

## UCC COURSE SYLLABUS LETTER

Online Introductory 5-week Course at the NewEarth University

**Fall Semester 2023**

To: Enrolled Student

From: Bibi Bacchus, School of Natural Law faculty senior advisor

Welcome!

My name is Bibi and I am your instructor for the 5-week Course on the UCC: How to Own Your STRAWMAN.

First, I would like to thank you for your interest in how to own your property.

You are here because you know something is not right, but you cannot figure it out. During this course your keen study and hard work will help ensure success, so if you are not willing to do so... this Course is not for you.

The people of the world have been politically and financially ravaged because they do not know of their alter-ego, public persona STRAWMAN. Bankrupt governments covertly create and use such TRADE NAME ACTUALLY FOR THE PURPOSE OF DOING BUSINESS, with said Trade names without ever openly disclosing the practice.

After redeeming / reclaiming your all-caps straw-man TRADE NAME, you can then use it for your own benefit.

The UCC aka uniform commercial code is the law the world is sailing under; all governments are now corporations. We have contract and commerce... we do not have constitutional laws.

Thank you, see you in class on Zoom. Warm regards,  
Bibi
