# Welcome to Lake Wenatchee State Park

Lake Wenatchee State Park is a 489-acre camping park with 12,623 feet of waterfront on glacier-fed Lake Wenatchee and the Wenatchee River. The park is bisected by the Wenatchee River, creating two distinct areas – South Park, which features areas for camping, swimming and horseback riding, and North Park, with forested campsites a short walk from undeveloped river and lakeshores. The park is a natural wildlife area, and visitors should be aware of the presence of bears and other natural dangers.

A concessionaire offers guided horse rides on more than 5 miles of trail in and around the forested park. Year-round recreation opportunities abound, including swimming, boating and hiking in the summer and cross-country skiing, snowplaying, snowshoeing and sledding in the winter.

## Overnight accommodations

The park offers several options for overnight stays year round. There are 155 standard campsites, 42 utility campsites that accommodate RVs up to 40 feet long and two campsites that are accessible to people with disabilities. Campsites at the park are reservable for stays between April 15 and Oct. 15.

The park offers a group camp that accommodates 20 to 80 guests. Only tent camping is allowed in the group camp. Fees vary with size of the group.

Reservations for individual campsites and the group camp may be made online at [www.parks.state.wa.us](http://www.parks.state.wa.us) or by calling (888) CAMPOUT or (888) 226-7688.
