Transport Decarbonisation Alliance (TDA) - Press Conference

“TDA one year and counting: An update on the Transport Decarbonisation Alliance”

Movin’ On - World Summit on Sustainable Mobility 2019
Wednesday 5th June - 13:00 – 13:30
Decarbonisation Toolbox booth

The Transport Decarbonisation Alliance was launched in May 2018 and brings together 21 countries, cities/regions and companies committed to decarbonising the transport sector before 2050. TDA Members form a “coalition of the willing” working together to accelerate the worldwide transformation of the transport sector through **ambition, action** and **advocacy**.

TDA Members: **Alstom, California, Energias de Portugal, France, Lisbon, Michelin, Netherlands, Portugal, and PTV** are participating in the Movin’ On - World Summit on Sustainable Mobility 2019 in Montreal and will be holding a Press Conference to present the achievements of the TDA during its first year including:

New TDA Members

[TDA manifesto on how to reach net zero emission mobility](#)
[TDA White Paper on how to reach zero emission urban freight](#)
[Call for Zero Emission Freight Vehicles - already over 99.000 vehicles!](#)

ALSTOM

To meet TDA Members and to find out more information about the TDA please contact: **Christopher Dekki** from the TDA Secretariat: chris.dekki@tda-mobility.org, +13472494813
