## Luxurious knit fabric

**Bug Guard treatment** for added anti-microbial protection, keeps the mattress free from odours, bed bugs and bacterial degradation.

**Fire Retardant Fabric** to suppress, reduce and delay combustion, for increased safety.

**Stay True Upholstery.** Additional superior quality comfort layers for long lasting comfort and support.

**Wool filling.** An important part of maintaining the perfect bed climate, pure new wool has a natural ability to both warm and cool, helping you to stay dry and relaxed at a comfortable temperature.

**Pressure Relieving Foams.** StayTrue™ GEL Foam layer together with superior quality comfort layers make up the foundation of your mattress comfort fillings.

**Exclusive DSx Sense & Respond Spring System** senses body weight and responds with extra deep-down push back support the body needs.

**Duraflex™ Foam Encased Edge Support.** High density foam encased border, surrounds and supports the edge of the spring system, for stability and increased usable sleeping area and improved durability of the sleep set.

**Shock Abzorber® Sprung Foundation.** Works together with the mattress to provide greater comfort and increased life to the sleep set.

Rubberized gripper fabric on the top of the base, holds the mattress and sheets in place.

Reinforced wood base option is available.
