Besides there are also such industries as light, perfumery and food there The city is an important transportation junction of Ukraine (sea port, commercial port, river port, highway and railway junction, airport). But Mykolaiv is also beautiful, interesting and attractive cultural city. So Our main goal to tell people as more as we know about our charming and exciting city Mykolaiv.</p>
Press points Mykolaiv News	<p>ET: Dear journalists and colleagues. You have a special home task - to present one of the fabulous places in Mykolaiv, because today we are going to prepare the newspaper article for our citizens. Let's name it “Kaleidoscope of Fabulous Places in Mykolaiv”</p> <p>Ok, let's listen to our journalists and their reports.</p> <p>Good day! "Nikolaevskie Novosti"(Mykolaiv News) welcome you today. Do you know that our city has 18 preserved sites, totaling about 12 square kilometres. But we will tell you about the Mykolaiv Zoo, which has been recognized not only in Ukraine, but also in Europe, more than 100 years. Zebras, kangaroos, bears, lions, hippos and buffalo, rodents and predators ... Nicholas zoo has about 5,700 different species. Not many people know that the first inhabitants of this ancient zoo steel fish. At the gates of visitors are greeted with marble lions - they are specifically for the Mykolaiv Zoo brought from China. Also, guests are</p>

<p>Question Quiz</p>	<p>Good day! Nice to see you. "Yuzhnaya Pravda" (Southern Truth) is speaking. We want to tell you about Mykolayiv Regional Museum of Local History "Staroflotski Barracks"</p> <p>Today this place is often visited. More than 180 thousands of items are exhibited here. First of all, there is a unique collection of natural, archaeological objects, started from the late Paleolithic period, and the Cossack's era, a collection of ancient books, objects of worship and weapons</p>
<p>Video</p>	<p>ET: Thanks. It was very interesting to know about Museum of local History, but now let's play. Give a question to the other team.</p> <p>Can you tell about your city using only three words?</p>

Evening Mykolaiv

Are there many places of interests?
Which one would you like to visit?
What is your favourite place in Mykolaiv?
What is there in your street?
How many cinemas in our city?
Do you visit any cafes or restaurants? Name them?
What libraries do you know?

ІТ: Дякуємо за ваші відповіді, але ми також запитали учнів нашої школи за що вони люблять своє місто. Подивіться та послухайте.

The Mayor: Three movie theaters you can visit in Mykolaiv: Batkivschyna (Motherland), Pioneer, Multiplex. Movies shown include the latest Hollywood films dubbed into Ukrainian
Among cultural institutions there are theatres of Ukrainian and Russian Drama, of Music Comedy, Puppet Theatre, Philharmonic Society.
Well, let's listen to "Vecherniy Nikolayev" (Evening Mykolaiv).

What's up! Hello! Have you ever thought that State Puppet Theatre in Mykolaiv is one of the best places in the city where you can have fun and useful to spend time. Puppet theater has received many favorable reviews among the residents and visitors alike. The team is not afraid to experiment with

the production of the play. It uses modern style and new creative approaches. Colorful "main actors" – puppet dolls attracts hundreds of young viewers. Visit and you are one of the magical performances

ІТ: Дякуємо. Дуже гарна ідея відвідати ляльковий театр. Давно вже там не була. А зараз у мене до вас є питання. А чи знаєте ви як ми перекладаємо назви міст, вулиць, імена та прізвища з української мови на англійську? Існує певна таблиця транслітерації українського алфавіту, яка була затверджена Кабінетом Міністрів України 27 січня 2017 року.

ЕТ: Now look at the screen. Here you can see the transliteration table. Let's play a game "Transliterator" Your task is using this table to convert the screenshots of streets of Ingul'skiy Region. I need one representor of the teams. Go to the blackboard. Here you have the pictures of the streets, transliterate them.

ІТ: Діти а ви знаєте як ми з вами робимо скріншоти (зображення робочої області в даний момент)? (Ми використовуємо клавішу Print
