

ORNAMENTAL FENCE

Protect Commercial or Residential Areas
Meanwhile Provide Attractive Decoration.

PRODUCT DETAIL

Features & Benefits

Brief Introduction

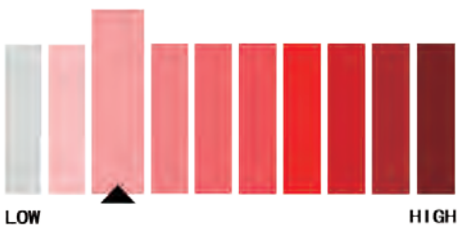

Ornamental fences are mainly used to protect commercial or residential areas without impeding the attractive views inside.

Welded from solid square steel, our ornamental fences are sturdy enough to last for many years meanwhile require very little maintenance.

The special flower and diamond lattice design gifts the fence a unique and distinctive look. That will complement any home or business.

Protection Level

Applications

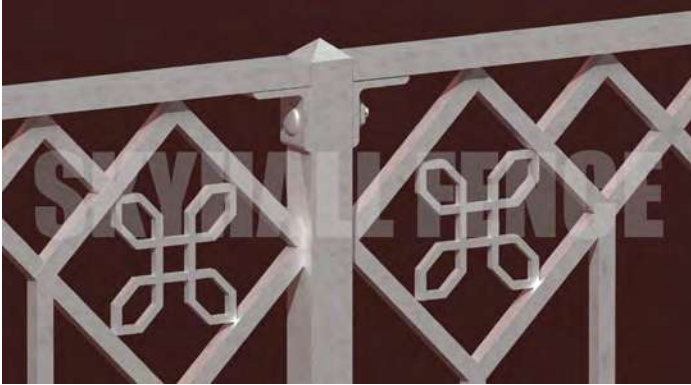

Functionalities

DECORATIVE

Our ornamental fence is characterized by the beautiful flower and diamond lattice design, adding a touch of elegance and style to your property. This special design is well accepted by our customers from the Middle East.

DURABLE

These ornamental fences are made from durable materials of steel. This means they will last for many years without needing maintenance or replacement.

AVAILABLE COLORS

All colors are available here for the ornamental fence, however, we recommend Silver, Cream White of RAL9001 and Dusty Grey of RAL7037 as the reference colors since they are quite popular among our customers.

SECURE

They can provide security for your property by keeping unwanted intruders out.
