Running To Fall

Submitted by Jeanna Shamblin Coyner

The alarm went off at 4:30 a.m. at the Coyner home. Time to grab a banana for breakfast, a quick shower to help us wake up, and then we were on the road to Clay High School to race in the Elk River trail Trail Marathon.

When we arrived, it was still dark, but cars were starting to roll in. The tables were arranged to where we could pickup our packets. Into the high school we went to put on our shirts and bibs for the race.

Soon, the buses were ready to start transporting the participants to the trail. I've never been the quiet type, and this was not a day to start. I asked the bus full of adults if they were from West Virginia. The answers blew me away. I heard Oklahoma, Arizona, Kentucky, and Massachusetts, to name a few. We all had one thing in common - our love for West Virginia's beauty.

The temperature was perfect. Warm enough from the scorching summer temperatures, but cool enough to know fall was knocking at the door. Many took photos of the welcome sign of the Elk River Trail. It was a perfect backdrop to enhance their photos. The bridge held many racers as we waited for the buses to bring the other participants.

The anticipation was building. "Take Me Home, Country Roads" was blasting at the start line. Pulses were pounding. Then, we were OFF! Running, power walking, or a quick stroll was acceptable. We were there to finish, and that we did.

Satisfaction was felt as we loaded on the buses heading back to get our vehicles. Suddenly, a lady boarded and asked, "Is there a James Coyner on this bus?" My husband raised his hand. She presented him with a trophy! Jim won first place in his age group! The bus erupted in applause. I was so proud, because I am the one who pushes him to do these crazy 5K's.

Once at the high school, we assisted some of the visitors in planning the rest of their stay in Wild, Wonderful

James Coyner won first place in his age group in the Elk River Rail Trail Marathon.

West Virginia. We said our farewells, and headed down the road realizing the early wakeup call was well worth it, and grateful for our ability to do what we do.

What an exciting morning. We started the race in summer, and ended at the finish line in fall. Now, that is a race for the books!

Jim Coyner is the husband of Jeanna. He is retired from 43 years in law enforcement and served in the U.S. Army. Jeanna Shamblin Coyner is the great granddaughter

One With God’s Creation

By Joe Mazzella

The heating element on my clothes dryer conked out this week. I soon found out that the big box store no longer carried the part so I had to order one online. It took several days before it came in and I could get it installed, so I found myself carrying my wet clothes over to my daughter’s house to dry. And as I did so each day I thought of my Mom’s old dryer. It was solar powered. It was called a clothes line.

Of course, we did have a regular dryer but Mom preferred hanging the clothes out on a clear day so they could be gently dried by warm breezes and kissed by God’s sunshine. I still can remember how wonderful they smelled when we would take them down and fold them. The sheets especially were crisp and smelled so fresh and clean. When I pulled them up to my chin as I went to bed it was like a whiff of Heaven before I fell asleep.

I think maybe with have lost something with all of our modern conveniences. Yes, it is much better having city water than carrying drinking water from a spring like I did as a boy. It is a lot easier having my electric heat than having to help my Dad chop and carry wood for the stove in the wintertime. It takes a lot less time just throwing my clothes in the dryer than hanging them out on a clothes line. But in spite of all of the extra chores there was something about working outside in nature under the blue sky. There was a peace that filled you. You felt like you were a part of nature. You felt like you were one with all of God’s creation.

Whenever you start to feel too caught up in the complexities of this modern life then take the time to step outside. Feel the wind on your face. Feel the sun kiss your skin. Watch the leaves change and the sunset. Know that God Loves you. Know that you are one with all creation. Then carry on your day with Love in your heart and a song in your soul.

How Can I Get My Sneeze Back?

Dr. James L. Snyder

I’ve had a lot of health issues during this past year, and now that I seem to be over them, something else has taken their place.

I have had a sneezing fit for the past two weeks that I’ve never experienced before. Every time I sneeze, it is in triplets. I don’t know why I have to sneeze three times, and I have tried to keep myself from sneezing three times, but so far, I lost that battle.

Once, when I started to sneeze, I closed my mouth, which was a mistake because everything came out of my nose. That was not a very pretty sight.

Sneezing may become more of an issue as you age. I know it’s a big issue for me, and I’m confused about how to deal with it.

The Gracious Mistress of the Parsonage says I must have some allergy. I confided in her that the only allergy I have is broccoli. I tell her that I have one of my sneezing fits every time she eats broccoli.

