Local Scouts and 4-H Club members gathered at Mountain View Cemetery on the morning of May 28 to plant flags on the graves of veterans to honor them in observance of Memorial Day.

Girls Scouts from Troop 94 in Vinton and 478 in Cave Spring, and BSA Pack and Troop 235 in Vinton and 51 in Salem, along with members of the Botetourt 4-H Teen Leadership Club, spread out across the cemetery searching for grave markers identifying individuals who had served in a branch of the United States Armed Forces. The search is sometimes difficult because while newer graves generally indicate who is a veteran, many of the older graves do not.

Gauntlet Competition 2022 awards \$400K in cash, grants, in-kind prizes

The Gauntlet Business Program and Competition awarded \$400,000 in cash, grants, and in-kind prizes to local entrepreneurs at the 8th annual Graduation and Awards Ceremony on May 25. The Gauntlet originated with The Advancement Foundation, based in Vinton, and has expanded exponentially through the years.

The Gauntlet Class of 2022 attracted a record 153 entrepreneurs from communities across the Roanoke Valley, Shenandoah Valley, and Southside.

After 10 weeks of classes, 66 businesses moved on to compete for their piece of the prizes and

The Gauntlet Business Program and Competition is powered by the Advancement Foundation, a nonprofit founded in 2007, which serves as a catalyst to attract this region's assets with the commitment of partner agencies, economic developers, sponsors, donors, grantors, Gauntlet alumni, mentors, and regional innovators making this all possible.

Since the business classes began in February, graduates have purchased \$760,000 in commercial real estate. Over the next 24 months, they will spend \$502,000 in leasing commercial property; they will create 263 new full-time jobs and create profit revenues of \$3,382,324.

Gauntlet competitors receive awards based on a combination of their competition scores as well as their specific business needs. Cash and in-kind prizes are provided by numerous local sponsors, such as Lead Sponsor State Farm, and regional partners who are committed to igniting the futures of local entrepreneurs.

For the first time ever, the Gauntlet had two first-place winners - Natalie Ashton owner of Electric Iris 3D of Roanoke

City, and Natalie Hodge, owner of Rudy's Girl Media in Uptown Martinsville.

According to information from Gauntlet organizers, Electric Iris 3D is "shaking up the poultry incubator industry with their innovative poultry incubator accessories. The invention will help farmers raise new classes of birds from quail to geese; and will help farmers raise more birds at one time by increasing hatch rates. This company will continue to scale into sales across the nation."

Rudy's Girl Media is a multimedia content developer company. Ashton has a master's degree from Cornell University and has worked in the entertainment industry in New York and Los Angeles. She has and will produce short films and a web-based reality series about rural entrepreneurship called "Hometown Hustle." Ashton and Hodge were rec-

ognized along with the other prize winners at the ceremony on May 25 at the Vinton War Memorial.

U. S. Navy Chief Petty Officer Kevin Wilhelm enlisted in the Navy in 1986.

On a warm day, Wilhelm's grandchildren handed out American flags, pins, and fans so that everyone could participate in the ceremony at the High Ground Vinton-Roanoke County Veterans Monument, led by members of the United States Navy-CM2 McClain of Princeton and GM3 Haines of Lexington.

Wilhelm's daughterin-law Taren welcomed the large crowd who had gathered in honor of "such a wonderful person we all knew and loved."

Throughout the ceremony and in a time of fellowship and sharing of stories afterwards in the Community Center, his family and friends emphasized that Wilhelm was a man who loved God, his family, his community, and his country above all else

FINDING STRENGTH IN GOD

Read 1 Samuel 27:1 through 31:13

David was greatly distressed because the men were talking of stoning him; each one was bitter in spirit because of his sons and daughters. But David found strength in the Lord his God (1 Samuel 30:6).

David and his men, just arrivinghome from battle, discovered that the enemy had kidnapped their families. His men were distraught, and they wanted someone to blame. David, their leader, was the obvious scapegoat, and they discussed taking revenge on him.

David, grieved at his own family's disappearance, now faced betrayals and accusations from his friends. Here, at an extremely low point, David did what always works. He turned to God and found strength in Him.

