Welcome Blanket Exhibit Release Form

By signing this form, I understand that:

1. The items that I donate to the Museum of Work and Culture (including blankets and associated Welcome Note Tags) will be displayed to the general public in person at the Museum from September 2nd, 2024 until November 30th, 2024. This includes any and all information that I choose to write on the associated Welcome Note Tag. They may also be photographed and posted online via the Museum of Work and Culture's and/or Rhode Island Historical Society's website and/or social media platforms.
2. These items will be photographed and sent to the Welcome Blanket organization for them to use as they wish, including possibly displaying them to the general public online.
3. Following the run of the exhibit, these items will be given to Dorcas International Institute of Rhode Island for them to gift to incoming refugees as they deem fit. Additionally, before, during, and following the run of the exhibit, Dorcas International may photograph donated items. These photographs are to be used as Dorcas International wishes, including (but not limited to) posting them on social media platforms and using them in email marketing.
