengthen healthcare services across West Virginia," said Senator Manchin. "The investments announced today will support the critical efforts of 15 local health centers, provide essential services and resources to mothers and newborns, and advance important healthcare research at West Virginia University. As a member of the Senate Appropriations Committee, I will continue advocating for resources that enhance the health and well-being of West Virginians across the Mountain State."

# Appalachian Power, Wheeling Power file for recovery of increased fuel, vegetation management costs

Appalachian Power and Wheeling Power have submitted Expanded Net Energy Cost (ENEC) and Vegetation Management Program (VMP) filings to the Public Service Commission of West Virginia (PSC).

The ENEC filing ensures the companies are reimbursed on a dollar-for-dollar basis for coal and natural gas to fuel power plants and for purchased power. The VMP reimburses the companies for right-of-way vegetation management. Both filings are made regularly to ensure the amounts included in rates accurately reflect past and ongoing expenditures to generate and deliver electricity.

In the ENEC filing, the companies propose a \$1.9 million decrease in ENEC rates for residential customers and a \$22.3 million increase for other customers, totaling \$20.4 million, or a 1.13% increase, over total revenues, which include the ENEC under-recovery deferral rate increment of \$37.6 million previously approved by the Commission to begin September 1, 2024. The last rate increase associated with ENEC costs was effective in September 2023.

The companies propose to increase VMP rates by \$1.2 million, or 0.07%. The previous rate increase associated with VMP costs was effective September 2021.

"While the company has taken steps to minimize increases in our customer rates, we understand any increase can be a challenge," said Aaron Walker, President and COO of Appalachian Power. "These adjustments are necessary to ensure that the amount of money being collected from customers matches the actual costs incurred by the companies."

If the PSC approves the filings, a residential customer using 1,000 kilowatt-hours per month will see a decrease of approximately \$0.47 or -0.27 percent effective September 1.

Appalachian Power has 1 million customers in Virginia, West Virginia and Tennessee (as AEP Appalachian Power). It is part of American Electric Power, which is focused on building a smarter energy infrastructure and delivering new technologies and custom energy solutions. AEP's approximately 17,000 employees operate and maintain the nation's largest electricity transmission system and more than 225,000 miles of distribution lines to efficiently deliver safe, reliable power to nearly 5.6 million customers in 11 states. AEP is also one of the nation's largest electricity producers with nearly 29,000 megawatts of diverse generating capacity, including approximately 6,100 megawatts of renewable energy.

# The American Red Cross Sound the Alarm initiative installs alarms in Kanawha County

Celebrating 123 Lives Saved Locally through Free Smoke Alarm Instillation

The American Red Cross Central Appalachia Region held a Sound the Alarm smoke alarm installation event in the North Charleston. The event was kicked off my remarks from Erica Mani, Chief Executive Officer for the American Red Cross Central Appalachia Region, Kanawha County Commission President Lance Wheeler, and Charleston Mayor Amy Goodwin.

Since April 8, over 1,600 alarms have installed in more than 600 homes throughout the region. The goal is to prepare and protect our community from home fires, the most common disaster. Home fires claim seven lives every day, claiming more lives in a typical year than all natural disasters combined but having working smoke alarms can cut the risk of death by half.

Every second counts when there's a home fire. To help protect your household, test your smoke alarms each month and practice your escape plan until everyone can get out in less than two minutes. Smoke alarms are key to that plan. That's why the American Red Cross has partnered with the Kanawha County Commission, Kanawha County Emergency Management, City of Charleston, local fire departments and community partners to make homes safer with free smoke alarm installations and information to prepare families to act quickly when disaster strikes.

This effort is part of a national Sound the Alarm series of events-- like ours throughout the Kanawha Valley-- where the American Red Cross will be installing over 50,000 smoke alarms in over fifty locations nationwide. Since 2014, the American Red Cross has installed over 2.6 million free smoke alarms making over 1.1 million homes safer and saving 2,102 lives and counting. Locally, we are celebrating that in our Central Appalachia Region we have installed over 55,000 smoke alarms and have documented and verified 123 lives saved, and 10 of those lives were saved right here in Kanawha County-- because when it mattered most, the smoke alarms sounded and people's lives were saved.

The Signature Financial Sponsor of this year's Sound the Alarm is the American Electric Power Foundation. Special thanks to our other generous financial donors including First Energy, Greater Kanawha Valley Foundation, Kanawha County Commission, WV American Water, Berkshire Hathaway Energy Company, City of Charleston, Dow, Marathon, US Methanol, Camp Landing Entertainment District, Scioto Foundation, Toyota WV, Beckley Area Foundation, Mountaineer Gas, Parkersburg Area Foundation, Dutch Miller, Enterprise, Huntington Banks and the City of South Charleston.