Exactly how David found strength in God is displayedthroughout his psalms. David remembered God's promises, and more so, he reminded himself of who God is: his Rock of refuge; his compassionate, gentle Father; his faithful Provider; his all-wise Teacher, and so much more. As David turned to God, he gained the strength to rally his men on a rescue mission.

Prayer for Today: Father, please help me turn to You for strength in all things.

talked about influences in life, aspirations, dreams, and character. She advised her peers to "prioritize yourself; chase happiness; find passion, always ask questions, and aim to be good; do everything with good inten-

Day congratulated the Class of 2022 for not just surviving, but thriving, during the global pandemic that impacted most of their high school years. She reminded the graduates that they are "not broken; not inept; not unlovable, or any other shortcoming your brain can create for you. Live a life of compassion, curiosity, beauty, and joy."

WBHS Principal Tammy Newcomb also mentioned the challenges that the Class of 2022 faced throughout their high school careers because of the pandemic – shut down for five months in the spring of 2020; attending school in person just two days a week for much of 2021 with masks and six feet of social distancing, with no pep rallies, no athletics, no dances, no concerts, no clubs, none of the things "that make school fun." They held the first assembly of their senior year outside in the stadium- but "you still made it the best year."

Newcomb recognized and honored the building operators who were instrumental in keeping the school open; the school nurse who fulfilled a myriad of duties; cafeteria staff and instructional assistants who prepared and delivered food to students for five months; instructional assistants who mentored, tutored, took temperatures, and covered classes; guidance counselors; teachers who delivered instruction by video, phone, and in-person; the school administration and central office administration and School Board who "stayed the course so you could be here

She asked the Class of 2022 to "lead by example and be someone who always makes being a Terrier a reason to be proud. You bonded, persevered, learned to adjust, learned to value the little things many of us took for granted.

"Graduation is a milestone no one can take from you, but it's only the beginning," Newcomb said. "Use what you have learned. If you are going to do a job, do it right. Always be kind to one another and always help those less fortunate."

Newcomb noted that the Class of 2022 has 264 graduates - 169 of those being Honor Graduates with GPAs of 3.0 or higher that allowed them to wear gold tassels with their caps and gowns. Forty-six earned GPAs of 4.0 or higher and are named valedictorians. Advanced Studies diplomas were awarded to 145 gradu-

She recognized five students who will be entering the military: Carlee Hutchens, who has qualified to enter the elite U.S. Army program for flying helicopters; Bryson Lish and Nicholas Sparks, who will be entering the U.S. Army; and Dyson Spence and Matthew Hoyos, who will be serving in the U.S. Navy.

Graduate Emilie McCaskill was recognized for earning her associate degree at Virginia Western Community College while earning her high school diploma. Newcomb read a lengthy list

of student athletes who will be continuing their athletic careers in college, including Griffin Horacek, the first-ever Roanoke County student to be recruited for E-sports. She recognized two Byrd

students who completed the Student Apprenticeship Program: Alec Theodor and Dyson Spence.

Of the 264 graduates, 187 will be attending a two- or four-year college or university or trade school. Sixty-seven have secured jobs in the work-Currently, the Class of 2022

has accepted \$1.5 million in scholarship grants and scholar-"Each student here today is a symbol of success," New-

comb emphasized. She recognized two teachers who are retiring - German teacher Barbara Hassell (German) and Martha Gilchrist

Newcomb closed her address with a quotation from Franklin Roosevelt, "We cannot always build the future for our children, but we can build our children for the future. We believe we have done that."

The final address of the commencement ceremony was from Top Terrier Chloe Harrilla. The Top Terrier is selected each year by the faculty and senior students at WBHS - the highest honor a student can re-

In her remarks, Harrilla talked about the unique high school experience the Class of 2022 had undergone and having to get used to a new reality. She decided "it's not the cards you are dealt, it's what you make of them.

During times of school closures and limited attendance, she learned the importance of forming relationships. She thanked each teacher, administrator, guidance counselor, and coach for "going to the extra mile" to ensure the success of the students in the Class of 2022. "William Byrd has provided us with the tools for success." She concluded with a quote from Sigmund Freud, "One day, in retrospect, the years of struggle will strike you as the most beautiful."

