VENUE HIRE

CINEMA LOCATIONS AND PRICING

Our stylish cinemas represent the perfect venue for your next event.

Available every day of the week, treat your guests, staff, friends or family to an exclusively hired cinema to see any of our new release films. Classics and retrospective films are also available at an extra film hire fee. Hosts of cinema hires are entitled to use the cinema itself for the length of the film, unless otherwise previously arranged for a Q&A or speech. Running into the next session time attracts a secondary cinema hire fee. Hires and bookings are unavailable between 19 December – 11 January.

PRIVATE PRESENTATIONS

Not looking to screen one of our films? Palace Cinemas offer a unique and unforgettable opportunity for conferences, product launches, corporate presentations, and premiere screenings for local film. We recommend all films and presentations come on DCP format, or DVD/Blu-Ray (in capable cinemas; see above table). Projectors are able to connect to laptops via HDMI; all presentations must arrive on site at least 10 days before the event and be tested in an AV rehearsal. Rehearsals are held between 8-10am and start at \$85.00. See the technical requirements page for further details.

GROUP BOOKINGS

We also take bookings of over 10 people for any of our current standard sessions, shared with members of the public, from \$11.00. On Mondays, groups of over 20 are entitled to tickets from \$7.50 each. Group bookings are not available for cinemas 8, 9 and 10 at James St. Group bookings are also available for our sessions of the Met Opera, National Theatre Live, and Paris Opera Ballet. Please enquire for further details.

FUNCTIONS

All cinema hires and group bookings are entitled to a function before or after their film. Functions where food and beverages are served attract a fee to cover staff service. No items available for purchase from the cinema bar or through our caterers may be sold or given away. Under no circumstance can guests and hosts bring and give away their own alcohol. Hosts of functions need to be on-site at least half an hour before their guests.

SESSION TIMES

We ask that all cinema hires and group bookings take place within our standard starting times to accommodate our other screenings through the day. These times are flexible for private presentations. They are as such: 10.00-10.30am, 12.00-12.30pm, 2.00-2.30pm, 4.00-4.30pm, 6.30-7.30pm

PAYMENT

Full payment of fixed costs is due a week before your event and can be made by direct deposit or credit card. Tickets and food and beverages cannot be refunded. Cinema hire is non-refundable once programming is confirmed. Cancellation of cinema hires and catering within seven days attracts a 100% cancellation fee.

TECHNICAL SPECS

REQUIREMENTS AND COSTS

The following requirements and costs are for any cinema hire to screen private content:

FORMAT

Films, short films, and holding slides should all be provided on DCP (Digital Cinema Package) format. We do not advise hosts convert their own content to DCP; professional conversion services are available on enquiry. Films can be played from DVD in select cinemas only; please note that the quality of DVDs is not the greatest and to meet Palace standards we prefer to screen content from DCP. PowerPoint presentations must be supplied on the client's own laptop with HDMI connectivity; we highly recommend a rehearsal to ensure the presentation runs smoothly. Video footage in PowerPoint presentations must be embedded; if they require sound, please advise beforehand. All external content must be supplied one week before the event to ensure the content can be ingested, transferred, and tested in a timely manner.

REHEARSALS

While rehearsals are not mandatory, they are highly recommended to ensure your content or presentation runs as well as possible. A time will need to be scheduled with our AV technicians between 8-10am on a weekday.

TECHNICAL ASSISTANT

Our highly trained technicians are able to assist with the ingestion, transfer, and rehearsal of your content; on the day of your event, they can handle aspects such as microphones for speeches, spotlights (in select cinemas only), clicking through presentations, cueing holding slides/videos, lowering the lights, and more.

FILM CHOICES

A list of upcoming and in-season films is available upon request. Palace Cinemas are proud to screen a broad range of arthouse, international, and blockbuster films, but not all cinemas receive the same content. Please enquire for more details on what options are available at Palace Barracks and James St respectively.

If you are interested in screening an out-of-season film or one we are not scheduled to screen, we require up to a month to contact the film's distributor to seek approval and a copy of the content. These hires are subject to a film hire fee on top of cinema hire, and the approval and conditions set by the distributors.

- 15-30 minutes.....\$150
- 30+ minutes.....\$300

IMPORTANT INFORMATION

Palace Cinemas retains the right to cancel bookings and events for whatever reason deemed reasonable. In the case that an event must be cancelled in its entirety, Palace Cinemas will not charge the client for the event.

For cinema hire, the allocated auditorium is usually available for two to two and a half hours. This can be extended by written agreement and additional charges may apply. The allocated auditorium must be vacated at the end of the programmed session time to allow for the next session to take place. At the conclusion of the session, Palace Cinemas requires time to clean the auditorium and prepare for the following session. Should the event time in the allocated auditorium exceed the agreed finishing time, Palace Cinemas reserves the right to impose an additional cinema hire charge in compensation.

Guest numbers must not exceed the allocated auditorium seating capacity and all paths, steps and thoroughfares must always be kept clear. No external seating is permitted.

Hosts may charge guests for admission at their own discretion or may invite guests free of charge. Under either arrangement, the host is responsible for promoting the event and managing the guest list. Palace Cinemas are able to provide a registration table for this purpose.

Health and Safety during COVID-19

All of our staff and managers are trained in maintaining a healthy and safe environment for themselves and for their patrons at all times. Measures to ensure our cinemas are kept clean include:

- Social distancing – all bookings are separated from other groups in cinemas by two seats on either side; every second row is also blocked off. We have many reminders to maintain social distancing in our foyers, and staff are able and willing to remind guests to keep their distance.
- Cleaning – all of our cinemas and foyers are regularly deep cleaned between sessions, and staggered to allow more time for guests to come and go in the foyer space.
- Hygiene – all of our staff use gloves and regularly wash and sanitise hands while handling tickets, food, and other items. Hand sanitiser dispensers are located around the foyers for guest use.
- Food – for the foreseeable future we are minimising the sale of shareable food and finger foods such as canapes and charcuterie, and instead utilising single-serving options.
