Job Placement Rates for Graduates

- According to the A&M-Commerce 2019 Alumni Survey, 82% of undergraduates and 91% of graduate students were employed within 12 months of receiving their degrees.

Acceptance of transfer credits including military credits.

- Programs such as BAAS and BGS degree programs that accept more military credit than other programs
- Military Service Credit Limited credit may be considered for military-technical courses listed for credit in the latest edition of A Guide to the Evaluation of Educational Experiences in the Armed Services. The veteran should contact the Office of Undergraduate Admissions for an evaluation of credits form. Students who have completed a continuous active duty period of six months or more with the United States Military Services (Air Force, Army, Coast Guard, Marine Corps, Navy) will be granted one semester hour of credit for physical education activity for each six months of duty up to a maximum of four hours credit. For consideration of physical education credit for military service the student should submit a copy of DD Form 214 to the Office of Undergraduate Admissions.

Any additional requirements including training, experience, or examinations that are required to obtain a license, certification or approval for which the course of education prepares the individual.