Whether it’s true or not is immaterial. It’s just something I can use against her when she complains about my sneezing fits.

I’ve been trying to figure out how to make something good out of these sneezing fits, and so far, I have failed. When I get close to a solution, I have one of my sneezing fits and forget what I was thinking about.

Just thinking about my sneezing fits makes me sneeze.

The Gracious Mistress of the Parsonage told me, “Be careful, you might sneeze your brains out.” Then she laughed.

I responded, “Oh, my dear you’re too late for that. I’ve already sneezed my brains out.”

Obviously, brains aren’t as important as I thought they were.

I have been sneezing for about two weeks, and it seems to be getting worse. Not only do I sneeze, but with the sneeze comes some disgusting phlegm. Several times, the whole front of my shirt was soaked in that disgusting phlegm. Unfortunately, The Gracious Mistress of the Parsonage is the first to see it, and she always responds in the negative.

I have to be careful where I’m standing when a sneeze hits. There are no warnings about the sneeze, and if I’m facing somebody when I sneeze, well, you know the rest of the story.

I’ll get through it as long as I don’t sneeze in the direction of The Gracious Mistress of the Parsonage.

This past week, we were at a restaurant to celebrate something. I’m unsure what we were celebrating, but it doesn’t matter. We were having a great time, but I was still in that sneezing fit—sneezing all the time.

CAPT. GEORGE YOUNG

PARRIS ISLAND, S.C. (FHTNC)

—Marine Capt. George A. Young is serving as Officer in Charge of the Depot Disbursing Office at the Marine Corps recruit depot, Parris Island, S. C.

He is the son of Mr. and Mrs. French Young of Dille, W. Va., and husband of the former Miss Thelma Nelson of 1510 E. Desoto st., Pensacola, Fla.

Capt. Young is responsible for maintaining all pay records and pay listings of Parris Island Marines.

Before enlisting in November 1939, he graduated from Widen High School.

ENCOURAGING NEWS FROM OLD FRIENDS

Mr. and Mrs. Naaman Myers of 930 14th St. S. E., in Massillon, Ohio (Swandale) write to say; "Would you please send us the Widen News. We would appreciate it very much. We always like to know what is happening back home."

Freda Keen Kyser (Roy) "In your paper you have an article 'Away-From-Homers.' I am away from home but we believe the paper would bring home (Widen) to Chicago. I know my friends up here would enjoy reading about my home town. He (Roy) has accepted Widen as his home and all my friends in Widen as his friends and we would like to get Widen News..."

Jimmy Triplett's sister, Mrs. Don Benson, Norwalk, Ohio says "I wont delay a thank you longer for something I enjoy immensely (Widen News). I read it from cover to cover the minute I receive it. The PICTORIAL is swell. To see husbands and wives of people I went to school with but have never met!"

Mrs. Maude Mick, Winchester, Mass. (Alton Houghton's Auntie) "I like the Widen News that was sent to me by one of your friends."

DANGERS OF ONE-ARM DRIVING POINTED OUT

Not so many years ago the term "one-arm driver" conjured up a picture of a man with one arm around his girl, a sight to bring solace to the world-weary.

Today, however, there has emerged a new type of one-arm driver. Perhaps the emergence of power steering has something to do with this new plague on our roads. Whatever the reason, there are in creasing numbers of people who guide their cars with one hand — even one finger — while the left arm lies languorously outside the door. Others rest their left elbows on the windowsill, clutching the roof with fervent tenacity. Still other drivers prefer to use their hands to guide the car, while the right arm is stretched out full across the front seat. Others somehow manage to get their right arms behind the front seat, a yogi-like attitude of relaxation.

The dangers inherent in this type of driving are obvious. How many accidents are caused because drivers are too smug or too lazy to drive properly?

With more cars than ever on the roads today, let us urge that all drivers drive as they were taught — namely, with two hands.

TWIN TWINS

Twins are fun to know, and must be fun to be!

Imagine the predicament one could get into! The confusion that friends, family and teachers could find in trying to keep track of each.

Two sets of twins attending Widen school, they are: Patty and Peggy Conner and Freda and Freeman Cottrell. Patty and Peggy are eight years old and are in the fourth grade. They are the daughters of Mr. and Mrs. Melvin Conner. Freda Faye and Freeman are the children of Mr. and Mrs. Newt Cottrell and are in the sixth grade. They are twelve years old.

