Ministry Profile

Family Ministries Summer Intern

Purpose of Internship

To invest in and develop interns in Family Ministries so that interns may grow in depth, maturity, and skill as a minister of the Gospel to families and be adequately prepared to evaluate their next step into the role of pastor to children, preteens, students, and families.

Pursuit of Ministry

Reaching Widely:

- Work with the pastoral teams, staff, and congregation to develop and implement practical avenues to reach our community
- Commit to making an impact on young lives for Jesus Christ
- Develop strategies to encourage children and teens to share the Gospel with those around them
- Creatively, authentically, and enthusiastically motivate children and teens to love God and love others

Engaging Deeply:

- Develop, shepherd, and disciple a volunteer leadership team that assists in the development and spiritual growth of children ages kindergarten through sixth grade or students ages seventh through twelfth grade
- Opportunities for instruction from God's Word and fellowship with others

Leading Well:

- Exemplify the qualities of a servant-leader
- Actively contribute to the improvement of the ministry of Stonebriar and provides prayerful support

- Encourage spiritual focus and commitment by modeling the Core Values and Statement of Faith of Stonebriar
- Cultivate a humble, grateful, flexible, and teachable attitude; let all you do be motivated by the love of Christ for God's glory
