## **UCC Course: How to Own Your Strawman**

### **Declaration and treaty of peace to the world.**

**To all my friends who want to make a change,  
Thank you for joining me to make a difference to our world.**

**Sovereign:** I exist as a sovereign being. My authority for this contract is the old-age timeless, and universal respect for the intrinsic power, property and responsibilities of the sovereign being. I chose to comply with the principals of mutual respect, which serve to bring harmony to society. I have sovereign immunity and therefore, my power to contract and enforce contracts is unlimited unless I infringe on the rights of others.

**Sovereign Nation:** I operate under a genetic entity named Bibi Bacchus©, made in my own image which I give life and power to. I act in the capacity of a foreign nation without subjects who rule autonomously; and I am not subject to any entity or jurisdiction, anywhere. I am a creditor, hereinafter creditor of the Respondents listed below are exempt from levy from any entity.

**Sovereign Person:** I use an artificial entity called BIBI BACCHUS, an image of Bibi Bacchus©, to conduct commercial business and to interface with other legal fictions in regard to contracts, transactions, negotiations and judgements.

**Respondents:** These persons are artificial entities created by spiritual beings for participating in commerce.

The following are legal persons and artificial entities called private corporations:  
UNITED NATIONS AND ITS SUB CORPORATIONS; INTERNATIONAL MONETARY FUND; FEDERAL RESERVE BANKS; AND ALL OTHER REGISTERED CORPORATIONS ON PLANET EARTH.

Finally, **Natural Persons:** Spiritual beings who have to relinquish their power and authority to an artificial entity of their own creation, which they must now obey.

There is so much more that we have to learn to be the captain of our own ship.

## UCC-1

**A UCC-1 is an asset protector and it allows you to register property that you are making a claim upon. That is what it is. If there is no claim, you can't claim back on it. So right now, up until this point if you are new to this, you didn't understand any of what we just said, but it's starting to become clear to you now as though its a corporation against a corporation and you have to step back behind the scene there and realize that the IRS, the State of Michigan, the United States, are all fictions coming after you. They don't exist. You can't call Mr. IRS to the stand in a courtroom. He wont show up. We've been looking for him for years. We can't find him either. They don't exist. We've been looking for another guy called Society for quite some time, but we cant find him either, So, if they don't exist then they can't make the claim on the property. You can though. Once you make your claim, you have a claim in there. If anyone was to try to infiltrate your property, NOW you have stated a claim under which release can be granted to you. You now hold a Superior claim. In the format that we are using this information it goes directly to the individuals so to speak, not the IRS, but the agent working for them. The fiction does not exist. Only the agents that are "moving" the fiction. What we have to offer is the information that goes to them. It informs them, it lets them know, "I have a claim, please provide me with a superior claim if you want me to perform / pay." They do not have it.**

**A synopsis: There is a corporate government and a real government and they have created a fictional you, which is known as a Strawman...and this corporate government is doing exactly what Mcdonald is doing when you pull up to the drive through. " May I help you?" "Sure, I will have fries, burger and coke". "Ok, that will cost you \$5.68". They are conducting business with you, and you have the right to decide whether you want to conduct business with them. You can do so with whomever you wish. If you don't want to do business with someone you don't have to. No one can force you. It is the same concept. The only difference is we set out groundwork and file our claim ahead of time. We are learning to conduct our commercial affairs for our protection and benefit rather than for the quasi government advantage or any other persons or corporations benefit.**

## **ESQUIRE**

**Esquire ( Unconstitutional Title of honour and nobility = Esquire.) Foreign non-citizens (aliens) who are specifically prohibited from ever holding any elected Public Office of trust whatsoever. Article 1, Section 9, clause 8, states: “No Title of Nobility shall be granted by the United States: And no person holding any office of profit and Trust under them, shall, without the Consent of the Congress, accept any present, emolument, Office, or Title, of any kind whatsoever, from any King, Prince, or foreign state.”**

