Dear colleague,

Greetings! We are all still navigating some challenging times in late 2023. I'm delighted you have chosen to study with me at the online NewEarth University School of Natural Law, where I've been a faculty senior advisor the last five years. Thank you for joining my Intro UCC Course: How to Own Your STRAWMAN. Your tuition enrollment has been confirmed so I look forward to seeing you in Class 1 on Zoom, Saturday, November 4 @ 3 PM Guyana-time, South America, UTC-04:00

Always refer to this SYLLABUS for basic info during the Course (dates held below*):

NOV 4	3 PM	GUYANA, South America
NOV 11	3 PM	GUYANA, South America
NOV 18	3 PM	GUYANA, South America
NOV 25	3 PM	GUYANA, South America
DEC 2	3 PM	GUYANA, South America

* NOTE: Teacher reserves the right to postpone class dates if necessary due to illness, etc.

It's your responsibility to check exact start-times in your country / area. You may wish to consult ANY time-zone converter. Example: <https://www.timeanddate.com/worldclock/converter-classic.html>

You've now successfully accessed my Course / CLASS 1 – WELCOME PAGE at NEU's website. Print this PDF and keep it handy. At my other UCC course page (where you enrolled) always return to click your - blue - 5-wk course access button. Each Class Page has weekly Zoom access via hotlink & password used to enter my digital Classroom hosted by the School of Natural Law. Note: Zoom access is posted a few days before class. Zoom is free; download BEFORE we start so you know how to use the platform well for easy access and to ensure best configuration of your audio / visual settings. Have good internet! Note: NO Zoom-link e-mailed.

IMPORTANT: Use your SAME FULL NAME on your Zoom account as on your NEU student account so we know who you are. Unknown names, nicknames, phone #s, etc. (not listed on my course roster) are not recognized, therefore not accepted into class, which causes a delayed class start-time for all. There is also a Zoom waiting-room; thanks for your patience as Class 1 may possibly begin a little late (depending on students following – or not following – these instructions).

(UCC Intro Course SYLLABUS continued from Page 1)

REQUIRED TEXT: My Introductory UCC PDFs (download ALL BEFORE Class *)

Tip: There are very important handouts given during this course; keep track of all the many printed papers with a special folder that you may create, labeled: UCC.

IMPORTANT COURSE ACCESS: *Each Class has its own page at NEU's website, with downloadable PDFs, Zoom access, notes, etc. To access these Class Pages 1-5:

1. Log-in at NEU with your student account credentials;
2. At main-menu, pull-down Courses...go to UCC Strawman Page (where you enrolled / go full-circle) <https://newearth.university/courses/ucc-how-to-own-your-strawman/>
3. Scroll down to my Fall Semester '23 5-week Course (where you enrolled) and simply click its blue access button. Follow online protocols.
4. Navigation: At my CLASS 1 – WELCOME PAGE scroll down to bottom-left to click a small box: "Mark Complete" auto-activating the system to advance Class 2 Page (AFTER we're done on Zoom). Repeat that process for all classes at NEU.

Helpful Tips:

- BEFORE class, PRINT PDF handouts (like this Syllabus) and carefully read / study all – be prepared. We'll be using those documents in class. There is plenty to UN-learn and Learn during this course about the UCC.
- Please be prepared to take ALOT of notes with paper and pen handy.
- Ask a question in class. Don't guess about the UCC-1 form you have to file yourself.

It is *crucial* that you attend ALL 5 Zoom-Classes to innerstand the in-depth UCC teachings. Please be advised my classes are LIVE only; there are no recordings.

*** NOTE: Course e-mail – you must send assignments to this NEU address below:

ucccourse@newearth.university

IMPORTANT: Your e-mail address should match the e-mail address listed on my course roster (student account e-mail). Otherwise, we won't know who you are and won't reply. Be advised TA Zoe and I will be answering your Course e-mail from our personal addresses. Bonus: I allow four (4) extra weeks for you to send e-mail after the course ends on December 2. NEU Class Pages are also available for those extra four (4) weeks.

See you in class on Zoom Saturday, November 4. Remember: Zoom-link access will be in my Class 1 – Welcome Page; no Zoom-link e-mails are sent.

May you be in radiant health with peace of mind. Together, we shall get through these unprecedented times. Congratulations for embarking on the heroic journey to begin an ongoing process to take back *Your* STRAWMAN. Thank you for choosing to study with me at the NewEarth University.

Warm regards,

UCC teacher, Bibi Bacchus and TA, Zoe Khan