Panthers take a hit in the hay field

By Allen Hamrick

The CCHS Panthers travelled to South Harrison to take on the Hawks last Friday night. They went in with all their weapons blazing and absolutely nothing to lose. The Panthers were sitting pretty, ranked 9th in AA while South Harrison was ranked 8th. After using the Indians from Sissonville as a dance floor last week, the Panthers were on a pig buzz. With the grass standing tall enough to cut with a brush hog, the game got underway. Not sure if the hay field type football field had anything to do with the outcome of the game, but it was an oddity. When a kicker can't see the tee, it's time to mow the grass.

The game got underway as the Panthers were top fist on the bat and took opening kickoff. It didn't take but just over two minutes to get the Collins / Peters air show into the end zone to get the Panthers on the board first. After the extra point was kicked by Brown, the score stood at 7-0. The Hawks started a methodical drive down the field with an all out running game. Eleven plays later, the Hawks were in the end zone for their first score. They decided to double down and go for the two point conversion, and they went ahead in the game 8-7. The Panthers got the ball back, and it was Panther time as the Panthers marched down the field on a series of throws and got into the red zone and their Waterloo.

Robinson was handed the ball and was tackled near the two yard line, but the run was negated due to a block in the back penalty. This moved the Panthers back, and they turned the ball over on downs as the Hawk defense dug in. On their next possession, the Hawks handed the ball to Hatfield and he took it to the house on a near 60 yard TD run. The Panther defense couldn't seem to break the spell that the Hawk offensive line had on them. The Panther defense did a good job much of the time, but the Hawks running backs chewed at least five yards a carry as the Hawks ran the ball nearly 98 percent of the time. The Hawks got the ball back before the half and ran a 15 play drive that netted them another seven points on the board. The first half ended with the score Panthers 7, Hawks 22. eral times for penalties in the first half, and it seemed as though they couldn't scratch their heads without a flag being thrown. Once the refs had a powwow on the field after a multiple offense calls against the Hawks, the flags seemed to become 50/50.

After the half was over, the Panthers tried an onside kick that was returned by the Hawks. This gave them great field advantage, and after nine plays, the Hawks scored again. Taking the lead of 29-7, the Hawks put a lot of pressure on the Panthers to score due to only having a running game and taking major time off the clock. The Panthers weren't done yet and scored another TD on a Collins - Ramsey 18 yard pass in the 4th quarter, but

it just wasn't enough. The game was a hard one for the Panthers as they seemingly had a tough time with the all running game of the Hawks. When the game was over, the Panthers lost their second game of the season 15-36. The Panthers needed some of their typical big plays, but they just didn't materialize. Next week, the Panthers are off and will be back in action on October 11 at Calhoun.

In other football news, the CCMS Mustangs also butted heads with South Harrison this past week and beat them 18-8. The Mustangs will play Braxton at home on October 3 for their homecoming game. Make sure you come out and watch junior royalty at its finest. Go Mustangs!

CCHS and CCMS volleyball players are cracking the whip

By Allen Hamrick

The Lady Panther Volleyball team doubled up this past week going head to head with South Harrison and then Gilmer at home. Against South Harrison, the Lady Panthers managed to get one of the games under their belt but ended up losing the match 1-3. They also had a match between them and Gilmer at home and it was a doozie. The last time these two met, Gilmer iced the Lady Panthers 2-3, but not this night. This time the Lady Panthers had the taste of loser in their mouths after the beating from South Har-

ison and an earlier game against Greenbrier West. Gilmer stood in their way of a much needed win, and the Lady Panthers took it to Gilmer defeating them in a barn burner three games to two. They will be at home on Tuesday in a tri match against Capitol and Buffalo.

The Lady Mustangs have been cracking the whip riding on a three game winning streak. First up was Ravenswood who travelled all the way down here just to get tarred and feathered. It was a Lady Mustang hoof beating as they won the match 2-0. They then took their show on the road

and set up the octagon against George Washington and Spencer in a tri match. It was the Lady Mustangs at their finest volleyball mashing speed. George Washington was first up and it was no contest as the Lady Panthers rolled over them 2-0. Next up Spencer who gave the Lady Mustangs a little more effort and took one of the games, but the Lady Mustangs came out on top 2-1. They will play away at Braxton on Monday and away again at Valley on October 2. Come out and support the teams as the season is near its half way point.