# **Mustangs Baseball Season Ends**

Cooper Collins owns the hill.

Pierce Adkins nails a double.

#### By Allen Hamrick

By Allen Hamrick The Mustang baseball team competed in the CW-VAC tournament this past week. Their season was one of those dream seasons with the anticipation that they would come home with the champion-ship. They were well coached and had great talent on the team. It was a no lose tournament, and they started with the Calhoun Red Devils. Both teams had a slow start, but the Mustang bats got crack-ing and by the  $4^{th}$  inning led the Red Devils 7-2. Pierce Adkins took the hill first and pitched an in-ning before Joel Elliott hit the mound in the second. Neither one allowed any runs in the inning they Neither one allowed any runs in the inning they pitched before the game was turned over to Cooper Collins in the third. Cooper pitched the rest of the game and did a good job cooling the bats of the Red Devils. Lathan Brown and Pierce Adkins were getting the wood on the ball going with Brown 4-4 at the plate and scoring three runs each while Adkins drove in four RBI's. When the dust settled, it was the Mustangs over the Red Devils 14-4. It was on to the next game against Ravenswood, and a win here would send the Mustangs to the cham-pionship game. Ace pitcher Pierce Adkins took the mound for the Mustangs. It was going to be a tough game, but at this level it has to be. The Mustangs got on the boards first when Cooper Collins singled driving in the first run of the game. Ravenswood also got a run across and the score was tied after the first inning 1-1. Ravenswood started getting the bat to the ball in the bottom of the third inning Scoring Neither one allowed any runs in the inning they to the ball in the bottom of the third inning scoring two more on an error. By the fourth inning, Raven-swood scored five runs to lead the game 2-5. The Mustangs made another run at the boards in the top of the fifth scoring two more but that was it. When it was over, the Mustangs came up short losing the game 4-5. It was a close game, and the Mustangs did out hit Ravenswood, but they just made too many er-rors on defense. By the time this writing comes out, their season will be a memory, but it will go down as a great one. Once again they had a winning sea-son finishing 12-5, and each player on the team has played a part in their success. The coaches led this team to be the best they could be and instilled in them a desire to win and to be focused. Mustangs made another run at the boards in the top

# **CCHS Track Competes at LKC; Lady Panthers' Season Ends**

By Allen Hamrick The CCHS track team traveled to Williamstown Friday evening to compete in the LKC Champi-onship. Here, they, without a doubt, ran into the toughest competition they will face this year. Thir-teen teams from their region competed. Most of the runners and field event athletes were ranked in the standings among some of the best individual com-petitors. The Panther Shuttle Hurdle team, who has reached the level of the best of the best, would have their hands full running against other teams who have some of the best hurdlers in the state. When they got to the final, they were neck and neck. In the final 50 meters, the Panthers turned on the after burners and ran the fastest time at 1:04.09 beating Webster for 1<sup>st</sup> place. It was a great display of what can be accomplished with the right amount of focus and determination. As I said, it was a tough meet, and as a team, the boys were 10<sup>th</sup> and the girls didn't make it into the top ten. Placing top five was Evan

Bass  $3^{rd}$  in the 110 meter hurdles, Justin Nida  $4^{th}$  in the 110 meter hurdles and Daymian Stricker  $4^{th}$  in the high jump. The Panthers will be competing in the regional level competition on Thursday, May
9. Here, it will be determined who goes to the state
level track competition. Good luck CCHS Panthers. In other CCHS sports, the Lady Panther softball

team ended their season in a double elimination sectional tournament. They were pitted against the Lady Huskies of Hoover and the Minutemaids of Lewis County. One could see from the start it would be a long tournament for the Lady Panthers after drop-ping the first game to Hoover by the score of 0-15. It was Lewis County up next, and it was a better played game, but in the end it was Lewis over the Lady Pan-thers 4-6. The Lady Panthers finished 12-10 this year a pretty good season looking back - but the team is young and will be back next season to rule the diamond. There's no doubt they will be stronger, and perhaps next year will hold a different result.

# Lady Mustangs are CWVAC **Runners Up**

#### **By Allen Hamrick**

By the season ended for the Lady Mustangs this past week in the CWAC tour, favored by the Lady Mustangs can get the job done and that they did. The first part out of it and advanced into the second round with a 9-3 win over Caltoun. Then they had to match bats with Wahama who is no slack softbal from the second with some great defense and base running. In the end, it was the Lady Mustangs winning the game and for the first time, from the interference of the second would be a tough win, but the Lady Mustangs that the altent to first by scoring a run in the 1<sup>st</sup>.
