

## *Revival - God at Work*

Dear fellow-servant of the Lord

The 21<sup>st</sup> KwaSizabantu Ministers' Conference in South Africa is planned for **4 – 6 March 2019**. We encourage you to attend and bring your spouse and any colleagues or friends who are involved in Christian ministry along. Services are from Monday evening to Wednesday evening. This frees you to be with your own congregations over the weekend.

At the 2019 conference, we wish to encourage servants of the Lord to be true to the Word of God despite challenges and opposition. Many values within society have shifted, but God's Word is still the same yesterday, today and for all times. It is still relevant for this generation and will never become dated. God is still at work; revival is still a reality hence the theme is Revival – God at Work. Each servant of the Lord has to learn how to walk with God today so that our work has God's blessing in whichever vineyard He has placed us.

We look forward to a time of refreshing and fellowship with all who join us.

In His love
