# Blake Island

## Marine State Park

EMBRACE YOUR  
**NATURE**

[www.parks.state.wa.us](http://www.parks.state.wa.us)

## Welcome to Blake Island Marine State Park

Blake Island is a densely wooded island accessible only by boat. Visitors can view Puget Sound, ferry boats on the water and the lights of Seattle only a few miles away.

## Tillicum Village

Visitors can enhance their excursion to Blake Island at Tillicum Village's great cedar longhouse. Guests are invited to savor a unique Northwest Coast Indian dining experience featuring award-winning salmon baked on cedar stakes over alder fires, followed by a Northwest Coast Indian style presentation. A schedule and sign-up board for dining and a gift gallery are located in the longhouse. For more information, call (206) 623-1445 or visit [www.tillicumvillage.com](http://www.tillicumvillage.com).

## Facilities

Blake Island Marine State Park offers picnicking, boating, fishing, hiking and beach exploration. For overnight campers, there are 47 campsites, including 32 standard, 12 primitive and three on the Cascadia Marine Trail. There also is about 1,500 feet of usable dock space and 24 moorage buoys. A perimeter road circles the entire island, and there are five miles of beaches.

For shelter or group camp reservations, call (888) CAMPOUT or (888) 226-7688.

The park offers a group camp which includes an Adirondack shelter with bunks for eight guests and a grassy area for tents. The camp is reservable year round online at [www.parks.state.wa.us](http://www.parks.state.wa.us) and by calling (888) CAMPOUT or (888) 226-7688.

## Plants and animals

Due to the moist climate, vegetation grows rapidly on the island. Vegetation includes a wide variety of native Northwest trees and shrubs. Some trees and shrubs were imported by Mrs. Trimble and are still growing on the island today. Wildlife seen in the park includes deer, chipmunks, racoons, river otters, mink, and many types of birds, including bald eagles.

## Pack-it-in, Pack-it-out

Please take your garbage and recycle items with you, and properly dispose of them at home or at a mainland disposal site. If you need a plastic bag for your debris, just ask a ranger, who will give you a bag to help you pack it out.