**As a direct result, attorneys and lawyers cannot and do not represent you in your proper birth or given name. Attorneys and lawyers represent corporations, artificial persons, and fictions in law-ONLY! What the majority in the country fail to recognize is this: because of the bankruptcy and having been pledged as an asset National Governments debt, this makes all citizens DEBTORS under chapter 11. DEBTORS in bankruptcy having lost their solvency – have NO RIGHTS nor STANDING IN LAW and are in the mercy of the CREDITORS.**

**All courts today sit and operate as Non- Constitutional, Non-Article Three Legislative Tribunals administering the bankruptcy via their “statutes.” (“codes”) All Courts are Title 11 Bankruptcy Courts where these statutes are, in reality, “commercial obligations” being applied for the “benefit” or “privilege” of discharging debts with limited liability of the Federal Reserve monopoly, colorable - money Federal Reserve Notes (debt instruments.) This means every time you end up before a court-not only do you NOT have any standing in law to state a claim upon which relief can be granted, YOU HAVE NO CONSTITUTIONAL RIGHTS! Why? Because you are a DEBTOR under the bankruptcy in addition to having contracted away your rights in exchange for benefits and privileges; you do not have one single shred of evidence to establish otherwise. In bankruptcy ONLY CREDITORS have rights!**

**In a nutshell, as a DEBTOR, it is impossible for you to access Constitutional Rights. They are reduced to mere privileges which are licensed, regulated, and can be altered, amended and changed to meet whatever the particular or special needs of the government for whatever whim. If taking away your home, your car, taxing your labour or locking you up for violating any of the 60 MILLION plus legislatively created DEBTOR codes and statutes they have on their books today happens to meet the needs of government—it really doesn’t take a rocket scientist to realise who the loser will be!**

**Filing a UCC-1, executing a security agreement and then redeeming a strawman back through the treasury in the foundation for navigation in a commercial world. The sooner we learn, the more capable we become in protecting ourselves, our families, our properties and our interests. Welcome to the real world! You are coming out of the "reel" world of the Wizard of OZ and Alice in Wonderland.**

**Here is more information for the IRS. Title 26 is the IRS Code. The IRS is just a collection agency and thereby is required to follow title 15.**

**Definition of 1692 is - acquisition of location information... any debt collector communication with any person other than the consumer for acquiring location, information, about the consumer shall**

**The IRS agent must identify himself/herself. Using a pseudonym is not identification.**

**Definition of 1692d is - harassment or abuse.**

**The use of threat, violence or criminal means to harm the physical person's reputation or property for any reason**

**Definition of 1692e is - False or misleading representation [The IRS violates everything under this section]**

## **The Bureau of Vital Statistics**

**Statistics... The Bureau of Vital Statistics is what formed a birth certificate/ chattel paper. This birth certificate was the first time that the United States had ever seen a corporate person known as a dummy...a strawman, a juristic person or any other kind of fictitious corporation that you can put in your mind and just think about, is a fictitious third-party front... a dummy. It is not you. It is a word that reflects chattel paper. It is a contract.**

**These contracts enable the Corporate United States to contract with the Corporate U.S. I've heard from many people and attended many different seminars. I've read a lot of different information and I've talked to a lot of people who use the UCC. The UCC is a contract. What people have to understand is how they incorporated themselves. They see that one of the biggest problems with some of the past, or even present information that's out there, is that a lot of people want to go back to law. Well under these contracts that we're speaking of, you became a surety. The surety was responsible to pay for all this Corporation's new existence such as the Federal Reserve, the IRS and the Social Security Administration. I hope that everyone out there understands why this Corporation is starting to exist and how it came about and how they get to us. They don't deal with us, they deal with our dummies/strawman...The Fictional you. Your driver's license, your social security card... most all bills that you get... most anything you get will have your strawman's name; it's your name in capital letters. It is a created citizen of you... not the real flesh-and-blood you. It is your front.**