The William Byrd Senior

Choir, led by choir director Matt Bartley, performed "Fly Away Home.'

Next up was the eagerly awaited "Presentation of Di-plomas" beginning with the Valedictorians: Alexa Aquino, Isabel Burnett, Gentry Carle, John Cooley, Emma Copening, Haley Day, Ross Divers, Thomas Dulak, Jr., Bronwyn Fenimore, Haley Firebaugh, Riley Firebaugh, Jade Fleitz, Emiliano Gonzalez, Ethan Hairston, Chloe Harrilla, Griffin Horacek, Matthew Hoyos, Jocelyn Hunter, Carlee Hutchens, Micah Kiker, Devin Liu, Nicholas Long, Jaiden Lorton, Victoria Lovern, Emilie Mc-Caskill, Wesley Nance, Landon Niday, Austin Nielsen, Timber Raines, Joshua Roop, Jaylen Rosser, Mya Rosser, Trevor Ruble, Daniel Sarver, Grace Saunders, William Sayers, Hunter Sipe, Ashlyn Stover, Hannan Sutton, Charles Trogdon, Jr., Madison Tuck, Lana Turner, Amber Vaughn, Cadence Wilkerson, and Kassidy Wrye.

While the graduates were coming to the stage to receive their diplomas from Newcomb, Assistant Principals Marcee Cook and Travis Anderson, Dean of Students Phillip Martin, and School Board members David Linden (chair) and Tim Greenway, their photos and future plans were on display.

Christiansburg scored 112 points in the girls' meet with Byrd close behind at 105 and Abindgon on their heels with 102. In the field events Byrd's Sydney Blewett set a school record, nationally qualified, and won the shot-put competition with a throw of 38'10" with Mya Rosser (35'10") and Jaylen Rosser (32'8") coming in second and third.

In the girl's discus Mya Rosser won with a throw of 99'6" and Sarah Fuchs came in second with a throw of 98'5". Jaylen Rosser was third with a toss

The Byrd boys compiled 59 points for their fourth place finish. Abingdon dominated with 121, Lord Botetourt was second with 77 and host Staunton River was one point behind LB with 76.

In the boys' field events Ethan Haston finished second in the pole vault with a height of 10' and Wyatte Bailey was third at 9'6". Caleb Thompson had a season's best and personal record throw of 129'3 for a second-place finish.

Terriers walk off Northside to advance in Region 3D baseball

Ross Divers singled on a full count with the bases loaded in the bottom of the seventh inning as the William Byrd baseball team "walked off" Northside in a Region 3D quarterfinal baseball game Monday. It was a memorable day on Memorial Day as the Terriers took a 3-2 win at Walthall Park.

With the win Byrd advanced to Wednesday's Region 3D semifinal game at Christiansburg. The second seeded Blue Demons came into that game with a 20-2 overall record and they ran the table against teams in the tough River Ridge District. Byrd took a 16-5 record into Wednesday's game.

Results were too late for publication, but Wednesday's winner will play for the Region 3D championship on Friday at the site of the top remaining seed. Top-seeded Abingdon and fourth seeded Cave Spring were set to play in the other semifinal on Wednesday. If Abingdon won they would be home Friday, but if Byrd and Cave Spring both won in the semifinals the Terriers would have a home game.

Friday's finalists also are both guaranteed a spot in the eight team Class 3 state tournament next week. The Region 3D winner will host the Region 3C runnerup on Tuesday in a quarterfinal game while the Region 3D runnerup will play at the site of the Region 3C champ.

Byrd's game with Northside on Monday was a nail-biter. The Vikings scored two runs in the third inning and that stood up until the bottom of the fifth, when the Terriers plated two to tie the game but left the potential goahead run on third base.

It was still 2-2 into the bottom of the seventh when Byrd loaded the bases on a walk to Matthew Scavelli, a single by Hunter Sipe and a walk to James Purcell. Divers was up next and he worked a full count before lifting a ball down the rightfield line that fell just inside the chalk for the winning hit. It was Ross' third walk-off hit of the season.

