

# Twinkle Twinkle Little Star

## VERSE 2

When the blazing sun is gone  
When he nothing shines upon  
Then you show your little light  
Twinkle Twinkle all the night  
Twinkle Twinkle little star  
How I wonder what you are

## VERSE 3

Then the traveller in the dark  
Thanks you for his tiny spark  
He should not know where to go  
if you did not twinkle so  
Twinkle Twinkle little star  
How I wonder what you are

## VERSE 4

In the dark blue sky you keep  
Often through my curtains peep  
For you never shut your eyes  
'Til the sun is in the sky  
Twinkle Twinkle little star  
Thank you for your tiny spark
