Declaration and Treaty of Peace to the World.

**To all my friends who want to make a change,
thank you for joining me to make a difference to our world.**

Sovereign: I exist as a sovereign being. My authority for this contract is the old-age timeless, and universal respect for the intrinsic power, property and responsibilities of the sovereign being. I chose to comply with the principals of mutual respect, which serve to bring harmony to society. I have sovereign immunity and therefore, my power to contract and enforce contracts is unlimited unless I infringe on the rights of others.

Sovereign Nation: I operate under a genetic entity named Bibi Bacchus©, made in my own image which I give life and power to. I act in the capacity of a foreign nation without subjects who rules autonomously; and I am not subject to any entity or jurisdiction, anywhere. I am a creditor, hereinafter creditor of the Respondence listed below are exempt from levy from any entity.

Sovereign Person: I use an artificial entity called, BIBI BACCHUS©, an image of Bibi Bacchus© to conduct commercial business and to interface with other legal fictions in regard to contracts, transactions, negotiations and judgements.

Respondents: These persons are artificial entities created by spiritual beings for participating in commerce.

The following are legal persons and artificial entities called private corporations: UNITED NATIONS AND ITS SUBCORPORATIONS; INTERNATIONAL MONETARY FUND; FEDERAL RESERVE BANKS; AND ALL OTHER REGISTERED CORPORATIONS ON PLANET EARTH.

Finally,

Natural Persons: Spiritual beings who have to relinquish their power and authority to an artificial entity of their own creation, which they must now obey.

There is so much more that we have to learn to be the captain of our own ship.
