Congratulations, CLASS OF 2026!

A TOUCH OF LOVE

*You were six months old and full of fun.
With a blink of my eye, you were suddenly one!
There were so many things we were going to do,
But I turned my head and you were two.
At two you were still dependent on me,
but independence took over when you turned three.
Your third birthday, another year I wish to ignore.
But as I lit the candles, there weren't three but four.
Four was the year that you really strived.
Why look at you now, you are already five.
Now you are ready for books and rules.
This is the year that you go to school.
The big day came, you were anxious to go,
We walked to the bus going oh, so slow.
As the bus drove away and you waved goodbye,
I felt a lump in my throat as a tear stung my eye.
For when the bus brings you home and you jump to the ground
You will be wearing your cap and graduation gown.
Time goes by so fast, it is hard to believe.
Why just yesterday you were home with me.
So I treasure these moments while you're still at home,
the next time I look around you'll be grown up and gone.*