**The information that we've gotten and use is compiled from many many many years of research, study, trial and a lot of errors because people can't understand the whole concept behind it which at one time I couldn't either. The information that we're going to give you is how to protect yourself, how to make yourself secure from liens, levies and judgments. How to be able to look at yourself, your spouse and kids and say I'm free. "Let me do whatever I want to do and I'll be a responsible person and I'll just do it." Pay attention people... it really will change your life forever, because you will be able to stand there and say "No thank you, I don't want to do business with you." It really is that simple once you understand the concept.**

**Our concept is not going into court. A lot of people have to and a lot of people wait until the last minute to decide they have to do something and then they're normally caught in a 'fire drill' and that's a lot of times when the mistakes are made because it's so fast, we call this a "fire drill". So we're trying to recommend to everyone out there to get your hands on something ahead of time. Do something well in advance before you have a problem and that way you're pretty much protected. The reason I say this is not to say, "Well if I start doing the paperwork am I going to draw attention?" No... the point I'm trying to make here is that the percentages of people who have some form of issue whether it be by a local official, a state or federal official, your county commissioner, your tax guy, the local cop down the corner by Dunkin Donuts, everywhere you turn there asking for money. The bottom line is, if you get a speeding ticket, they're asking you for money.**

## **FRAUD**

**FRAUD: AN INTENTIONAL PERVERSION OF THE TRUTH FOR THE PURPOSE OF INDUCING ANOTHER IN RELIANCE UPON IT TO PART WITH SOME VALUABLE THING BELONGING TO HIM/HER OR SURRENDER A LEGAL RIGHT; A FALSE REPRESENTATION OF A MATTER OF FACT, WHETHER BY WORDS OR BY CONDUCT, BY FALSE OR MISLEADING ALLEGATIONS OR BY CONCEALMENT OF THAT WHICH SHOULD HAVE BEEN DISCLOSED, WHICH DECIEVES AND IS INTENDED TO DECEIVE ANOTHER SO THAT HE SHALL ACT UPON IT TO HIS LEGAL INJURY.**

**ANY KIND OF ARTIFICE EMPLOYED BY ONE PERSON TO DECEIVE ANOTHER; A GENERIC TERM, EMBRACING ALL MULTIFARIOUS MEANS WHICH HUMAN INGENUITY CAN DEVISE AND WHICH ARE SUPPRESSION OF TRUTH, AND INCLUDES ALL: TRICK, CUNNING, DISSEMBLING, SURPRISES, AND ANY UNFAIR WAY BY WHICH ANOTHER IS CHEATED.**

**FRAUD VITIATES EVERY TRANSACTION AND ALL CONTRACTS, INDEED THE PRINCIPAL IS OFTEN STATED, IN BROAD AND SWEEPING LANGUAGE, THAT FRAUD DESTROYS THE VALIDITY OF EVERYTHING IN WHICH IT ENTERS, AND THAT IT VITIATES THE MOST SOLEMN CONTRACTS, DOCUMENTS, AND EVEN JUDGMENTS.**

## **ADHESION CONTRACT**

**A STANDARD - FORM CONTRACT PREPARED BY ONE PARTY TO BE SIGNED BY THE PARTY IN A WEAKER POSITION USUALLY A CONSUMER, WHO ADHERES TO THE CONTRACT WITH LITTLE CHOICE OF THE TERMS. SOME SETS OF TRADE AND PROFESSIONAL FORMS ARE EXTREMELY ONE SIDED GROSSLY IN FAVORING ONE INTEREST GROUP AGAINST ANOTHER, AND ARE COMMONLY REFERRED TO AS CONTRACT OF ADHESION. FROM WEAKNESS IN BARGAINING POSITION, IGNORANCE, OR INDIFFERENCE, UNFAVORED PARTIES ARE WILLING TO ENTER TRANSACTIONS CONTROLLED BY THESE LOPSIDED LEGAL DOCUMENTS**