Sipe picked up the win with two innings of shutout relief. Trenton Sayers started on the mound for Byrd and pitched two-hit ball for five innings, striking out five. Both runs off Sayers were unearned.

Sipe had three hits in the game and Purcell finished with two hits and an RBI. Scavelli reached base safely three

Ninth seeded Byrd soccer boys upset top seed to advance in region

The William Byrd boys' soccer team was set to play for a spot in the state tournament as the paper went to press this week. The Terriers were scheduled to play at Christiansburg on Wednesday night in the Region 3D semifinal with the

winner advancing to Friday's championship game. Both region finalists will make the state tournament. The Region 3D champ will get a state quarterfinal home game next Tuesday while the runnerup will play at the site of the Region 3C champ. Friday's region championship will be at the

site of the highest remaining seed. Byrd came into the region tournament as the ninth seed among 10 teams. The Terriers opened with a "play in" game against eighth seeded Abingdon on Thursday of last week and took a 4-1 win in a match played at Emory & Henry

College in a steady rain. Daniel Britts opened the scoring for Byrd with a great run and strike. That built a little extra confidence in the guys and Britts made it 2-0 with his second goal.

Landon Niday put the Terriers up 3-0 and with that Abingdon made a big push to create. They were able to score to make it 3-1 and started to build momentum. Abingdon had a run that resulted in a penalty kick. Byrd keeper Bricen

Lancaster made the save on the PK but the official signaled that it had to be retaken due to movement before the kick. A different player stepped up to take the kick and played it wide. Niday then scored his second goal for some insurance and Byrd moved on to Monday's quarterfinal round.

Next up for the Terriers was top-seed Tunstall in Dry Fork on Memorial Day. Although Byrd was the big underdog the Terriers felt like they had a chance.

"They were the number one seed and we were the bottom seed in the tournament but I felt we had a good plan," said Terrier coach Russell Dishman. "We had them scouted well and were familiar with what they had. The issue we struggled with was the space on the field. It was a very narrrow field, the same as what was at Byrd when I first arrived before widening it, then moving to turf. The talk prior to the match was the key on the night would be how we handled adversity and how we answered questions on the field."

Tunstall drew first blood for a 1-0 lead and that held up through the half. Byrd had some chances early in the second half but couldn't finish. With close to three minutes remaining the Terriers were awarded a penalty kick and Niday connected

to tie the game at 1-1.

The fired up Terriers had a shot that hit the crossbar shortly thereafter. Then, with just under a minute on the clock, Ben Guertin came forward to take the throw and the ball was being knocked around in the box. It was played out of the group and across the goal where Landon finished it for an exciting 2-1 upset win.

The victory lifted Byrd to 8-9-2 overall and sent the Terriers to Christiansburg, who came in as the fifth seed, for Wednesday's region semifinal match.

Girls shut out River

The William Byrd girls' soccer team had a home game against Hidden Valley on Wednesday with a state tournament berth on the line. The game was the semifinal in the Region 3D tournament.

Wednesday's winners advance to the Region 3D championship game, which will be played at the site of the top remaining seed on Friday. Both region finalists advance to state quarterfinal action next Tuesday, with the Region 3D winner hosting the Region 3C runnerup and the Region 3D runnerup playing at the site of the Region 3D champ. Byrd is the third seed in the Region 3D tournament

and the Terriers got off to a good start with a 2-0 win in their quarterfinal game on Monday. Maddy Simmons scored both goals as the Terriers downed Staunton River at Patterson Stadium in Vinton.

Byrd came out strong and had control of the entire first half. Simmons scored six minutes into the game off an assist from Riley Firebaugh, then Maddy found the back of the net again eight minutes later when Anna Milliron connected with her to give the hosts a 2-0 lead and that was enough. The visiting Eagles played a strong second half but Byrd keeper Kadence Fernatt had five saves in the second half to keep Staunton River off the scoreboard.

Monday's win gave the girls a 13-5-1 overall record. Christiansburg played at top-seeded Lord Botetourt in the other semifinal Wednesday.
