

# Money Vision Statements

10. We the \_\_\_\_\_ family are building wealth because  
\_\_\_\_\_ matters to us.

We want to have \_\_\_\_\_ impact on our immediate  
family; we want to have \_\_\_\_\_ impact in our extended  
family; and \_\_\_\_\_ impact in our community.

Our strategy for growing wealth will be  
\_\_\_\_\_ and we commit to reviewing this vision  
every \_\_\_\_\_ years.
